Contractor shall remain fully responsible for all performances required of it under this Master Agreement, including those that Contractor has determined to grant through a subcontract with a Subcontractor, notwithstanding County's approval of Contractor's proposed subcontract, as further discussed in 7(F) below.

E. County's consent to allow Contractor to enter into a subcontract with a third-party shall not waive County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing Services under this Master Agreement. Contractor is responsible for notifying its Subcontractor(s) of this County right.

F. County's Contract Manager is authorized to act for and on behalf of County with respect to approval of any subcontracts and Subcontractor employees. After County's approval of the subcontract, Contractor shall forward a copy of the fully executed subcontract to County's Contract Manager within five (5) days of its execution.

To this end, Contractor shall include the following provision in the Subcontractor(s) award: This agreement is a subcontract under the terms of a prime Master Agreement (identified as Master Agreement Number ([Master Agreement Number]) with County of Los Angeles Workforce Development, Aging and Community Services and shall be subject to all of the provisions of such prime Master Agreement. All representations and warranties under this subcontract shall inure to the benefit of County of Los Angeles.

L. Pursuant to the provisions of this Master Agreement, County has the right to review and consent (or not consent) to Contractor's use of Subcontractor(s) that have been procured in compliance with State and/or federal guidelines as applicable. County's approval of the proposed Subcontractor shall not be deemed as validation of the procurement method used by Contractor, and only reflects County's approval as to the form of the terms and conditions as well as the services being provided under such agreement.

M. When entering into a subcontract with a Subcontractor, Contractor shall maintain documentation that supports/justifies the procurement method and evaluation process used by Contractor to select the qualified vendor for the award. P. Contractor must provide written notification to County 10 days in advance of adding, changing, or subtracting Subcontractor(s), as Delivery and Senior Matching are contingent on Contractor’s and Subcontractor(s)’ locations. If County deems the substitute Subcontractor not to be viable, then County can choose not to offer meal preparation opportunities to Contractor or Subcontractor.

In addition to any amendments which be executed under this Master Agreement, a modification is a mechanism that allows Contractor to revise its Budget(s) or Services during the Fiscal Year or Program Year without adversely affecting Contractor's ability to fulfill its obligations under this Master Agreement (i.e., such Modification shall not materially change Contractor's obligation to provide the Services outlined in Exhibit A (Statement of Work)).

F. A modification must be approved by County in writing, must be in the best interests of County, and Contractor shall adhere to it in its entirety.
