1.0 INTRODUCTION

1.1 Purpose and General Information

1.1.1 The purpose of this RFP is to solicit contractors from local public/government entities and non-profit organizations (for-profit entities do not qualify for the Linkages Program) to operate the Mello-Granlund Older Californians Act (OCA) Linkages Program under the administration of Los Angeles County Community and Senior Services (CSS) and in accordance with all applicable federal, state, and local laws, regulations, and guidance. The Linkages Program will consist of seven (7) primary services (See Section 4.0 in the Statement of Work):

1.1.1.1 Intake/Screening: Process to determine eligibility of the potential Client for the purposes of enrollment into the Linkages Program.

1.1.1.2 Assessment: The purpose of the Assessment process is to gather information on the Client’s physical, psychological, and medical history that will be used to develop a Care Plan with the Client and other appropriate persons.

1.1.1.3 Care Planning: A formal, written Care Plan developed with measurable outcomes in order to accomplish the goals agreed upon by the Proposer and Client.

1.1.1.4 Informal Support/Arranged/Purchase of Service (POS): Program Services arranged by the Proposer in order for the Client to remain in the home by way of paid and/or unpaid arrangement of services.

1.1.1.5 Monitoring/Follow-Up: Face-to-Face and telephonic contact with Clients in order to monitor and assess the efficacy of the Program Services arranged by the Proposer and to assess the need for additional Program Services or referrals.

1.1.1.6 Reassessment: Is a formalized method of documenting and analyzing changes to the Client during the period since the previous Assessment and assuring that the Client’s needs are being met.

1.1.1.7 Client Termination: Process to terminate a Client either voluntarily or involuntarily that requires the Proposer to inform the Client the reason(s) for termination, allow the Client to grieve the termination, and provide a notice of action.
1.1.2 In order to be included in the population to be served under the Linkages Program and be considered a Client, an individual must meet the criteria specified in Section 1.1.2.1, 1.1.2.2, 1.1.2.3, 1.1.2.4, 1.1.2.5, and 1.1.2.6 below. In addition, residents of Residential Care Facilities meeting all the requirements under Section 1.1.2.7 below and the requirements specified above are also eligible for Linkages Program Services (See Section 2.0 Eligibility Criteria in Appendix B, Statement of Work).

1.1.2.1 Eighteen (18) years of age or older.

1.1.2.2 Must not currently receive any other duplicative care management Program Services from another California Department of Aging (CDA) Planning Service Area (PSA), or another Area Agency on Aging (AAA) Contractor providing care management and/or Linkages Program Services.

1.1.2.3 Be considered “at risk of institutionalization”. To be considered at risk of institutionalization an individual must meet at least one of the following conditions:

1.1.2.3.1 Is unable to perform at least one (1) or more Activities of Daily Living (ADL), which include: bathing, toileting, dressing, feeding, breathing, transferring, and mobility, and associated tasks, without substantial human assistance including verbal reminding, physical cuing, or supervision; or

1.1.2.3.2 Two (2) or more Instrumental Activities of Daily Living (IADLs). These include: light and heavy shopping, ability to access transportation, meal preparation, using the telephone, managing medications, and managing money; or

1.1.2.3.3 Be unable to manage his/her own affairs due to emotional and/or cognitive impairment; or

1.1.2.3.4 Be impaired by virtue of a significant event or circumstances that occurred within the last twelve (12) months.

1.1.2.4 Be able to reside independently in the community through the use of Linkages Program Services.

1.1.2.5 Have a need for Care Management and be willing to participate in the Program.
1.1.2.6 Prospective Clients shall be eligible based solely on the above Eligibility Criteria as determined through the Intake/Screening and Assessment process.

1.1.2.7 Proposer shall also serve residents of Residential Care Facilities (nursing facilities or acute care hospitals).

1.1.2.7.1 Residents of Residential Care Facilities may be considered a Client if the resident meets the requirements listed in Section 1.1.2 above and is scheduled to be discharged from the Residential Care Facility within thirty (30) to sixty (60) days from the date of the referral of Linkages Program Services. This allows the Proposer to arrange the necessary Program Services prior to the day of discharge so that the Linkages Program Services will be in place when the Client returns home; and it makes the transition easier for the Client.

