1.0 INTRODUCTION

1.1 County of Los Angeles Workforce Development, Aging and Community Services

1.1.1 County of Los Angeles through its department of Workforce Development, Aging and Community Services ("County" or "WDACS") is committed to providing services which have positive impacts on the lives of the citizens of Los Angeles County. WDACS investigates claims of the abuse of senior and disabled populations and provides emergency shelter beds to these victims of abuse and neglect through its Adult Protective Services Program. WDACS provides employment and training services to adults and youth and works with employers in times of hiring and downsizing through its Workforce Innovations and Opportunity Act Programs. WDACS offers mediation services to avoid court filings through its Dispute Resolution Program. WDACS provides supportive services for a wide range of issues and activities impacting people of American Indian ancestry through its Community Services American Indian Block Grant Program. WDACS seeks to improve human relations by developing and strengthening delivery systems of technical assistance and resources Countywide through its Human Relations Commission. And, WDACS provides nutrition, supportive and other life-enhancing services to seniors/older individuals through its Area Agency on Aging Programs.

1.2 County of Los Angeles Area Agency on Aging

1.2.1 The Older Americans Act of 1965 ("OAA") authorizes the State of California through its Department of Aging, California Department of Aging ("CDA" or "State"), to divide the State of California into distinct planning and service areas in order to engage in the planning and provision of a broad range of supportive services, nutrition services, adult protective services and long-term care services within such planning and service areas. As such, the geographic boundaries of Los Angeles County (excluding the City of Los Angeles) have been designated by the State as Planning and Service Area 19 ("PSA 19"). The OAA also authorizes the State to designate local area agencies on aging to help carry out the objectives of the OAA within each PSA. As such, in 1975, CDA established County of Los Angeles through its department of Workforce Development, Aging and Community Services as an Area Agency on Aging ("AAA") for PSA 19.

1.2.2 WDACS carries out its mission to provide services through our AAA Programs to serve residents within the geographical boundaries of Los Angeles County (excluding the City of Los Angeles) by identifying the unmet needs of older adults and functionally-impaired
adults in PSA 19 as well as planning, coordinating and implementing programs that promote the health, dignity and well-being of this population. The mission of County of Los Angeles AAA is to stimulate progress towards the creation of a home and community-based long-term care system that maximizes consumer independence and dignity and is responsive and accessible to Los Angeles County’s diverse population of older adults and functionally-impaired adults, as well as their families.

4.0 COUNTY’S RIGHTS AND RESPONSIBILITIES

4.1 Representations Made Prior to Subaward Execution

4.1.1 County is not responsible for representations made by any of its officers or employees prior to the execution of a Subaward unless such understanding or representation is included in a Subaward.

4.2 Final Subaward by the Board of Supervisors

4.2.1 Notwithstanding a recommendation of County, agency, individual, or other, the Board of Supervisors retains the right to exercise its judgment concerning the selection of a proposal and the terms of any resultant agreement, and to determine which proposal best serves the interests of County. The Board of Supervisors is the ultimate decision making body and makes the final determinations necessary to arrive at a decision to grant, or not grant, a Subaward.

4.3 County’s Option to Reject Proposals

4.3.1 Proposer is hereby advised that this RFP is a solicitation for proposals only, and is not intended, and is not to be construed as, an offer to enter into a Subaward. County may, at its sole discretion, reject any or all proposals submitted in response to this RFP or may, in its sole discretion, reject all proposals and cancel this RFP in its entirety or County may cancel any portion of this RFP which serves the best interests of County.

4.3.2 County shall not be liable for any costs incurred by Proposer in connection with the preparation and submission of any proposal.

4.3.3 County reserves the right to waive inconsequential disparities or any informalities in a proposal if the sum and substance of the proposal is present.

4.4 County’s Right to Amend Request for Proposals

4.4.1 County has the unlimited right to amend this RFP by written addendum at any time before the final proposal due date and time. County is responsible only for that which is expressly stated in this solicitation document and any authorized written addendum thereto.
Such addendum shall be made available to each person or organization which County records indicate has received this RFP. Should such addendum require additional information not previously requested, Proposer’s failure to address the requirements of such addendum may result in its proposal being found non-responsive and not being considered, as determined in the sole discretion of County. County is not responsible for and shall not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

4.5 **Background and Security Investigations**

4.5.1 Background and security investigations of Proposer’s staff may be required at the discretion of County as a condition of beginning and continuing work under the Subaward. The cost of background checks is the responsibility of Proposer.

