1.0 INTRODUCTION

- 1.1 The County of Los Angeles County Workforce Development, Aging and Community Services (County or WDACS) is issuing this Request for Proposals (RFP) to solicit proposals for a Contract with an organization or individual that will assist in the implementation of the Film and Digital Media Career Pathway Pilot Program.
- 1.2 According to the 2018 Beacon Economics report entitled "[Film and Digital Media Industry: A County Perspective](#)" the Los Angeles County Film and Digital Media Industry (hereinafter "the Industry") included 265,000 direct jobs that produce or facilitate digital video production – accounting for around 9% of United States' F&DM employment. The Los Angeles County F&DM cluster generates 640,500 jobs, \$58.8 billion in income for labor, and \$158.3 billion in annual output. Although the Industry is making strides towards diversity and inclusion, it still has very limited diversity, specifically when it comes to race and gender. While employment growth in Film and Digital Media sectors has increased among Asians (+61%), Hispanics (+37%), Blacks (+26%), and Other Racial Groups (+74%) has outpaced growth of Non-Hispanic Whites (+24%) from 2006 to 2016 there is still work to be done to increase diversity within the Industry. Employment data from 2016 shows that for every 100 male workers in the Industry, there were only 60 female workers. Additionally, the Industry is not attracting young talent (ages 25 and under) as fast as people from other age groups. The County as a market participant can influence the diversity in the Industry to ensure it is inclusive of talent reflecting local communities.
- 1.3 In an effort to increase diversity within this growing industry and to create job placement opportunities and solid career pathways for underserved populations, the Los Angeles County Board of Supervisors (BOS) motioned to support the growth of the Industry, and to work with several County and non-County entities, including WDACS, to develop, among other things, a career pathway program pilot to be launched in FY 2020-2021.
- 1.4 **Anticipated Funding Amount:** County will award one (1) Contract as a result of this RFP. Approximately **\$250,000** is available for the provision of Film and Digital Media Career Pathways Pilot Program Services. Proposers shall be aware that funding for this Program is contingent upon the availability of funds and the possible resulting Contract may be recommended for additional or reduced funding than the amounts stated herein.

2.0 PURPOSE - CONTRACT FOR FILM AND DIGITAL MEDIA CAREER PATHWAY PILOT PROGRAM SERVICES

2.1 Statement of Work

2.1.1 Successful Proposer shall be expected to implement the requirements outlined in Appendix A (Statement of Work) of this RFP.

2.2 Sample Contract: County Terms and Conditions

2.1.1 Successful Proposer shall be expected to implement the requirements outlined in Appendix C (Sample Subaward) of this RFP.

2.1.2 **Anticipated Contract Term:** The Contract term is anticipated to be for a period of approximately one (1) year, effective December 1, 2020 through November 30, 2021, with an option to extend for an additional one (1) year. The entire Contract term and option to extend is contingent upon the continued availability of funds and at the sole discretion of the County.

2.1.3 Contract Rates

2.1.3.1 The Contract (hourly, daily, monthly, etc.) amount may be adjusted annually based on the increase or decrease in the U.S. Department of Labor, Bureau of Labor Statistics' Consumer Price Index (CPI) for the Los Angeles-Riverside-Orange County Area for the most recently published percentage change for the twelve (12) month period preceding the Contract anniversary date, which shall be the effective date for any cost of living adjustment. However, any increase shall not exceed the general salary movement granted to County employees as determined by the Chief Executive Office as of each July 1 for the prior twelve (12) month period. Furthermore, should fiscal circumstances ultimately prevent the Board from approving any increase in County employee salaries, no cost of living adjustments will be granted. Where the County decides to grant a Cost of Living Adjustment (COLA) pursuant to Subparagraph 5.6 (Cost of Living Adjustments) of Appendix C (Sample Subaward), it may, in its sole discretion, exclude the cost of labor (including the cost of wages and benefits paid to employees providing services under this Contract) from the base upon

which a COLA is calculated, unless Contractor can show that his/her labor cost will actually increase.

