1.0 INTRODUCTION

1.1 County of Los Angeles Workforce Development, Aging and Community Services

1.1.1 In accordance with a recent name change, effective December 15, 2016, County of Los Angeles Workforce Development, Aging and Community Services (“County” or “WDACS”) shall be known as County of Los Angeles Workforce Development, Aging and Community Services (“County” or “WDACS”).

1.1.2 County of Los Angeles Workforce Development, Aging and Community Services is committed to providing services which have positive impacts on the lives of the citizens of Los Angeles County. WDACS investigates claims of the abuse of senior and disabled populations and provides emergency shelter beds to these victims of abuse and neglect through WDACS’ Adult Protective Services Program. WDACS provides employment and training services to adults and youth and works with employers in times of hiring and downsizing through WDACS’ Workforce Innovations and Opportunity Act Programs. WDACS offers mediation services to avoid court filings through WDACS' Dispute Resolution Program. WDACS provides supportive services for a wide range of issues and activities impacting people of American Indian ancestry through WDACS’ Community Services American Indian Block Grant Program. WDACS seeks to improve human relations by developing and strengthening delivery systems of technical assistance and resources Countywide through WDACS’ Human Relations Commission. And, WDACS provides nutrition, supportive and other life-enhancing services to senior/older individuals through WDACS' Area Agency on Aging Programs.

1.2 County of Los Angeles Area Agency on Aging

1.2.1 The Older Americans Act of 1965 (“OAA”) authorizes the State of California through its Department of Aging, California Department of Aging (“CDA” or “State”), to divide the State of California into distinct planning and service areas in order to engage in the planning and provision of a broad range of supportive services, nutrition services, adult protective services and long-term care services within such planning and service areas. As such, the geographic boundaries of Los Angeles County (excluding the City of Los Angeles) have been designated by the State as Planning and Service Area 19 (“PSA 19”). The OAA also authorizes the State to designate local area agencies on aging to help carry out the objectives of the OAA within each PSA. As such, in 1975, CDA established County of Los Angeles through
its department of Workforce Development, Aging and Community Services as an Area Agency on Aging (“AAA”) for PSA 19.

1.2.2 WDACS carries out its mission to provide services through our AAA Programs to serve residents within the geographical boundaries of Los Angeles County (excluding the City of Los Angeles) by identifying the unmet needs of older adults and functionally-impaired adults in PSA 19 as well as planning, coordinating and implementing programs that promote the health, dignity and well-being of this population. The mission of County of Los Angeles AAA is to stimulate progress towards the creation of a home and community-based long-term care system that maximizes consumer independence and dignity and is responsive and accessible to Los Angeles County’s diverse population of older adults and functionally-impaired adults, as well as their families.

1.3 Background on Evidence-Based Programs

1.3.1 For the past decade, the aging network has been moving toward implementing Disease Prevention and Health Promotion (“DPHP”) Programs that are Evidence-Based (see Appendix A (Sample Subaward) Exhibit P (Definitions)). As of Federal Fiscal Year (FY) 2012, Congressional appropriations now requires Older Americans Act (OAA) Title III D funding to be used only for program and activities which have been demonstrated to be evidence-based. An Evidence-Based Program (as defined in Appendix A (Sample Subaward) Exhibit P (Definitions)) must meet the following criteria:

1.3.1.1 Have demonstrated through evaluation to be effective for improving the health and well-being or reducing the disease, disability and/or injury among older adults;

1.3.1.2 Have been proven effective with the older adult population, having used an Experimental or Quasi-Experimental Design (see Appendix A (Sample Subaward) Exhibit P (Definitions));

1.3.1.3 Have research/evaluation results published in a Peer-Reviewed Journal (see Appendix A (Sample Subaward) Exhibit P (Definitions));

1.3.1.4 Have been implemented previously at the community level (with fidelity to the published research) and shown to be effective outside a research setting, (i.e., in addition to having research and evaluation results published in a Peer-Reviewed Journal (see Appendix A (Sample Subaward) Exhibit P (Definitions)), the Program must have been
implemented in the community and not just in a research or controlled setting);