4.6 **County’s Quality Assurance Plan**

4.6.1 After commencement of a Subaward, County or its agent will evaluate Subrecipient’s performance under the Subaward on a periodic basis. Such evaluation will include assessing Subrecipient’s compliance with all terms in the Subaward and performance standards identified in Appendix B (Statement of Work). Subrecipient’s deficiencies which County determines are severe, continuing or that may jeopardize performance of the Subaward may be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by County and Subrecipient. If improvement does not occur consistent with the corrective action measures, County may terminate the Subaward in whole or in part, or impose other penalties as specified in the Subaward.

4.7 **Subaward Requirements for Payment and Performance Guaranties**

4.7.1 Throughout the entire term of the Subaward, including the original term and any renewals or extensions thereto, County, at its sole discretion, reserves the right to require Subrecipient to provide a Payment Guaranty, a Performance Guaranty or both in the amount and form as directed by County.

4.7.1.1 Payment Guaranty: Subrecipient’s surety/guarantee to County that Subrecipient shall meet its obligations to faithfully pay its Lower Tier Subrecipient(s) in a manner that is timely, satisfactory and acceptable to County, as determined by County at its sole discretion. The purpose of the Payment Guaranty is to provide all Lower Tier
Subrecipients who supply labor, materials, services, etc. to Subrecipient a recourse if they do not get paid by Subrecipient. In such case, the Payment Guaranty allows Lower Tier Subrecipient to file a claim with the surety company that issued the Guaranty in the event that Subrecipient does not reimburse the Lower Tier Subrecipient for goods and/or services provided by Lower Tier Subrecipient.

4.7.1.2 Performance Guaranty: Subrecipient’s surety/guarantee to County that Subrecipient shall meet its obligations to perform the terms and conditions of the Subaward. The purpose of the Performance Guaranty is to provide County a recourse to recover monies reimbursed to Subrecipient which would otherwise be lost due to Subrecipient’s actions.

4.7.2 County will determine whether Subrecipient will be required to obtain a Guaranty(ies) when Subrecipient’s performance under the Subaward reveals potential liability to County in an aggregate amount of $25,000 or more resulting from, but not limited to, the following incidents: disallowed costs, unsubstantiated costs, non-payment of vendors, etc.

4.7.3 The costs to implement and maintain the Guaranty(ies) may be allowable under the terms of the Subaward; however, no additional funding will be added to the Subaward Sums to pay for those costs.

4.7.4 Refer to Appendix A (Sample Subaward), Subparagraph 9.19 (Payment and Performance Guaranties) for additional information on the requirements for these Guaranties.

5.2.4 County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the proposal as confidential shall not be deemed sufficient notice of exception. Proposer must specifically label only those provisions of its proposal which are "Trade Secret", "Confidential" or "Proprietary" in nature.

5.2.5 In the event that County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "Trade Secret", "Confidential" or "Proprietary", Proposer agrees to defend and indemnify County from all costs and expenses, including reasonable attorneys’ fees, incurred in connection with any action, proceeding or liability arising in connection with the Public Records Act request.

5.4.1 Proposer must register on County’s WebVen. The WebVen contains the vendor’s business profile and identifies the goods/services the vendor provides. Proposer can register on-line at http://camisvr.co.la.ca.us/webven/.

Additionally, any actual Proposer may request a review of a disqualification or of a proposed Subaward under such a solicitation, as described respectively in Subparagraph 5.5.3 (Grounds for Review). It is the responsibility of Proposer challenging the decision of WDACS to demonstrate that WDACS committed a sufficiently material error in the solicitation process to justify invalidation of a proposed Subaward.

5.5.2 Throughout the review process, County has no obligation to delay or otherwise postpone granting of the Subaward based on a Proposer protest. In all cases, County reserves the right to recommend an award when it is determined to be in the best interest of the County of Los Angeles to do so.

5.5.3 Grounds for Review

5.5.3.1 Unless State or Federal statutes or regulations provide otherwise, the grounds for review of a solicitation for a Board-approved services contract provided for in accordance with Board of Supervisors Policy No. 5.055
(Services Contract Solicitation Protest) are limited to the following:

5.7 Confidentiality and Independent Contractor Status

5.7.1 As appropriate, Subrecipient shall comply with the confidentiality and the independent contractor status provisions contained in Appendix A (Sample Subaward), Subparagraph 7.6 (Confidentiality) and Subparagraph 8.22 (Independent Contractor Status), respectively.