2.1.4 Days of Operation

Successful Proposer shall provide Program services Monday through Friday, during the hours of 8:00 a.m. and 5:00 p.m. Contractor's staff shall be available during these days and hours of operation. Successful Proposer is not required to provide services on County-recognized holidays. County's Contract Manager will provide a list of the County's holidays at the time the Contract is approved, and thereafter when updates are made to this list.

exercise its judgment concerning the selection of a proposal and the terms of any resultant agreement, and to determine which proposal best serves the interests of the County. 4.3 County's Option to Reject Proposals

4.3.1 Proposers are hereby advised that this RFP is a solicitation for proposals only, and is not intended, and is not to be construed as, an offer to enter into a Contract or as a promise to engage in any formal competitive bidding or negotiations pursuant to any statute, ordinance, rule, or regulation. County may, at its sole discretion, reject any or all proposals submitted in response to this RFP or may, in its sole discretion, reject all proposals and cancel this RFP in its entirety. Such addendum shall be made available to each person or organization which County records indicate has received this RFP. Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the proposal being found non-responsive and not being considered, as determined in the sole discretion of County. County is not responsible for and shall not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

4.5 Background and Security Investigations

4.5.1 Background and security investigations of Successful Proposer's staff may be required at the discretion of County as a condition of beginning and continuing work under any resulting Contract. The cost of background checks is the responsibility of Successful Proposer.

The report will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate the Contract in whole or in part, or impose other penalties as specified in the Contract.

5.0 PROPOSER'S REQUIREMENTS AND CERTIFICATIONS

5.1 Notice to Proposers Concerning the Public Records Act

- 5.1.1 Responses to this solicitation shall become the exclusive property of County. Absent extraordinary circumstances, the recommended Proposer's proposal will become a matter of public record when 1) Contract negotiations are complete; 2) County receives a letter from the recommended Proposer's authorized officer that the negotiated Contract is the firm offer of the recommended Proposer; and 3) County releases a copy of the recommended Proposer's proposal in response to a Notice of Intent to Request a Proposed Contractor Selection Review under Board Policy No. 5.055 (Services Contract Solicitation Protest).
 - 5.1.1.1 Notwithstanding the above, absent extraordinary circumstances, all proposals will become a matter of public record when the Department's Proposer recommendation appears on the Board agenda.
 - 5.1.1.2 Exceptions to disclosure are those parts or portions of all proposals that are justifiably defined as business or trade secrets, and plainly marked by Proposer as "Trade Secret", "Confidential", or "Proprietary".
- 5.1.2 County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the proposal as confidential shall not be deemed sufficient notice of exception. Proposers must specifically

label only those provisions of their respective proposal which are "Trade Secrets", "Confidential", or "Proprietary", in nature.

5.1.3 In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "Confidential", "Trade Secrets", or "Proprietary", Proposer agrees to defend and indemnify County from all costs and expenses, including reasonable attorneys' fees, incurred in connection with any action, proceedings, or liability arising in connection with the Public Records Act request.

5.2 **Contact with County Personnel**

5.2.1 All contact regarding this RFP or any matter relating thereto must be in writing and may be e-mailed as follows:

Attn: Carol Domingo, Program Manager
AJCCRFP@WDACS.LACOUNTY.GOV

If it is discovered that Proposer contacted and received information from any County personnel, other than the person specified above, regarding this solicitation, County, in its sole determination, may disqualify their proposal from further consideration.

5.3 **Mandatory Requirement to Register on County's WebVen**

5.3.1 Prior to a Contract award, all potential Contractors must register in the County of Los Angeles's WebVen. WebVen contains the vendor's business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County's home page at:

<http://camisvr.co.la.ca.us/webven/>

5.4 **Protest Policy Review Process**

5.4.1 Under Board Policy No. 5.055 (Services Contract Solicitation Protest), any prospective Proposer may request a review of the requirements under a solicitation for a Board-approved services Contract, as described in Subparagraph 5.4.3 (Grounds for Review) below. Additionally, any actual Proposer may request a review of a disqualification or of a proposed Contract award under such a solicitation, as described respectively in the paragraphs below. It is the responsibility of Proposer challenging the decision of a County

Department to demonstrate that the Department committed a sufficiently material error in the solicitation process to justify invalidation of a proposed Contract award.