1.3.1.5 Includes developed dissemination products (program manuals, guides, and/or handouts) that are available to the public; or

1.3.1.6 Considered Evidence-Based by any operating division of the U.S. Department of Health and Human Services (HHS).

1.3.2 Overview of Disease Prevention and Health Promotion Program Services

County will issue Proposer a notification indicating that its proposal has been disqualified and Proposer will be given the option to pick-up its proposal from County’s office within the timeframe and manner designated by County (i.e., when Proposer submits information/documentation which demonstrates that Proposer does not meet all of the Minimum Mandatory Qualifications, the proposal will not be evaluated for scoring).

Such addendum shall be made available to each person or organization which County records indicate has received this RFP. 4.7  **Subaward Requirements for Payment and Performance Guaranties**

4.7.1 Throughout the entire term of the Subaward, including the original term and any renewals or extensions thereto, County, at its sole discretion, reserves the right to require Subrecipient to provide a Payment Guaranty, a Performance Guaranty or both in the amount and form as directed by County.

5.5.2 Throughout the review process, County has no obligation to delay or otherwise postpone granting of the Subaward based on a Proposer protest. In all cases, County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

Proposer shall certify that it is aware of and has read the Los Angeles County Code Section 2.180.010 as stated in Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 5 (Certification of No Conflict of Interest).

5.9 Determination of Proposer Responsibility

5.9.1 A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Subaward. It is County’s policy to conduct business only with responsible Proposers who are successful in the evaluation process and are granted the Subaward.

5.9.2 Proposer is hereby notified that, in accordance with Los Angeles County Code Chapter 2.202 (Determinations of Contractor Non-Responsibility and Contractor Debarment), County may determine whether Proposer is responsible based on a review of Proposer’s
performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by Proposer against public entities. Labor law violations which are the fault of Lower Tier Subrecipients (that is Subcontractors) and of which Proposer had no knowledge shall not be the basis of a determination that Proposer is not responsible.

5.9.3 County may declare Proposer to be non-responsible for purposes of this solicitation if the Board of Supervisors, in its discretion, finds that Proposer has done any of the following: 1) violated a term of a contract with County or a nonprofit corporation created by County; 2) committed an act or omission which negatively reflects on Proposer’s quality, fitness or capacity to perform a contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same; 3) committed an act or omission which indicates a lack of business integrity or business honesty; or 4) made or submitted a false claim against County or any other public entity.

5.9.4 If there is evidence that the apparent highest ranked Proposer may not be responsible, WDACS shall notify Proposer in writing of the evidence relating to Proposer’s responsibility, and its intention to recommend to the Board of Supervisors that Proposer be found not responsible. WDACS shall provide Proposer and/or Proposer's Authorized Representative with an opportunity to present evidence as to why Proposer should be found to be responsible and to rebut evidence which is the basis for WDACS’ recommendation.

5.9.5 If Proposer presents evidence in rebuttal to WDACS, WDACS shall evaluate the merits of such evidence, and based on that evaluation, WDACS shall make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of Proposer shall reside with the Board of Supervisors.

5.9.6 These terms shall also apply to proposed Subrecipients of Proposers on County contracts.

5.10 Proposer Debarment

5.10.1 Proposer is hereby notified that, in accordance with Los Angeles County Code Chapter 2.202 (Determinations of Contractor Non-Responsibility and Contractor Debarment), County may debar Proposer from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances,

5.10.2 If there is evidence that the apparent highest ranked Proposer may be subject to debarment, WDACS shall notify Proposer in writing of the evidence which is the basis for the proposed debarment, and shall advise Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.

5.10.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. Proposer and/or Proposer's Authorized Representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether Proposer should be debarred, and, if so, the appropriate length of time of the debarment. Proposer and WDACS shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

5.10.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

5.10.5 If Proposer has been debarred for a period longer than five (5) years, Proposer may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if County finds that Proposer has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of County.
5.10.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where: 1) Proposer has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and, 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. The Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. The request for review of a debarment determination shall be decided by the Contractor Hearing Board pursuant to the same procedures used for a debarment hearing.