5.8 Conflict of Interest

5.8.1 No County employee whose position in County enables him/her to influence the selection of a Subrecipient for this RFP or any competing RFP, nor any spouse or economic dependent of such employee, shall be employed in any capacity by Proposer or have any other direct or indirect financial interest in the selection of Subrecipient. Proposer shall certify that it is aware of and has read the Los Angeles County Code Section 2.180.010 as stated in Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 5 (Certification of No Conflict of Interest).

5.9 Determination of Proposer Responsibility

5.9.1 A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Subaward. It is County's
policy to conduct business only with responsible Proposers who are successful in the evaluation process and are granted the Subaward.

5.9.2 Proposer is hereby notified that, in accordance with Los Angeles County Code Chapter 2.202 (Determinations of Contractor Non-Responsibility and Contractor Debarment), County may determine whether Proposer is responsible based on a review of Proposer’s performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by Proposer against public entities. Labor law violations which are the fault of Lower Tier Subrecipients (that is, Subcontractors) and of which Proposer had no knowledge shall not be the basis of a determination that Proposer is not responsible.

5.9.3 County may declare Proposer to be non-responsible for purposes of this solicitation if the Board of Supervisors, in its discretion, finds that Proposer has done any of the following: 1) violated a term of a contract with County or a nonprofit corporation created by County; 2) committed an act or omission which negatively reflects on Proposer’s quality, fitness or capacity to perform a contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same; 3) committed an act or omission which indicates a lack of business integrity or business honesty; or 4) made or submitted a false claim against County or any other public entity.

5.9.4 If there is evidence that the apparent highest ranked Proposer may not be responsible, WDACS shall notify Proposer in writing of the evidence relating to Proposer’s responsibility and its intention to recommend to the Board of Supervisors that Proposer be found not responsible. WDACS shall provide Proposer and/or Proposer’s Authorized Representative with an opportunity to present evidence as to why Proposer should be found to be responsible and to rebut evidence which is the basis for WDACS’ recommendation.

5.9.5 If Proposer presents evidence in rebuttal to WDACS, WDACS shall evaluate the merits of such evidence, and based on that evaluation, WDACS shall make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of Proposer shall reside with the Board of Supervisors.

5.9.6 These terms shall also apply to proposed Subcontractors of Proposers on County contracts.
5.10 **Proposer Debarment**

5.10.1 Proposer is hereby notified that, in accordance with Los Angeles County Code Chapter 2.202 (Determinations of Contractor Non-Responsibility and Contractor Debarment), County may debar Proposer from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and County may terminate any or all of Proposer’s existing contracts with County, if the Board of Supervisors finds, in its discretion, that Proposer has done any of the following: 1) violated a term of a contract with County or a nonprofit corporation created by County; 2) committed an act or omission which negatively reflects on Proposer’s quality, fitness or capacity to perform a contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same; 3) committed an act or offense which indicates a lack of business integrity or business honesty; or 4) made or submitted a false claim against County or any other public entity.

5.10.2 If there is evidence that the apparent highest ranked Proposer may be subject to debarment, WDACS shall notify Proposer in writing of the evidence which is the basis for the proposed debarment, and shall advise Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.

5.10.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. Proposer and/or Proposer’s Authorized Representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether Proposer should be debarred, and, if so, the appropriate length of time of the debarment. Proposer and WDACS shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

5.10.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

5.10.5 If Proposer has been debarred for a period longer than five (5) years, Proposer may, after the debarment has been in effect for at least five
(5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if County finds that Proposer has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of County.

5.10.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where: 1) Proposer has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and, 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. The Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. The request for review of a debarment determination shall be decided by the Contractor Hearing Board pursuant to the same procedures used for a debarment hearing.

5.10.7 The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

5.10.8 These terms shall also apply to proposed Subcontractors of Proposers on County contracts.

5.10.9 Appendix H (Listing of Contractors Debarred in Los Angeles County) provides a link to County’s website where there is a listing of contractors that are currently on the debarment list for County of Los Angeles.