5.4.2 Throughout the review process, County has no obligation to delay or otherwise postpone an award of Contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

5.4.3 Grounds for Review

5.4.3.1 Unless state or federal statutes or regulations otherwise provide, the grounds for review of a solicitation for a Board-approved services Contract provided for under Board Policy No. 5.055 (Services Contract Solicitation Protest) are limited to the following:

5.4.3.2 Review of Solicitation Requirements (Paragraph 7.4)

5.4.3.3 Review of Disqualified Proposal (Paragraph 8.3)

5.4.3.4 Review of Proposed Contractor Selection (Paragraph 8.7)

5.5 **Injury and Illness Prevention Program**

5.5.1 Successful Proposer shall be required to comply with the State of California's Cal OSHA's regulations. California Code of Regulations Title 8 Section 3203 requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.

5.6 **Confidentiality and Independent Contractor Status**

5.6.1 As appropriate, Successful Proposer shall be required to comply with Paragraph 7.6 (Confidentiality) and Paragraph 8.22 (Independent Contractor Status), contained in Appendix C (Sample Subaward).

5.7 **Conflict of Interest**

5.7.1 No County employee whose position in County enables him/her to influence the selection of a Contractor for this RFP, or any competing RFP, nor any spouse of economic dependent of such employees, shall be employed in any capacity by a Proposer or have any other direct or indirect financial interest in the selection of a Contractor.

Proposer shall certify that he/she is aware of and has read Section 2.180.010 of the Los Angeles County Code as stated in Exhibit 5 (Certification of No Conflict of Interest) of Appendix D (Required Forms).

5.8 Determination of Proposer Responsibility

- 5.8.1 A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Contract. It is County's policy to conduct business only with responsible Proposers.
- 5.8.2 Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, County may determine whether Proposer is responsible based on a review of Proposer's performance on any Contracts, including but not limited to County Contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by Proposer against public entities. Labor law violations which are the fault of the Lower Tier Subrecipients and of which Proposer had no knowledge shall not be the basis of a determination that Proposer is not responsible.
- 5.8.3 County may declare a Proposer to be non-responsible for purposes of this Contract if the Board of Supervisors, in its discretion, finds that Proposer has done any of the following: 1) violated a term of a Contract with County or a nonprofit corporation created by the County; 2) committed an act or omission which negatively reflects on Proposer's quality, fitness or capacity to perform a Contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same; 3) committed an act or omission which indicates a lack of business integrity or business honesty; or 4) made or submitted a false claim against County or any other public entity.
- 5.8.4 If there is evidence that the apparent highest ranked Proposer may not be responsible, County shall notify Proposer in writing of the evidence relating to Proposer's responsibility, and its intention to recommend to the Board of Supervisors that Proposer be found not responsible. County shall provide Proposer and/or Proposer's representative with an opportunity to present evidence as to why Proposer should be found to be responsible and to rebut evidence which is the basis for County's recommendation.
- 5.8.5 If Proposer presents evidence in rebuttal to County, County shall evaluate the merits of such evidence, and based on that evaluation,

make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of Proposer shall reside with the Board of Supervisors.

5.8.6 These terms shall also apply to Lower Tier Subrecipients of Proposers on County Contracts.

5.9 **Proposer Debarment**

5.9.1 Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, County may debar Proposer from bidding or proposing on, or being awarded, and/or performing work on other County Contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and County may terminate any or all of Proposer's existing Contracts with County, if the Board of Supervisors finds, in its discretion, that Proposer has done any of the following: 1) violated a term of a Contract with the County of Los Angeles or a nonprofit corporation created by the County; 2) committed an act or omission which negatively reflects on Proposer's quality, fitness or capacity to perform a Contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; 3) committed an act or offense which indicates a lack of business integrity or business honesty; or 4) made or submitted a false claim against the County or any other public entity.