5.10.7 The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

5.10.8 These terms shall also apply to proposed Subcontractors of Proposers on County contracts.

5.10.9 Appendix H (Listing of Contractors Debarred in Los Angeles County) provides a link to County’s website where there is a listing of contractors that are currently on the debarment list for County of Los Angeles.

5.11 **Adherence to County’s Child Support Compliance Program**

5.11.1 Proposer shall fully comply with all applicable State and Federal reporting requirements relating to employment reporting for its employees and lawfully served Wage and Earnings Assignment Orders and Notice of Assignment and shall continue to maintain such compliance during the term of any Subaward that may be granted pursuant to this solicitation. Failure to comply may be cause for termination of Subaward or initiation of debarment proceedings against the non-compliant Subrecipient (in accordance with Los Angeles County Code Chapter 2.202 (Determinations of Contractor Non-Responsibility and Contractor Debarment)).

5.12 **Gratuities**

5.12.1 **Attempt to Secure Favorable Treatment**
5.12.1.1 It is improper for any County officer, employee or agent to solicit consideration, in any form, from Proposer with the implication, suggestion or statement that Proposer’s provision of the consideration may secure more favorable treatment for Proposer in the granting of the Subaward or that Proposer’s failure to provide such consideration may negatively affect County’s consideration of Proposer’s proposal. Proposer shall not offer or give either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the granting of the Subaward.

5.12.2 Form of Improper Consideration

5.12.1 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment or tangible gifts.

5.12.3 Proposer Notification to County

5.12.3.1 Proposer shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to County manager charged with the supervision of the employee or to County of Los Angeles Auditor-Controller’s Employee Fraud Hotline at (800) 544-6861. Failure to report such improper consideration may result in Proposer’s proposal being eliminated from consideration.

5.13 Notice to Proposers Regarding the County Lobbyist Ordinance

5.13.1 The Board of Supervisors has enacted an ordinance regulating the activities of persons who lobby County officials. ("Lobbyist Ordinance"). This ordinance defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in Los Angeles County Code Chapter 2.160 (County Lobbyists). In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of Proposer to review the ordinance independently as the text of said ordinance is not contained within this RFP. Thereafter, Proposer must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by Proposer is in full compliance with the Los Angeles County Code and each such County Lobbyist is not on the County of Los Angeles
Executive Office’s List of Terminated Registered Lobbyists by completing Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 6 (Familiarity with County’s Lobbyist Ordinance Certification) and submitting it as part of the proposal.

5.14 Federal Earned Income Credit

5.14.1 Upon granting of the Subaward (that is, Contract), Subrecipient (that is, Contractor) shall notify its employees, and shall require each Lower Tier Subrecipient (that is, Subcontractor) to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Appendix I (Internal Revenue Service Notice 1015).

5.15 Consideration of GAIN and GROW Participants for Employment

5.15.1 As a threshold requirement for consideration for the Subaward, Proposer shall demonstrate a proven record of hiring participants enrolled in County of Los Angeles Department of Public Social Services Greater Avenues for Independence (GAIN) or General Relief Opportunities for Work (GROW) Programs or shall attest to a willingness to consider GAIN and GROW participants for any future employment openings if such participants meet the minimum qualifications for that opening. Proposer shall attest to a willingness to provide employed GAIN and GROW participants access to Proposer’s employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.

5.15.2 Proposer who is unable to meet this requirement shall not be considered for Subaward. Proposer shall complete Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 9 (Attestation of Willingness to Consider GAIN and GROW Participants) and submit it as part of the proposal.

5.16 Recycled Bond Paper

5.16.1 Proposer shall be required to comply with County’s policy on recycled bond paper as specified in Appendix A (Sample Subaward), Subparagraph 8.39 (Recycled Bond Paper).

5.17 Safely Surrendered Baby Law

5.17.1 Upon granting of the Subaward, Subrecipient (that is, Contractor) shall notify and provide to its employees, and shall require each Lower Tier Subrecipient (that is, Subcontractor) to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby
Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Appendix J (Safely Surrendered Baby Law) and it is also available online at www.babysafela.org for printing purposes.