5.11 Adherence to County’s Child Support Compliance Program

5.11.1 Proposer shall fully comply with all applicable State and Federal reporting requirements relating to employment reporting for its employees and all lawfully served Wage and Earnings Assignment Orders and Notice of Assignment, and shall continue to maintain
such compliance during the term of any Subaward that may be granted pursuant to this solicitation. Failure to comply may be cause for termination of Subaward or initiation of debarment proceedings against the non-compliant Subrecipient in accordance with Los Angeles County Code Chapter 2.202 (Determinations of Contractor Non-Responsibility and Contractor Debarment).

5.12 **Gratuities**

5.12.1 **Attempt to Secure Favorable Treatment**

5.12.1.1 It is improper for any County officer, employee or agent to solicit consideration, in any form, from Proposer with the implication, suggestion or statement that Proposer’s provision of the consideration may secure more favorable treatment for Proposer in the granting of the Subaward or that Proposer’s failure to provide such consideration may negatively affect County’s consideration of Proposer’s proposal. Proposer shall not offer or give either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the granting of the Subaward.

5.12.2 **Form of Improper Consideration**

5.12.2.1 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment or tangible gifts.

5.12.3 **Proposer Notification to County**

5.12.3.1 Proposer shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to County manager charged with the supervision of the employee or to County of Los Angeles Auditor-Controller’s Employee Fraud Hotline at (800) 544-6861. Failure to report such improper consideration may result in Proposer’s proposal being eliminated from consideration.

5.13 **Notice to Proposers Regarding the County Lobbyist Ordinance**

5.13.1 The Board of Supervisors has enacted an ordinance regulating the activities of persons who lobby County officials ("Lobbyist Ordinance"). This ordinance defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in Los
Angeles County Code Chapter 2.160 (County Lobbyists). In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of Proposer to review the ordinance independently as the text of said ordinance is not contained within this RFP. Thereafter, Proposer must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by Proposer is in full compliance with the Los Angeles County Code and each such County Lobbyist is not on the County of Los Angeles Executive Office’s List of Terminated Registered Lobbyists by completing Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 6 (Familiarity with County’s Lobbyist Ordinance Certification) and submitting it as part of the proposal.

5.14 Federal Earned Income Credit

5.14.1 Upon granting of the Subaward (that is, Contract), Subrecipient (that is, Contractor) shall notify its employees, and shall require each Lower Tier Subrecipient (that is, Subrecipient) to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Appendix I (Internal Revenue Service Notice 1015).

5.15 Consideration of GAIN and GROW Participants for Employment

5.15.1 As a threshold requirement for consideration for the Subaward, Proposer shall demonstrate a proven record of hiring participants enrolled in County of Los Angeles Department of Public Social Services Greater Avenues for Independence (GAIN) or General Relief Opportunities for Work (GROW) Programs or shall attest to a willingness to consider GAIN and GROW participants for any future employment openings if such participants meet the minimum qualifications for that opening. Proposer shall attest to a willingness to provide employed GAIN and GROW participants access to Proposer’s employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.

5.15.2 Proposer who is unable to meet this requirement shall not be considered for the Subaward. Proposer shall complete Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 9 (Attestation of Willingness to Consider GAIN and GROW Participants) and submit it as part of the proposal.
5.16 **Recycled Bond Paper**

5.16.1 Proposer shall be required to comply with County's policy on recycled bond paper as specified in Appendix A (Sample Subaward), Subparagraph 8.39 (Recycled Bond Paper).

5.17 **Safely Surrendered Baby Law**

5.17.1 Upon granting of the Subaward, Subrecipient (that is, Contractor) shall notify and provide to its employees, and shall require each Lower Tier Subrecipient (that is, Subcontractor) to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Appendix J (Safely Surrendered Baby Law) and it is also available on-line at [www.babysafela.org](http://www.babysafela.org) for printing purposes.

5.18 **Jury Service Program**

5.18.1 The resulting Subaward (that is, Contract) is subject to the requirements of County’s Contractor Employee Jury Service Ordinance (“Jury Service Program”) in accordance with Los Angeles County Code Chapter 2.203 (Contractor Employee Jury Service). Proposer shall carefully read the Jury Service Ordinance in Appendix G (Jury Service Ordinance) and the pertinent jury service provisions of Appendix A (Sample Subaward), Subparagraph 8.8 (Compliance with County’s Jury Service Program), both of which are incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both Subrecipient (that is, Contractor) and its Lower Tier Subrecipient(s) (that is, Subcontractor(s)).