5.9.2 If there is evidence that the apparent highest ranked Proposer may be subject to debarment, the Department shall notify Proposer in writing of the evidence which is the basis for the proposed debarment, and shall advise Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.

5.9.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. Proposer and/or Proposer's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether Proposer should be debarred, and, if so, the appropriate length of time of the debarment. Proposer and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

5.9.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other

recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

- 5.9.5 If a Proposer has been debarred for a period longer than five (5) years, that Proposer may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Proposer has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.
- 5.9.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where 1) Proposer has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
- 5.9.7 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- 5.9.8 These terms shall also apply to proposed Lower Tier Subrecipients of Proposers on County Contracts.
- 5.9.9 Appendix H (Listing of Contractors Debarred in Los Angeles County) provides a link to the County's website where there is a listing of

Contractors that are currently on the Debarment List for Los Angeles County.

5.15.1 Proposer shall be required to comply with the County's policy on recycled bond paper as specified in Paragraph 8.39 (Recycled Bond Paper) of Appendix C (Sample Subaward).

5.16 Safely Surrendered Baby Law

5.16.1 Successful Proposer shall notify and provide to its employees, and shall require each Lower Tier Subrecipients to notify and provide to its employees, information regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The information is set forth in Appendix J (Safely Surrendered Baby Law) of this solicitation document. Additional information is available at www.babysafela.org.

5.17 Jury Service Program

5.17.1 The prospective Contract is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read Appendix G (Jury Service Ordinance) and Paragraph 8.8 (Compliance with the County's Jury Service Program) of Appendix C (Sample Subaward), both of which are incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both Contractors and their Lower Tier Subrecipients.

5.17.1.1 Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

5.17.2 The Jury Service Program requires Contractors and their Lower Tier Subrecipients to have and adhere to a written policy that provides that its employees shall receive from Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with Contractor or that Contractor deducts from the

employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor and "full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program.

5.17.3 There are two (2) ways in which a Contractor might not be subject to the Jury Service Program. The first is if Contractor does not fall within the Jury Service Program's definition of "Contractor". The Jury Service Program defines "Contractor" to mean a person, partnership, corporation or other entity which has a Contract with the County or a Lower Tier Subaward with a County Contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one or more County Contracts or Lower Tier Subawards. The second is if Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten (10) or fewer employees; and, 2) annual gross revenues in the preceding twelve (12) months which, if added to the annual amount of this Contract is less than five hundred thousand dollars (\$500,000), and, 3) is not an "affiliate or subsidiary of a business dominant in its field of operation". The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

5.17.4 If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then Contractor must so indicate in Exhibit 10 (Contractor Employee Jury Service Program Certification Form and Application for Exception) of Appendix D (Required Forms), and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing Contractor's application, the County will determine, in its sole discretion, whether Contractor falls within the

definition of Contractor or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

5.18 Notification to County of Pending Acquisitions/Mergers by Proposing Company

5.18.1 Proposer shall notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If Proposer is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers. This information shall be provided by Proposer in Exhibit 1, (Proposer's Organization Questionnaire/Affidavit and CBE Information) of Appendix D (Required Forms). Failure of Proposer to provide this information may eliminate its proposal from any further consideration. Proposer shall have a continuing obligation to notify County of changes to the information contained in Exhibit 1 (Proposer's Organization Questionnaire/Affidavit and CBE Information) during the pendency of this RFP by providing a revised Exhibit 1 (Proposer's Organization Questionnaire/ Affidavit and CBE Information) to the County upon the occurrence of any event giving rise to a change in its previously-reported information.

5.19 Proposer's Charitable Contributions Compliance

5.19.1 California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Prospective Contractors should carefully read Appendix N (Background and Resources: California Charities Regulation). New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over two million dollars (\$2,000,000) of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

5.19.2 All prospective Contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the certification form attached as Exhibit

19 (Charitable Contributions Certification) in Appendix D (Required Forms). A completed Exhibit 19 (Charitable Contributions Certification) is a required part of any agreement with the County.