5.18 Jury Service Program

5.18.1 The resulting Subaward (that is Contract) is subject to the requirements of County’s Contractor Employee Jury Service Ordinance (“Jury Service Program”) in accordance with Los Angeles County Code Chapter 2.203 (Contractor Employee Jury Service). Proposer shall carefully read the Jury Service Ordinance in Appendix G (Jury Service Ordinance) and the pertinent jury service provisions of Appendix A (Sample Subaward), Subparagraph 8.8 (Compliance with County’s Jury Service Program), both of which are incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both Subrecipient (that is, Contractor) and its Lower Tier Subrecipient(s) (that is Subcontractor(s)).

5.18.2 The Jury Service Program requires Contractor and its Subcontractor(s) to have and adhere to a written policy that provides that its employees shall receive from Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the employee’s regular pay the fees received for jury service. For purposes of the Jury Service Program, “employee” means any California resident who is a full-time employee of Contractor and “full-time” means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of Contractor’s full-time California employees, even those not working specifically on the Contract project. Full-time employees providing short term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program.

5.18.3 There are two (2) ways in which Contractor might not be subject to the Jury Service Program. The first is if Contractor does not fall within the Jury Service Program’s definition of “contractor”. The Jury Service Program defines “contractor” to mean a person, partnership, corporation or other entity which has a contract with County or a subcontract with a County contractor and has received or will receive an aggregate sum of fifty thousand dollars ($50,000) or more in any twelve (12) month period under one or more County contracts or
subcontracts. The second is if Contractor meets one of the two exceptions to the Jury Service Program. The first exception involves small businesses and applies to Contractor: 1) having ten (10) or fewer employees; 2) earning annual gross revenues in the preceding twelve (12) months which, if added to the Maximum Annual Contract Sum of the Contract is less than five hundred thousand dollars ($500,000); and, 3) when it is not an “affiliate or subsidiary of a business dominant in its field of operation”. The second exception applies to Contractor that possesses a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

5.18.4 If Proposer does not fall within the Jury Service Program’s definition of “contractor” or if it meets any of the exceptions to the Jury Service Program then Proposer must so indicate when completing Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 10 (County of Los Angeles Contractor Employee Jury Service Program Certification and Application for Exception) and shall submit the completed form along with all necessary documentation to support the claim (such as tax returns or a collective bargaining agreement, if applicable) with its proposal. Upon reviewing Proposer’s application, County will determine, in its sole discretion, whether Proposer falls within the Jury Service Program’s definition of “contractor” or meets any of the exceptions to the Jury Service Program. County’s decision will be final.

5.18.5 When Proposer fails to comply with the requirements of the Jury Service Program, its proposal will be considered non-responsive and excluded from further consideration.

5.19 **Intentionally Omitted**

5.20 **Notification to County of Pending Acquisitions/Mergers by Proposer**

5.20.1 Proposer shall notify County of any pending acquisitions/mergers of its company. This information shall be provided by Proposer on Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 1 (Proposer’s Organization Questionnaire, Affidavit and Community Business Enterprise Information). Failure of Proposer to provide this information may eliminate its proposal from any further consideration. Proposer shall have a continuing obligation to notify County of changes to the information contained in Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 1 (Proposer’s Organization Questionnaire, Affidavit and Community Business Enterprise Information) prior to the
granting of the Subaward by providing a revised Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 1 (Proposer’s Organization Questionnaire, Affidavit and Community Business Enterprise Information) to County upon the occurrence of any event giving rise to a change in its previously-reported information.

5.21 Proposer’s Charitable Contributions Compliance

5.21.1 California’s Supervision of Trustees and Fundraisers for Charitable Purposes Act (“Charitable Purposes Act”) regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act are subject to its registration and reporting requirements. The 2004 Nonprofit Integrity Act (Senate Bill 1262, Chapter 919) increased Charitable Purposes Act requirements. Proposer shall carefully read Appendix N (Background and Resources - California Charities Regulation). New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fundraising practices and documentation. Charities with over two million dollars ($2,000,000) in revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

5.21.2 Proposer must determine if it receives or raises charitable contributions which subject it to the Charitable Purposes Act and shall complete Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 19 (Charitable Contributions Certification). Further, a completed Appendix A (Sample Subaward), Exhibit O (Charitable Contributions Certification) is a required part of the Subaward.