5.18.2 The Jury Service Program requires Contractor and its Subcontractor(s) to have and adhere to a written policy that provides that its employees shall receive from Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the employee’s regular pay the fees received for jury service. For purposes of the Jury Service Program, “employee” means any California resident who is a full-time employee of Contractor and “full-time” means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of Contractor’s full-time California employees, even those not working specifically on the Contract project. Full-time employees providing short term,
temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program.

5.18.3 There are two (2) ways in which Contractor might not be subject to the Jury Service Program. The first is if Contractor does not fall within the Jury Service Program’s definition of “contractor”. The Jury Service Program defines “contractor” to mean a person, partnership, corporation or other entity which has a contract with County or a subcontract with a County contractor and has received or will receive an aggregate sum of fifty thousand dollars ($50,000) or more in any twelve (12) month period under one or more County contracts or subcontracts. The second is if Contractor meets one of the two exceptions to the Jury Service Program. The first exception involves small businesses and applies to Contractor: 1) having ten (10) or fewer employees; 2) earning annual gross revenues in the preceding twelve (12) months which, if added to the Maximum Annual Subaward Sum of the Contract is less than five hundred thousand dollars ($500,000); and, 3) when it is not an “affiliate or subsidiary of a business dominant in its field of operation”. The second exception applies to Contractor that possesses a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

5.18.4 If Proposer does not fall within the Jury Service Program’s definition of “contractor” or if it meets any of the exceptions to the Jury Service Program then Proposer must so indicate when completing Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 10 (County of Los Angeles Contractor Employee Jury Service Program Certification and Application for Exception) and shall submit the completed form along with all necessary documentation to support the claim (such as tax returns or a collective bargaining agreement, if applicable) with its proposal. Upon reviewing Proposer’s application, County will determine, in its sole discretion, whether Proposer falls within the Jury Service Program’s definition of “contractor” or meets any of the exceptions to the Jury Service Program. County’s decision will be final.

5.18.5 When Proposer fails to comply with the requirements of the Jury Service Program, its proposal will be considered non-responsive and excluded from further consideration.
5.19 Intentionally Omitted

This information shall be provided by Proposer on Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 1 (Proposer’s Organization Questionnaire, Affidavit and Community Business Enterprise Information). Failure of Proposer to provide this information may eliminate its proposal from any further consideration. Proposer shall have a continuing obligation to notify County of changes to the information contained in Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 1 (Proposer’s Organization Questionnaire, Affidavit and Community Business Enterprise Information) prior to the granting of the Subaward by providing a revised Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 1 (Proposer’s Organization Questionnaire, Affidavit and Community Business Enterprise Information) to County upon the occurrence of any event giving rise to a change in its previously-reported information.

5.21 Proposer’s Charitable Contributions Compliance

5.21.1 California’s Supervision of Trustees and Fundraisers for Charitable Purposes Act (“Charitable Purposes Act”) regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act are subject to its registration and reporting requirements. The 2004 Nonprofit Integrity Act (Senate Bill 1262, Chapter 919) increased Charitable Purposes Act requirements. Proposer shall carefully read Appendix N (Background and Resources - California Charities Regulation). New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fundraising practices and documentation. Charities with over two million dollars ($2,000,000) in revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

5.21.2 Proposer must determine if it receives or raises charitable contributions which subject it to the Charitable Purposes Act and shall complete Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 19 (Charitable Contributions Certification). Further, a completed Appendix A (Sample Subaward),

5.21.3.1 It has determined that it does not now receive or raise charitable contributions regulated under the Charitable Purposes Act, including the Nonprofit Integrity Act, but will comply if it becomes subject to coverage under those laws during the term of the Subaward, or

5.21.3.2 It is currently complying with its obligations under the Charitable Purposes Act, and has attached a copy of its most recent filing with the Registry of Charitable Trusts.

5.21.4 Proposer that does not complete Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 19 (Charitable Contributions Certification) and submit it along with its proposal may be disqualified from consideration for a Subaward at County’s sole discretion. Subrecipient that fails to comply with its obligations under the Charitable Purposes Act is subject to Subaward termination, debarment proceedings or both in accordance with Los Angeles County Code Chapter 2.202 (Determinations of Contractor Non-Responsibility and Contractor Debarment).