5.19.3 In Exhibit 19 (Charitable Contributions Certification), prospective Contractors certify either that:

5.19.3.1 They have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County agreement, or

5.19.3.2 They are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

5.19.4 Prospective County Contractors that do not complete Exhibit 19 (Charitable Contributions Certification) as part of the solicitation process may, in the County's sole discretion, be disqualified from Contract award. A County Contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either Contract termination or debarment proceedings or both. (County Code Chapter 2.202)

5.20 **Defaulted Property Tax Reduction Program**

5.20.1 The prospective Contract is subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program"), (Los Angeles County Code, Chapter 2.206). Prospective Contractors should carefully read Appendix O (Defaulted Tax Program Ordinance) and the pertinent provisions in Paragraph 8.51 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program) and 8.52 (Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Tax Program) of Appendix C (Sample Subaward), both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Contractors and their Contractors.

5.20.1.1 Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any Contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the

Defaulted Tax Program by completing Exhibit 20 (Certification of Compliance with the County's Defaulted Property Tax Reduction Program) in Appendix D (Required Forms). Failure to maintain compliance, or to timely cure defects, may be cause for termination of a Contract or initiation of debarment proceedings against the non-compliant Contractor (Los Angeles County Code, Chapter 2.202).

5.20.1.2 Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

5.21 Time Off for Voting

5.21.1 Contractor shall notify its employees and shall require each Lower Tier Contractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than ten (10) days before every statewide election, every Contractor and Contractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

5.22 Proposer's Acknowledgement of County's Commitment to Zero Tolerance Policy on Human Trafficking

5.22.1 On October 4, 2016, the Los Angeles County Board of Supervisors approved a motion taking significant steps to protect victims of human trafficking by establishing a zero tolerance policy on human trafficking. The policy prohibits Contractors engaged in human trafficking from receiving Contract awards or performing services under a County Contract.

5.22.1.1 Contractors are required to complete Exhibit 24 (Zero Tolerance Policy on Human Trafficking Certification) in Appendix D (Required Forms), certifying that they are in full compliance with the County's Zero Tolerance Policy on Human Trafficking provision as defined in Section 8.54 (Compliance with County's Zero Tolerance Human Trafficking Policy) of Appendix C (Sample Subaward). Further, Contractors are required to comply with the requirements under said provision for the term of any Contract awarded pursuant to this solicitation.

5.23 Default Method of Payment: Direct Deposit or Electronic Funds Transfer (EFT)

5.23.1 County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under an agreement/Contract with the County shall be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).

5.23.2 Upon Contract award or at the request of the A-C and/or the contracting department, the Contractor shall submit a direct deposit authorization request with banking and vendor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

5.23.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit shall supersede this requirement with respect to those payments.

5.23.4 Upon Contract award or at any time during the duration of the agreement/ Contract, a Contractor may submit a written request for an exemption to this requirement. The A-C, in consultation with the contracting department(s), shall decide whether to approve exemption requests.

5.24 Proposer's Acknowledgement of County's Commitment to Fair Chance Employment Hiring Practices

5.24.1 On May 29, 2018, the Los Angeles County Board of Supervisors approved a Fair Chance Employment Policy in an effort to remove job barriers for individuals with criminal records. The policy requires businesses that Contract with the County to comply with fair chance employment hiring practices set forth in California Government Code Section 12952, Employment Discrimination: Conviction History (Section 12952).

5.24.2 Contractors are required to complete Exhibit 25 (Compliance with Fair Chance Employment Hiring Practices Certification) in Appendix D (Required Forms), certifying that they are in full compliance with Section 12952, as indicated in the Sample Subaward. Further, Contractors are required to comply with the requirements under Section 12952 for the term of any Contract awarded pursuant to this solicitation.

5.25 Prohibition from Participation in Future Solicitation(s)

A Proposer, or a Contractor or its subsidiary or Lower Tier Subrecipient ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision shall result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract.