5.21.3 In Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 19 (Charitable Contributions Certification), Proposer shall certify either that:

5.21.3.1 It has determined that it does not now receive or raise charitable contributions regulated under the Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if it becomes subject to coverage of those laws during the term of the Subaward, or

5.21.3.2 It is currently complying with its obligations under the Charitable Purposes Act, and has attached a copy of its most recent filing with the Registry of Charitable Trusts.
5.21.4 Proposer that does not complete Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 19 (Charitable Contributions Certification) and submit it along with its proposal may be disqualified from consideration for a Subaward at County’s sole discretion. Subrecipient that fails to comply with its obligations under the Charitable Purposes Act is subject to Subaward termination, debarment proceedings or both in accordance with Los Angeles County Code Chapter 2.202 (Determinations of Contractor Non-Responsibility and Contractor Debarment).

5.22 **Defaulted Property Tax Reduction Program**

5.22.1 The Subaward (that is “Contract”) is subject to the requirements of County’s Defaulted Property Tax Reduction Program (“Defaulted Tax Program”) as defined in Los Angeles County Code Chapter 2.206 (Defaulted Property Tax Reduction Program). Proposer shall carefully read Appendix O (Defaulted Property Tax Reduction Program), and the pertinent provisions of Appendix A (Sample Subaward), Subparagraph 8.51 (Warranty of Compliance with County’s Defaulted Property Tax Reduction Program) and Subparagraph 8.52 (Termination for Breach of Warranty to Maintain Compliance with County’s Defaulted Property Tax Reduction Program), both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Subrecipient (that is, “Contractor”) and its Lower Tier Subrecipient(s) (that is, “Subcontractor(s)”).

5.22.2 Proposer shall either certify that it is in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of the Contract that may be granted pursuant to this solicitation or shall certify that it is exempt from the Defaulted Tax Program by completing Appendix D (Required Forms and Documentation), Part I (Required Forms), Exhibit 20 (Certification of Compliance with County’s Defaulted Property Tax Reduction Program). Failure to maintain compliance, or to timely cure defects, may be cause for termination of Contract or initiation of debarment proceedings against non-compliant (Contractor in accordance with Los Angeles County Code Chapter 2.202 (Determinations of Contractor Non-Responsibility and Contractor Debarment).

### 8.0 SELECTION PROCESS AND EVALUATION CRITERIA

#### 8.1 Selection Process

8.1.1 County reserves the sole right to judge, review and evaluate the contents of the proposals submitted pursuant to this RFP and to determine the final scores of the proposals. County reserves the right to waive inconsequential disparities or any informalities in a proposal if the sum and substance of the proposal is present. The evaluation and selection process will begin with receipt of the
proposals which are due no later than Friday, March 3, 2017 by 12:00 p.m. (PST).

8.1.2 Adherence to the Minimum Mandatory Qualifications (Pass/Fail Review)

8.1.2.1 Upon receipt of the proposal, County will conduct a Pass/Fail Review of Proposer’s Minimum Mandatory Qualifications. The results of this initial review will be used to determine whether or not the proposal will be evaluated for scoring. If County determines that Proposer has failed to meet all of the Minimum Mandatory Qualifications listed in this RFP at the time that the proposal is submitted, County will immediately reject the proposal as non-responsive. County will issue Proposer a notification indicating that its proposal has been disqualified and Proposer will be given the option to pick-up its proposal from County’s office within the timeframe and manner designated by County (i.e., when Proposer submits information/documentation which demonstrates that Proposer does not meet all of the Minimum Mandatory Qualifications, the proposal will not be evaluated for scoring).