1.1.2.7.2 For individuals referred by Residential Care Facilities Proposer shall screen and assess for Linkages eligibility prior to their discharge from the facility. Proposer shall coordinate with the facility’s discharge planner to determine the needs of the Client upon return to the home setting.

1.1.2.7.3 Once the Client is enrolled into the Linkages Program, Purchase of Service (POS) funds may be expended by Proposer to arrange POS. If the POS funds are continued beyond sixty (60) days due to unusual circumstances, prior COUNTY approval is required.

1.1.2.7.4 After the Client is situated in the home, a Reassessment must be conducted, by the Care Manager, in the home setting to determine any additional needs of the Client.

1.1.2.8 Specific conditions or situations such as substance abuse or chronic mental illness shall not be a deterrent to Linkages Program Services if the eligibility criteria can be met.

1.1.2.9 Contractor shall make every reasonable effort to avoid duplication of Linkages Program Services provided by other local Linkages Providers.
1.1.2.10 Contractor shall not limit the length of time Clients may remain in the Program as long as the need for Linkages Program Services exists, the eligibility criteria continue to be met, and funding is available.

1.1.2.11 Contractor shall use Program funds for Program Services to Linkages Clients only.

1.1.2.12 Contractor shall develop a method to enable Clients and/or others to contribute to the cost of Linkages Program Services. However, no Client can be denied service based on inability or unwillingness to contribute.

1.1.2.13 Contractor shall not make the collection of Client contributions mandatory, but rather based on voluntary participation. Under no circumstances shall Proposer deny a person an enrollment in the Linkages Program based on refusal to participate in the Client contribution process.

1.1.2.14 Contractor shall keep information related to Client contributions confidential in accordance with Appendix B, Statement of Work, Section 20.0 Client Contributions.

1.1.3 **Authority:** Welfare and Institutions Code Section 9545, Division 8.5, Chapter 7.5, Community-Based Services Program, as well as the California Department of Aging Linkages Program Manual (2008) and Memoranda; and CSS Program Memoranda/Directives provide authority for the requirements of the Linkages Program.

1.1.4 **About the Los Angeles County Area Agency on Aging:** CSS has been designated a local AAA by the CDA. The Los Angeles County Area Agency on Aging PSA is designated by CDA as PSA 19. PSA 19 includes Los Angeles County, excluding the City of Los Angeles (which is designated as its own Area Agency on Aging PSA 25). The Los Angeles County Area Agency on Aging is located at 3175 West 6th Street, Los Angeles, CA 90020.

Established in 1975, the Los Angeles County AAA is responsible for identifying unmet needs of older adults and functionally-impaired adults as well as planning, coordinating, and implementing programs that promote health, dignity, and well-being of older adults residing in Los Angeles County. The mission of the Los Angeles County AAA is to stimulate progress towards the creation of a home and community-based long-term care system that maximizes consumer independence and dignity and is responsive and accessible to Los Angeles County’s diverse population of older adults and functionally-impaired adults, as well as their families.
1.1.5 **Funding Availability:** For the expected five (5) year term of the contract, 2011 – 2016, Los Angeles County anticipates funding a total of five (5) Proposers, one Proposer per Supervisorial District, for a total annual funding of $550,000 (July 1, 2011 – June 30, 2012) for the entire Linkages Program to cover all five Supervisorial Districts (including the City of Los Angeles). A Proposer can only apply for one Supervisorial District. The Linkages Program is funded through County Based Funds (CBF) generated from fees from parking penalties, fines, or forfeitures. The chart below, titled “Linkages Program Estimated Funding/Service Units”, provides an overview of the funding allocations and service units for each Linkages Program service category by Supervisorial District. This is an estimate only; actual funding amounts may vary.