5.22 Defaulted Property Tax Reduction Program

5.22.1 The Subaward (that is “Contract”) is subject to the requirements of County’s Defaulted Property Tax Reduction Program (“Defaulted Tax Program”) as defined in Los Angeles County Code Chapter 2.206 (Defaulted Property Tax Reduction Program). Proposer shall carefully read Appendix O (Defaulted Property Tax Reduction Program), and the pertinent provisions of Appendix A (Sample Subaward), Subparagraph 8.51 (Warranty of Compliance with County’s Defaulted Property Tax Reduction Program) and Subparagraph 8.52 (Termination for Breach of Warranty to Maintain Compliance with County’s Defaulted Property Tax Reduction Program), both of which are incorporated by reference into and made a part of this solicitation. 5.22.2 Proposer shall either certify that it is in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of the Contract that may be granted
pursuant to this solicitation or shall certify that it is exempt from the Defaulted Tax Program by completing Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 20 (Certification of Compliance with County’s Defaulted Property Tax Reduction Program). Failure to maintain compliance or to timely cure defects may be cause for termination of Contract or initiation of debarment proceedings against non-compliant Contractor in accordance with Los Angeles County Code Chapter 2.202 (Determinations of Contractor Non-Responsibility and Contractor Debarment).

5.22.3 Proposer’s failure to comply with the certification requirements of the Defaulted Property Tax Program will cause its proposal to be deemed non-responsive and excluded from further consideration.

5.23.1 Subrecipient (that is, Contractor) shall notify its employees and shall require each Lower Tier Subrecipient (that is, Subcontractor) to notify and provide to its employees, information regarding the time off for voting law in accordance with the requirements outlined in the Elections Code Section 14000. Not less than ten (10) days before every statewide election, Contractor and its Subcontractors shall post a notice setting forth the provisions of Elections Code Section 14000 whereby such notice shall be posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work.

5.24 Proposer’s Acknowledgement of County’s Commitment to Zero Tolerance Human Trafficking Policy

5.24.1 On October 4, 2016, the Board of Supervisors approved a motion taking significant steps to protect victims of human trafficking by establishing a zero tolerance human trafficking policy. 7.9.3.7 **Section D (Proposer's Financial Capability)**

7.9.3.7.1 Proposer shall provide audited financial statements, single audits or U.S. Securities and Exchange Commission filings (if the filings contain all necessary information) which reflect Proposer’s most recent three (3) full Fiscal Years of financial activities. 7.9.3.7.2 These financial documents shall be prepared by a Certified Public Accountant and must
provide an accurate, verifiable representation of the entire financial position of Proposer’s organization. They will be used to determine Proposer’s financial viability (i.e., County will conduct a financial capability evaluation of the documents submitted to meet this requirement). 7.9.3.7.3 At a minimum, these audited financial statements, single audits or U.S. Securities and Exchange Commission filings shall include the following:

Provision of the parent company’s financial information does not by itself satisfy the requirement for the provision of Proposer’s financial information. In addition, the financial capability of the parent company cannot be substituted for Proposer’s financial capability unless Proposer provides evidence that its parent company agrees to sign a parental guarantee; Proposer shall submit this evidence with its proposal. If Proposer is not a subsidiary of another company, Proposer shall provide a statement indicating such position.

7.9.3.7.6 Proposer shall submit its audited financial statements, the financial audit report from other County departments (if applicable) and financial statements from its parent company (if applicable) as part of Section D (Proposer’s Financial Capability) of the proposal.

Proposer shall provide a written request indicating its intent to withdraw its original proposal and re-submit a revised proposal. Include this written request when submitting the revised/corrected proposal. Revised proposals will not be accepted once the deadline for submission of proposals has passed.

7.10.2 The proposal shall be a firm and final offer and may not be withdrawn for a period of two hundred seventy (270) days following the final proposal due date and time.

7.11 Proposal Submission

7.11.1 A complete proposal is one that includes the original hardcopy proposal, four (4) duplicate hardcopies of the proposal and two (2) electronic versions of the proposal (stored on thumb drives/flash drives). 7.11.2 At any time prior to the final proposal due date and time, Proposer may submit its proposal during County’s business hours, Monday – Friday (8:00 a.m. to 5:00 p.m. (PDT)). On the final proposal due date, the proposal shall be submitted (i.e., must be received by County) no later than the time indicated in Subparagraph 7.3 (RFP Timetable). The proposal shall be submitted by mail or hand-delivered to:

7.11.3 It is the sole responsibility of Proposer to ensure that its proposal is received no later than the final proposal due date and time. Proposer shall bear all risks associated with delays in delivery by any person or entity, including the United States postal service. Any proposal received after the final proposal due date and time will not be accepted and will be returned to Proposer or Proposer’s agent unopened.