8.1.3 Evaluation Committee Review of the Proposal

8.1.3.1 If County has determined that Proposer has met and passed the Minimum Mandatory Qualifications process (i.e., Pass/Fail Review), evaluation of the passing proposals will be completed by an Evaluation Committee selected by County. The Evaluation Committee will evaluate and score the proposals using the evaluation approach described herein.

8.1.3.2 The Evaluation Committee will consist of individuals who are subject matter experts in various areas including but not limited to program operations, contract development, planning operations, grants management, finance/accounting, monitoring/compliance and/or administrative operations. County will make every attempt to utilize the services of appropriate subject matter experts to assist in this evaluation process.

8.1.4 Clarification of Proposed Elements
8.1.4.1 County may, at its option, contact all Proposers being evaluated for clarification or validation of submitted information.

8.1.5 **Proposal Score**

8.1.5.1 The proposal will be evaluated based on a numerical scoring system. The Evaluation Committee will use an evaluation tool containing rating criteria to determine the score of the proposal. The maximum score that a proposal can receive is 10,000 points. These points are divided between the Business Proposal and the Cost Proposal. The Business Proposal is worth a maximum of 6,000 points and the Cost Proposal is worth a maximum of 4,000 points.

8.1.5.2 In order to be considered for a Subaward, Proposer must receive an overall minimum passing score of 7,000 points after its proposal has been evaluated. To receive this overall passing score, Proposer must receive a minimum score of 4,200 points for the Business Proposal and a minimum of 2,800 points for the Cost Proposal for a total overall minimum passing score of 7,000 points.

8.1.5.2 In the event that no proposal receives a minimum passing score of 7,000 points, County reserves the right to select proposals at County’s sole discretion.

8.1.6 **Missing Forms and Documentation**

8.1.6.1 In the event that Proposer does not submit a required form and/or document as part of the Business Proposal, Cost Proposal or both, County may elect to deduct twenty-five (25) points for each missing form or document. The total points will be deducted from the final score of the overall proposal score. However, if the missing form and/or document is required as part of the Minimum Mandatory Qualifications then point deductions are not applicable since the Minimum Mandatory Qualifications will be reviewed on a pass/fail basis.

8.1.7 **Additional Considerations for Selection of Successful Proposer**

8.1.7.1 **On-Site Monitoring Visit**

8.1.7.1.1 County reserves the right to conduct on-site monitoring visits as part of the evaluation and selection process for each Proposer’s Service
site/facility. County may use the information collected during this on-site visit as part of the final selection process. County will complete the MMQ review as well as the evaluation and scoring of the Business and Cost Proposals and for all Proposers who receive a passing score, County may use the on-site monitoring as an additional element when making the final decision to grant a Subaward.

8.1.7.2 Client Attestations

8.1.7.2.1 County reserves the right to contact each Proposer’s Clients to attest to Proposer’s service delivery. County will notify each Proposer if County elects to exercise this right. County will complete the MMQ review as well as the evaluation and scoring of the Business and Cost Proposals and for all Proposers who receive a passing score, County may use Client attestations as an additional element when making the final decision to grant a Subaward.

8.1.8 Prospective Subrecipient(s)

8.1.8.1 After evaluation of the proposals has been completed, County will select prospective Subrecipient to receive a Subaward. County retains the right to select a prospective Subrecipient which County determines in its sole discretion to be the most overall qualified, cost-effective, responsive and responsible and serves the best interests of County as opposed to selecting Proposer that receives the highest number of points.

8.1.8.2 Once prospective Subrecipient is selected, County will begin negotiating a Subaward with prospective Subrecipient. Such negotiation may include, but is not limited to, negotiation of Contacts, discussion of Services for the Spanish versions of Tomondo Control de Su Salud Program Services and Programa de Manejo Personal de la Diabetes Program Services, etc. to ensure that the requirements of the Program and the RFP objectives are met prior to execution of the Subaward. If a satisfactory Subaward cannot be negotiated, County may, at its sole discretion, begin Subaward negotiations with the next qualified prospective Subrecipient who submitted a
proposal, as determined by County. The selected proposal shall be made a part of the resulting Subaward.