1.1.5.1 Proposers should be aware that funding for this program is contingent upon the availability of federal, state, and local funds and contracts may be recommended for funding levels less than the amounts proposed. It is the intent of Los Angeles County (County) to have the Proposal submitted made a part of the resulting contract should the Proposal be recommended for funding. The County may negotiate a modification of the Contract after the Proposal has been selected to ensure that all necessary program requirements are met. Upon modification by the County of the precise award levels, the Proposer may opt not to enter into a County contract if they believe they cannot achieve the objectives of their proposed program at a reduced amount.

1.1.5.2 **Program Goals and Funding Requested by Proposer:** Successful Proposers will be required to deliver each of the service requirements described in Appendix B, Statement of Work, as well as Appendix C, Performance Requirements Summary (PRS) Chart of this RFP. Services that do not meet the standards listed will not be funded. For the purposes of the RFP, Proposers are required to establish a proposed Unit Rate (defined in Section 5.8 of the SOW) for the required Unit of Measurement. If the Proposer is awarded a contract, the County will utilize the Proposed Unit Rate provided in the Proposal to establish the contract fixed rate upon which all payment will be based. The proposed Unit Rate shall not exceed the maximum reimbursement Rates specified in Appendix B, Statement of Work (Section 5.10 Unit of Measurement). Proposers proposing rates in excess shall be deemed non-responsive and not considered further.

1.1.5.3 **Funding Allocation Plan:** The funds will be allocated to the five (5) Supervisorial Districts (SD) based on a funding
formula adopted and approved by the Los Angeles County Board of Supervisors (Board of Supervisors).

1.1.5.3.1 The following are estimated allocations for Fiscal Year 2011-2012. Based on the 2000 Census, there are an estimated 1,350,000 seniors living within the county limits of Los Angeles. The chart below allocates the total proposed CBF dollars available for Linkages Program Services in each Supervisorial District. The expected number of Service Units and all funding amounts are estimates only.

1.1.5.3.2 The County reserves the right, at its sole discretion, to adjust the funding among the five (5) Supervisorial Districts, as needed, based on County’s needs and availability of funding.

1.6 Contract Term

The term of the Contract resulting from this RFP will be for a five (5) year period commencing on July 1, 2011 – June 30, 2016, following the Board of Supervisors approval. ### 1.10 Final Contract Award by the Los Angeles County Board of Supervisors

Notwithstanding a recommendation of a Department, agency, individual, or other, the Los Angeles County Board of Supervisors (Board of Supervisors) retains the right to exercise its judgment concerning the selection of a Proposal and the terms of any resultant agreement, and to determine which Proposal best serves the interests of the County. ### 1.11 Mandatory Requirement to Register on County’s WebVen

Prior to a contract award, all potential Contractors must register in the County’s WebVen. The WebVen contains the Vendor’s business profile and identifies the
goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County’s home page at http://lacounty.info/doing_business/main_db.htm. There are underscores in the address between the words ‘doing business’ and ‘main db’.

1.12 County Option to Reject Proposals

The County may, at its sole discretion, reject any or all Proposals submitted in response to this RFP. The County shall not be liable for any costs incurred by the Proposer in connection with the preparation and submission of any Proposal. The County reserves the right to waive inconsequential disparities in a submitted Proposal.

1.13 Protest Process

1.13.1 Under Board Policy No. 5.055 (Services Contract Solicitation Protest), any prospective Proposer may request a review of the requirements under a solicitation for a Board-approved services contract, as described in Section 1.13.3 below. Additionally, any actual Proposer may request a review of a disqualification or of a proposed contract award under such a solicitation, as described respectively in the sections below. Under any such review, it is the responsibility of the Proposer challenging the decision of a County Department to demonstrate that the Department committed a sufficiently material error in the solicitation process to justify invalidation of a solicitation or a proposed contract award.