7.11.4 When Proposer or Proposer’s agent delivers the proposal in a sealed envelope or box, County will receive the proposal in the condition in which it is delivered (i.e., County will not open the sealed envelope/box until after the final proposal due date and time have elapsed). County will provide Proposer or Proposer’s agent a receipt as evidence that the proposal is received by the final proposal due date and time. In the event that Proposer elects to re-submit its proposal pursuant to the requirements outlined in Subparagraph 7.10 (Firm Offer/Withdrawal of Proposal), County shall issue a new receipt for the resubmitted proposal.

7.11.5 If Proposer does not submit the required number of proposals (both hardcopies and electronic versions) as stated in this Subparagraph
7.11 then County (at its sole discretion) may deem Proposer’s submission as non-responsive which may result in the proposal being disqualified from further consideration/review (i.e., the proposal may be rejected).

8.0 SELECTION PROCESS AND EVALUATION CRITERIA

8.1 Selection Process

8.1.1 County reserves the sole right to judge, review and evaluate the contents of the proposals submitted pursuant to this RFP and to determine the final scores of the proposals. County reserves the right to waive inconsequential disparities or any informalities in a proposal if the sum and substance of the proposal is present. The evaluation and selection process will begin after receipt of the proposals.

8.1.2 Adherence to the Minimum Mandatory Qualifications (Pass/Fail Review)

8.1.2.1 Upon receipt of the proposal, County will conduct a Pass/Fail Review of Proposer’s Minimum Mandatory Qualifications. The results of this initial review will be used to determine whether or not the proposal will be evaluated for scoring.

8.1.2.2 If County determines that Proposer has not met all of the Minimum Mandatory Qualifications listed in this RFP at the time that the proposal is submitted, County will immediately reject the proposal as non-responsive. County will issue Proposer a notification indicating that its proposal has been disqualified from further consideration and Proposer may be given the option to pick-up its proposal from County’s office within the timeframe and manner designated by County (i.e., when Proposer submits information/documentation which demonstrates that Proposer does not meet all of the Minimum Mandatory Qualifications, the proposal will not be evaluated for scoring).

8.1.2.3 If County determines that Proposer has met and passed the Minimum Mandatory Qualifications process (i.e., Pass/Fail Review) then the proposal will be evaluated for scoring by an Evaluation Committee.

8.1.3 Evaluation Committee Review of the Proposal
8.1.3.1 Evaluation of the passing proposals will be completed by an Evaluation Committee selected by County. The Evaluation Committee will evaluate and score the proposals using the evaluation approach described herein.

8.1.3.2 The Evaluation Committee will consist of individuals who are subject matter experts in various areas including but not limited to program operations, contract development, planning operations, grants management, finance/accounting, monitoring/compliance and/or administrative operations. County will make every attempt to utilize the services of appropriate subject matter experts to assist in this evaluation process.

8.1.4 Clarification of Proposed Elements

8.1.4.1 County may, at its sole option, contact all Proposers being evaluated for clarification or validation of submitted information.

8.1.5 Proposal Score

8.1.5.1 The proposal will be evaluated based on a numerical scoring system. The Evaluation Committee will use an evaluation tool containing rating criteria to determine the score of the proposal. The maximum score that a proposal can receive is 10,000 points. These points are divided between the Business Proposal and the Cost Proposal. The Business Proposal is worth a maximum of 6,000 points and the Cost Proposal is worth a maximum of 4,000 points.

8.1.5.2 Proposals will be evaluated based on the Region that is listed in Subparagraph 1.4.1.2 (for FCSP Services) or for all Regions (for FCSP GR Services) to be served. For example, all proposals submitted for the Antelope Valley Region (which includes the Santa Clarita Valley Region and the San Fernando Valley Region) will be evaluated in relation to County’s need for Program Services in the Antelope Valley Region (which includes the Santa Clarita Valley Region and the San Fernando Valley Region). As such, the maximum score that a proposal can receive when it is submitted for a Region is 10,000 points.

8.1.5.3 In order to be considered for a Subaward, Proposer must receive an overall minimum passing score of 7,000 points after its proposal has been evaluated. To receive this
overall passing score, Proposer must receive a minimum score of 4,200 points for the Business Proposal and a minimum of 2,800 points for the Cost Proposal for a total overall minimum passing score of 7,000 points.