8.1.8.3 Once the Subaward negotiation process has been completed, the negotiated Subaward will be submitted to the Board of Supervisors for its consideration and possible approval.

8.1.8.4 WDACS’ recommendation to grant a Subaward will not bind the Board of Supervisors to grant such Subaward to prospective Subrecipient.

8.2 Intentionally Omitted

8.3 Disqualification Review

8.3.1 A proposal may be disqualified from consideration because County determines that it is non-responsive at any time during the review/evaluation process. A proposal may also be disqualified due to a determination of Proposer's non-responsibility (see Subparagraph 5.9 (Determination of Proposer Responsibility)). When County determines that a proposal is disqualified due to non-responsiveness, County shall notify Proposer in writing (“written determination of non-responsiveness”). In this written determination of non-responsiveness, County will provide Proposer an opportunity to request a Disqualification Review within a specified timeframe.

8.3.2 Upon receipt of the written determination of non-responsiveness, Proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination of non-responsiveness.

8.3.3 A request for a Disqualification Review shall satisfy all of the following criteria:

8.3.3.1 The person or entity requesting a Disqualification Review is Proposer.

8.3.3.2 The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination of non-responsiveness).

8.3.3.3 The request for a Disqualification Review asserts that County’s determination of disqualification due to non-responsiveness was erroneous (e.g., factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.
8.3.4 At County’s sole discretion, the request for a Disqualification Review may be denied if the request does not meet all of the criteria listed in Subparagraph 8.3.3. The Disqualification Review shall be completed by County and a written determination shall be provided to disqualified Proposer prior to the conclusion of the evaluation process. The results of the Disqualification Review are final and no further appeals will be allowed.

8.4 Business Proposal Evaluation Criteria (6,000 points)

8.4.1 Section A (Proposer’s Qualifications) (1,200 maximum points)

8.4.1.1 Subsection A-1 (Proposer’s References) – (1,200 maximum points)

Therefore, the total maximum points for this Subsection A-1 (Proposer’s References) is worth 1,200 points.

8.4.1.1.2 In the event that a reference’s point of contact cannot be reached by County or County does not receive a response from reference, Proposer shall receive zero (0) points for the scoring of that reference.

8.4.1.1.3 In addition to the references provided, County will review the County’s Contract Database and Contractor Alert Reporting Database, if applicable; these databases provide vendor’s past performance history on County and other contracts. This portion of the evaluation may result in point deductions. Altogether, the reviews of County’s database(s) may result in point deductions up to one hundred percent (100%) of the total points awarded in this evaluation category.

8.4.1.1.3 The maximum number of points that may be deducted for each reference is 400 points and the combined maximum number of points that may be deducted for
all three (3) references is 1,200 points. If the combined maximum number of points in the amount of 1,200 points are deducted as a result of the reviews of County’s database(s) then the proposal may be disqualified in its entirety, deemed non-responsive and it may not be subjected to further evaluation.

8.4.1.2 Subsection A-2 (Proposer’s List of Expired and Terminated Contracts) – (100 maximum possible point deductions)

8.4.1.2.1 The proposal will be evaluated based on a review of the information provided in response to Subparagraph 7.10.2.4.5 (Subsection A-2 (Proposer’s List of Expired and Terminated Contracts)). This review may result in point deductions of up to 100 points.
8.4.2 Section B (Proposer’s Approach to Providing Required Services) – (4,300 maximum points)

8.4.2.1 For each of the following categories, the proposal will be evaluated based on the methodology Proposer shall use to meet County’s requirements as provided in Proposer’s response to the criteria outlined in Subparagraph 7.10.2.5 (Section B (Proposer’s Approach to Providing Required Services)).

8.4.2.1.1 Subsection B-1 (Proposer’s Objectives Compared to RFP Objectives – DPHP Program Services) – (400 maximum points): Overall evaluation will determine the reasonableness of Proposer’s plan to sustain these Program Services throughout the Subaward term as outlined in Subparagraph 7.10.2.5.1 (Subsection B-1 (Proposer’s Objectives Compared to RFP Objectives – DPHP Program Services)).