1.13.2 Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract based on a Proposer’s protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

1.13.3 **Grounds for Review** Unless state or federal statutes or regulations otherwise provide, the grounds for review of a solicitation for a Board-approved services contract provided for under Board Policy No. 5.055 (Services Contract Solicitation Protest) are limited to the following:

- Solicitation Requirements Review (Reference Section 2.4 in the Proposal Submission Requirements Section)
- Disqualified Review (Reference Section 3.3 in the Selection Process and Evaluation Criteria Section)
- Contractor Selection Review (Reference Section 3.7 in the Selection Process and Evaluation Criteria Section)

1.14 Notice to Proposers Regarding the Public Records Act

1.14.1 Responses to this solicitation shall become the exclusive property of the County. Absent extraordinary circumstances, at such time as (a) with
respect to the recommended Proposer’s proposal, CSS completes contract negotiations and obtains a letter from an authorized officer of the recommended Proposer that the negotiated contract is a firm offer of the recommended Proposer pending CSS’ completion of the process under County Policy No. 5.055 and approval by the Board of Supervisors (Board); and (b) with respect to each Proposer requesting a County Review Panel, the County Review Panel convenes as a result of such Proposer’s request; and (c) with respect to all other Proposers, Department (CSS) recommends the recommended Proposer(s) to the Board and such recommendation appears on the Board agenda proposals submitted in response to this solicitation become a matter of public record, with the exception of those parts of each proposal which are justifiably defined by the Proposer as business or trade secrets, and plainly marked as "Trade Secret," "Confidential," or "Proprietary."

1.21 Determination of Proposer Responsibility

1.21.1 A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County’s policy to conduct business only with responsible Proposers.

1.21.2 Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer’s performance on any contracts, including but not limited to, County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of the subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.

1.21.3 The County may declare a Proposer to be non-responsible for purposes of this Contract if the Board of Supervisors, in its discretion, finds that the Proposer has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

The Department shall provide the Proposer and/or the Proposer’s representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence which is the basis for the Department’s recommendation.

1.21.5 If the Proposer presents evidence in rebuttal to the Department, the Department shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Proposer shall reside with the Board of Supervisors.

1.21.6 These terms shall also apply to proposed subcontractors of Proposers on County contracts.
1.22 Proposer Debarment

1.22.1 The Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Proposer from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Proposer’s existing contracts with County, if the Board of Supervisors finds, in its discretion, that the Proposer has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

The Proposer and/or Proposer’s representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Proposer should be debarred, and if so, the appropriate length of time of the debarment. The Proposer and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

1.22.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

1.22.5 If a Proposer has been debarred for a period longer than five (5) years, that Proposer may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Proposer has
adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

1.22.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Proposer has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

1.22.7 The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

1.22.8 These terms shall also apply to proposed subcontractors of Proposers on County contracts.

1.24 Gratuities

1.24.1 Attempt to Secure Favorable Treatment

It is improper for any County officer, employee or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion or statement that the Proposer’s provision of the consideration may secure more favorable treatment for the Proposer in the award of the Contract or that the Proposer’s failure to provide such consideration may negatively affect the County’s consideration of the Proposer’s submission. A Proposer shall not offer or give either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the Contract.

1.24.2 Proposer Notification to County

The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor Controller’s Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in the Proposer’s submission being eliminated from consideration.

1.24.3 Form of Improper Consideration

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

1.25 Notice to Proposers Regarding the County Lobbyist Ordinance

The Los Angeles County Board of Supervisors has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in County Code Chapter 2.160. In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Proposer to review the ordinance independently as the text of said ordinance is not contained within this RFP. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by the Proposer is in full compliance with Chapter 2.160 of the Los Angeles County Code and each such County Lobbyist is not on the Executive Office’s List of Terminated Registered Lobbyists by completing and submitting the Familiarity with the
County Lobbyist Ordinance Certification as set forth in Appendix E, Required Forms Exhibit 6 as part of their Proposal.

Additionally, Proposers shall attest to a willingness to provide employed GAIN/GROW participants access to the Proposer’s employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities. Proposers who are unable to meet this requirement shall not be considered for contract award. 1.28 County’s Quality Assurance Plan

After contract award, the County or its agent will evaluate the Contractor’s performance under the Contract no less than on an annual basis. Such evaluation will include assessing Contractor’s compliance with all terms in the Contract and performance standards identified in the Statement of Work. Contractor’s deficiencies which the County determines are severe or continuing, and that may jeopardize performance of the Contract, will be reported to the County’s Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate the Contract in whole or in part, or impose other penalties as specified in the Contract.