8.1.5.4 In the event that no proposal receives a minimum passing score of 7,000 points, County reserves the right to select a proposal for Subaward based on a curve rating. For example, the highest scoring proposal that doesn’t receive 7,000 points will be rated at 100% and any other proposals will be rated proportionately.

8.1.6 Additional Considerations for Selection of Successful Proposer

8.1.6.1 Client Attestations

8.1.6.1.1 County reserves the right to contact each Proposer’s Clients to attest to Proposer’s service delivery. County will notify each Proposer if County elects to exercise this right. County will complete the MMQ review as well as the evaluation and scoring of the Business and Cost Proposals and for all Proposers who receive a passing score, County may use Client attestations as an additional element when making the final decision to grant a Subaward.

8.1.6.2 Missing Forms and Documentation

8.1.6.2.1 In the event that Proposer does not submit a required form and/or document as part of the Business Proposal, Cost Proposal or both, County will deduct points for the missing form or document as indicated in Subparagraph 8.4.6 (Subsection F (Required Forms and Documentation)), Subparagraph 8.5.1 (Section A (Proposed Program Services)) and Subparagraph 8.5.2 (Section B (Proposed Budget)). However, if the missing form and/or document is required as part of the Minimum Mandatory Qualifications then point deductions are not applicable since the Minimum Mandatory Qualifications will be reviewed on a pass/fail basis.
8.1.6.2.2 In the event that Proposer is selected to receive a Subaward and it did not submit a required form or documentation that is indicated in Subparagraph 8.4.6 (Subsection F (Required Forms and Documentation)) as part of its proposal, County will not recommend Proposer to the Board of Supervisors for the Subaward unless/until Proposer has submitted the proper form(s) and/or documentation as directed by County (i.e., successful Proposer shall submit any missing form/documentation to County prior to recommendation for the Subaward).

8.1.7 **Prospective Subrecipient(s)**

8.1.7.1 After evaluation of the proposals has been completed, County will select prospective Subrecipient to receive a Subaward. County retains the right to select prospective Subrecipient which County determines in its sole discretion to be the most overall qualified, cost-effective, responsive and responsible and serves the best interests of County as opposed to selecting Proposer that receives the highest number of points.

8.1.7.2 Once prospective Subrecipient is selected, County will begin negotiating a Subaward with prospective Subrecipient. Such negotiation may include, but is not limited to, negotiation of the unit rates, units of Services, Region(s), Service site(s), etc. to ensure that the requirements of the Program and the RFP objectives are met prior to execution of the Subaward. If a satisfactory Subaward cannot be negotiated, County may, at its sole discretion, begin Subaward negotiations with the next qualified prospective Subrecipient who submitted a proposal, as determined by County. The selected proposal shall be made a part of the resulting Subaward.

8.1.7.3 Once the Subaward negotiation process has been completed, the negotiated Subaward will be submitted to the Board of Supervisors for its consideration and possible approval.

8.1.7.4 WDACS’ recommendation to grant a Subaward will not bind the Board of Supervisors to grant such Subaward to prospective Subrecipient.

8.2 Intentionally Omitted

8.3 Disqualification Review

8.3.1 A proposal may be disqualified from consideration because County determines that it is non-responsive at any time during the review/evaluation process. A proposal may also be disqualified due to a determination of Proposer's non-responsibility (see Subparagraph 5.9 (Determination of Proposer Responsibility)). When County determines that a proposal is disqualified due to non-responsiveness, County shall notify Proposer in writing (“written determination of non-responsiveness”). In this written determination of non-responsiveness, County will provide Proposer an opportunity to request a Disqualification Review within a specified timeframe.

8.3.2 Upon receipt of the written determination of non-responsiveness, Proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination of non-responsiveness.

The Disqualification Review shall be completed by County and a written determination shall be provided to the disqualified Proposer prior to the conclusion of the evaluation process. The results of the Disqualification Review are final and no further appeals will be allowed.

8.7.2.3.3 A member of the Evaluation Committee demonstrated bias in the conduct of the evaluation.

8.7.2.3.4 Another basis for review as provided by State or Federal law.

8.7.2.4 The completed Request for Proposals (RFP) Transmittal to Request a Proposed Contractor Selection Review form sets forth sufficient detail to demonstrate that, but for County's alleged failure, non-selected Proposer's proposal would have been the highest-scored proposal.