1.31 County Policy on Doing Business with Small Business

1.31.1 The County has multiple programs that address small businesses. The Board of Supervisors encourages small business participation in the County’s contracting process by constantly streamlining and simplifying our selection process and expanding opportunities for small businesses to compete for our business.

1.31.2 The Local Small Business Enterprise Preference Program requires the Company to complete a certification process. This program and how to obtain certification are further explained in Section 1.33 of this RFP.

1.31.3 The Jury Service Program provides an exception to the Jury Service Program if a company qualifies as a Small Business. It is important to note that each program has a different definition for Small Business. You may qualify as a Small Business in one program but not the other. Further explanations of the programs are provided in Section 1.32, Jury Service Program.

1.31.4 The County also has a Policy on Doing Business with Small Business that is stated in Appendix G.

1.32 Jury Service Program

The prospective contract is subject to the requirements of the County’s Contractor Employee Jury Service Ordinance (“Jury Service Program”) (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read the Jury Service Ordinance, Appendix H, and the pertinent jury service provisions of the Sample Contract, Appendix A, Part II, Section 15.0, Compliance with Jury Service Program, both of which are incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both Contractors and their Subcontractors. Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

1.32.1 The Jury Service Program requires Contractors and their Subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five
days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee’s regular pay the fees received for jury service. For purposes of the Jury Service Program, “employee” means any California resident who is a full-time employee of a Contractor and “full-time” means forty (40) hours or more worked per week, or a lesser number of hours, if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor’s full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program.

1.32.2 There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program’s definition of “Contractor”. The Jury Service Program defines “Contractor” to mean a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any twelve (12) month period under one or more County contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this Contract is less than $500,000, and, 3) is not an “affiliate or subsidiary of a business dominant in its field of operation”. The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

1.32.3 If a Contractor does not fall within the Jury Service Program’s definition of “Contractor” or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Certification Form and Application for Exception, Exhibit 10 in Appendix E, Required Forms, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor’s application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County’s decision will be final.
1.33 Local Small Business Enterprise Preference Program

1.33.1 The County will give Local SBE preference during the solicitation process to businesses that meet the definition of a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204.030C.1 of the Los Angeles County Code. A Local SBE is defined as: 1) A business certified by the State of California as a small business and 2) has had its principal office located in Los Angeles County for at least one year. The business must be certified by the Office of Affirmative Action Compliance as meeting the requirements set forth in 1 and 2 above prior to requesting the Local SBE Preference in a solicitation.

1.33.2 To apply for certification as a Local SBE, businesses may register at the Office of Affirmative Action Compliance’s website at: http://oaac.co.la.ca.us/contract/sbemain.html

1.33.3 Certified Local SBEs must request the SBE Preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification affirmed. Businesses must attach the Local SBE Certification Letter to the Required Form - Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form, Exhibit 7 in Appendix E, Required Forms with their proposal. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.

1.33.4 Information about the State’s small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources Web site at http://www.pd.dgs.ca.gov/smbus/default.

1.34 Local Small Business Enterprise (SBE) Prompt Payment Program

It is the intent of the County that Certified Local SBEs receive prompt payment for services they provide to County departments. Prompt payment is defined as fifteen (15) calendar days after receipt of an undisputed invoice.

1.35 Notification to County of Pending Acquisitions/Mergers by Proposing Company

The Proposer shall notify the County of any pending acquisitions/mergers of their company. This information shall be provided by the Proposer on Appendix E,
Required Form, Exhibit 1, Proposer’s Organization Questionnaire/Affidavit. Failure of the Proposer to provide this information may eliminate its Proposal from any further consideration.

1.36 **Transitional Job Opportunities Preference Program**

1.36.1 In evaluating Proposals, the County will give preference to businesses that are certified by the County as Transitional Job Opportunity vendors, consistent with Chapter 2.205 of the Los Angeles County Code. A Certified Transitional Job Opportunity vendor is, and has been such for three (3) years, an entity: 1) that is a nonprofit organization recognized as tax exempt pursuant to section 501 (c) (3) of the Internal Revenue Service’s Code; set forth, under penalty of perjury, such information as requested by the County on either electronic or hard copy forms, along with their application form and three most recent annual tax returns to the Department with their Proposal response to the contracting solicitation for which they are competing; 2) has been in operation for at least one year providing transitional job and the related supportive services to program participants; and 3) provides a profile of their program with a description of their program components designed to assist program participants, number of past program participants, and any other information requested by a contracting department.

1.36.2 Transitional Job Opportunities vendors must request the preference in their solicitation response and may not receive the preference until their certification has been affirmed by the applicable department. County must verify the Transitional Job Opportunity vendor certification prior to applying the preference. Sanctions and financial penalties may apply to a Proposer that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a Transitional Job Opportunities vendor.

1.36.3 To request the Transitional Job Opportunities Preference, Proposer must complete the Transitional Job Opportunities Preference Application, Exhibit 13 in Appendix E, Required Forms and submit it along with all supporting documentation with their Proposal.

1.37 **Contractor’s Obligations as a “Business Associate” Under the Health Insurance Portability and Accountability Act of 1996 And the Health Information Technology for Economic and Clinical Health Act**

Contractor shall be required to comply with the Administrative Simplification requirements of the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA) as in effect and as may be amended and with applicable provision of the Health Information Technology for Economic and Clinical Health Act (HITECH), as contained in Appendix A, Sample Contract, Exhibit E, Attachment XIII.
1.38 Proposer’s Charitable Contributions Compliance

1.38.1 California’s “Supervision of Trustees and Fundraisers for Charitable Purposes Act” regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register with the California Registry of Charitable Trusts. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over $2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

1.38.2 All prospective contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the Charitable Contributions Certification, Exhibit 12 as set forth in Appendix E, Required Forms. A completed Exhibit 12 is a required part of any agreement with the County.

1.38.3 In Exhibit 12, prospective contractors certify either that:

- they have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County agreement, **OR**

- they are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

1.38.4 Prospective County contractors that do not complete Exhibit 12 as part of the solicitation process may, in the County’s sole discretion, be disqualified from contract award. A County contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both (County Code Chapter 2.202).

1.39 Defaulted Property Tax Reduction Program

1.39.1 The prospective Contract is subject to the requirements of the County’s Defaulted Property Tax Reduction Program (“Defaulted Tax Program”) (Los Angeles County Code, Chapter 2.206). Prospective Contractors should carefully read the Defaulted Tax Program Ordinance, Appendix N, and the pertinent provisions of the Sample Contract, Appendix A, Part II, Section 25.0, both of which are incorporated by reference into and are a
part of this solicitation. The Defaulted Tax Program applies to both Contractors and their Subcontractors.

1.39.2 Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or shall verify that they are exempt from the Defaulted Tax Program by completing Certification of Compliance with the County’s Defaulted Property Tax Reduction Program, Exhibit 14, in Appendix E, Required Forms of the RFP. Failure to maintain compliance, or to timely cure defects, may be cause for termination of a Contract or initiation of debarment proceedings against the non-compliance Contractor (Los Angeles County Code, Chapter 2.202).

1.39.3 RFPs that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

- 3.5.1.4 Calculations should be accurate and reflective of the Budget submitted with the RFP (75 Points)

3.5.2 Should one or more of the Proposers request and be granted the Local SBE Preference and/or Transitional Job Opportunities Preference, the cost component points will be determined as follows:

- 3.5.2.1 **Local SBE Preference:** Five percent (5%) of the lowest cost proposed will be calculated, which shall not exceed $50,000, and that amount will be deducted from the Cost submitted by all Local SBE Proposers who requested and were granted the Local SBE Preference.

- 3.5.2.2 **Transitional Job Opportunities Preference:** Five percent (5%) of the lowest cost proposed will be calculated and that amount will be deducted from the Cost submitted by all Proposers who requested and were granted the Transitional Job Opportunities Preference.

3.6 **Departmental Debriefing Process**

3.6.1 Upon completion of the evaluation, the Department shall notify the remaining Proposers in writing that the Department is entering negotiations with another Proposer(s). Upon receipt of the letter, any non-selected Proposer may submit a written request for a Debriefing within the timeframe specified in the letter. A request for a Debriefing may, in the Department’s sole discretion, be denied if the request is not received within the specified timeframe.
3.6.2 The purpose of the Debriefing is to compare the requesting Proposer’s response to the solicitation document with the evaluation document. The requesting Proposer shall be debriefed only on its response. Due to the fact that contract negotiations are not yet complete, responses from other Proposers shall not be discussed, although the Department may inform the requesting Proposer of its relative ranking.

3.6.3 During or following the Debriefing, the Department will instruct the requesting Proposer of the manner and timeframe in which the requesting Proposer must notify the Department of its intent to request a Proposed Contractor Selection Review (see Section 3.7 below), if the requesting Proposer is not satisfied with the results of the Debriefing.

3.7 Proposed Contractor Selection Review

Any Proposer that has submitted a timely notice of its intent to request a Proposed Contractor Selection Review, as described in this Section, may submit a written request for a Proposed Contractor Selection Review, in the manner and timeframe as shall be specified by the Department.

A request for a Proposed Contractor Selection Review may, in the Department’s sole discretion, be denied if the request does not satisfy all of the following criteria:

3.7.1 The person or entity requesting a Proposed Contractor Selection Review is a Proposer;

3.7.2 The request for a Proposed Contractor Selection Review is submitted timely (i.e. by the date and time specified by the Department); and

3.7.3 The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:

3.7.3.1 The Department materially failed to follow procedures specified in its solicitation document. This includes:

3.7.3.1.1 Failure to correctly apply the standards for reviewing the proposal format requirements;

3.7.3.1.2 Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the proposals as specified in the solicitation document;

3.7.3.1.3 Use of evaluation criteria that were different from the evaluation criteria disclosed in the
solicitation document;

3.7.3.2 The Department made identifiable mathematical or other errors in evaluating proposals, resulting in the Proposer receiving an incorrect score and not being selected as the recommended contractor;

3.7.3.3 A member of the Evaluation Committee demonstrated bias in the conduct of the evaluation;

3.7.3.4 Another basis for review as provided by state or federal law; and

3.7.4 The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for the Department’s alleged failure, the Proposer would have been the lowest cost, responsive and responsible bid or the highest-scored proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, the Department representative shall issue a written decision to the Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the contract award recommendation is to be heard by the Board. The written decision shall additionally instruct the Proposer of the manner and timeframe for requesting a review by a County Review Panel (see Section 3.8 below).

3.8 County Review Panel Process

Any Proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for review by a County Review Panel in the manner and timeframe specified by the Department in the Department’s written decision regarding the Proposed Contractor Selection Review.

A request for review by a County Review Panel may, in the County’s sole discretion, be denied if the request does not satisfy all of the following criteria:

3.8.1 The person or entity requesting review by a County Review Panel is a Proposer;

3.8.2 The request for a review by a County Review Panel is submitted timely (i.e., by the date and time specified by the Department); and

3.8.3 The person or entity requesting review by a County Review Panel has limited the request to items raised in the Proposed Contractor Selection Review and new items that (a) arise from the Department’s written decision and (b) are on the appropriate grounds for requesting a Proposed Contractor Selection Review as listed in Section 3.7.
Upon completion of the County Review Panel's review, the Panel will forward its report to the Department, which will provide a copy to the Proposer.

3.9 Disposition of Outstanding Audit/Monitoring Findings

Proposers who have previously contracted or are currently contracting with CSS for the provision of services that have outstanding audit or monitoring findings must resolve those findings in order to be awarded a Linkages Program contract. Resolving findings means CSS accepted the Proposer's corrective action plan and/or the Proposer has reimbursed CSS for questioned costs. Failure to comply with this provision will be grounds for disqualification.
