SUBAWARD SUM

5.1 TOTAL SUBAWARD SUM

5.1.1 Cost Reimbursement Subaward

5.1.1.1 County and Subrecipient agree that this is a cost reimbursement Subaward based on the firm-fixed unit rate(s) set forth in Mandated Program Services exhibit(s) for the Fiscal Year or Program Year identified in each such document. This unit rate(s) shall remain firm and fixed throughout the entire term of such Fiscal Year or Program Year under this Subaward. County and Subrecipient further agree that the unit rate(s) represents Subrecipient's true, actual and supported costs which are incurred solely for providing Services hereunder. For purposes of this Subaward, such true/actual costs are those costs which are net of any applicable credits including, but not limited to, discounts, refunds, adjustments, rebates, allowances, etc. and are inclusive of any taxes, delivery/shipping charges, etc.

5.1.1.2 County shall reimburse Subrecipient for supplying the Services as set forth in Exhibit A (Statement of Work), Budget exhibit(s) and Mandated Program Services exhibit(s). In the event that County or any of its duly authorized representatives (including, but not limited to, Federal, State and other County agents) notes any discrepancy(ies) between Subrecipient's true/actual costs and the costs which have been reimbursed to Subrecipient then County shall remedy such discrepancy(ies) at County's sole discretion.

Maximum Annual Contract Sum (Year 3) @] ("Subaward Sum Year 3"); and, **\$[@ Maximum Annual Contract Sum (Year 4) @]** ("Subaward Sum Year 4"). If County exercises all renewal options under this Subaward, the Maximum Subaward Sum is projected to be **\$[@ Maximum Contract Sum (Alternate) @]**.

5.1.2.3 Pursuant to Subparagraph 8.1 (Amendments), County may amend this Subaward upon occurrence of any changes to the Subaward Sum. Future allocations of the Subaward Sums will be contingent upon Subrecipient's level of performance/expenditure and the availability and appropriation of funds from Federal, State, and/or local authorities and such funds may be subsequently adjusted to reflect available funding.

5.1.3 **Subaward Sum Year 1 Funding Source(s)**

Upon occurrence of this event, Subrecipient shall send written notification to County's Contract Manager at the address provided in Exhibit E (County's Administration).

5.4 NO PAYMENT FOR SERVICES PROVIDED FOLLOWING EXPIRATION OR TERMINATION OF SUBAWARD

This provision shall survive the expiration or other termination of this Subaward.

5.5 INVOICES AND PAYMENTS

5.5.1 Subrecipient shall invoice County only for providing the tasks, deliverables, goods, Services, and other work specified in Exhibit A (Statement of Work) and elsewhere hereunder. Upon direction of County, Subrecipient shall provide all support documentation required by County, including, but not limited to, vendor invoices, receipts of payment, bank statements, and/or bank registers. All supporting documentation must be able to justify the costs invoiced and be submitted to County within thirty (30) days following the date the corresponding monthly invoice is submitted. County reserves the right to require Subrecipient to upload all required support documentation using County's Information Technology Systems (ITS) which may include the Contract Management System (CMS) - Contractor's Gateway or via other ITS identified by County. Subrecipient shall submit all invoices to County in the form and manner as directed by County by the 10th calendar day of the month following the month of Service (e.g., Subrecipient shall submit an invoice for Services provided in October by November 10th for reimbursement). Subrecipient shall also submit the final, year-end invoice to County no later than the 10th calendar day of the month following the month in which final Services were provided during the Fiscal Year or Program Year. In both instances, when the 10th calendar day falls on a non-business day (Saturday, Sunday or Los Angeles County holiday), Subrecipient shall submit the invoice by the following business day. County reserves the right to modify in writing the due date(s) for the submission of invoices as needed in order to meet regulatory deadlines.

5.5.4.2 Subrecipient shall submit an invoice for each month of Service as directed above and invoices shall be submitted in chronological order (e.g., July, August, September, etc.). For example, Subrecipient shall not submit the September invoice unless the August invoice was previously submitted by the

10th calendar day following the month of August. County will not be under any obligation to pay any invoice that is submitted out of chronological order until Subrecipient takes the appropriate measures to adhere to these requirements.

5.5.4.3 When Subrecipient does not incur any expenditures for the month of Service, Subrecipient shall prepare an invoice as directed by County so that the invoice reflects zero dollars (\$0) expenditures. Subrecipient shall submit the invoice according to the procedures outlined herein and as further directed by County.

5.5.4.4 Subrecipient is responsible for the accuracy of invoices submitted to County. Subrecipient shall reconcile its invoices and correct inaccuracies or inconsistencies in the invoices it submits to County. Subrecipient and County agree as follows:

5.5.4.4.1 When County or its designee discovers that Subrecipient has been overpaid, County will send Subrecipient written notification to request return of the overpayment. Overpayment includes, but is not limited to, payment(s) made to Subrecipient that exceeds the Subaward Sum allocated for any Fiscal Year under this Subaward. Subrecipient shall return such overpayment to County's Compliance Manager within thirty (30) days of receiving County's written notification.

5.5.4.4.2 When Subrecipient receives or discovers any overpayment from County, Subrecipient shall immediately notify County's Compliance Manager in writing of such overpayment. Subrecipient shall immediately return such overpayment to County's Compliance Manager within thirty (30) days of receiving or discovering the overpayment.

5.5.4.4.3 At County's sole election, overpayment made to Subrecipient may be used to offset future payments due Subrecipient.

5.5.4.5 Subrecipient shall submit a complete, accurate, verifiable and timely invoice for each month of Service as directed above. Subrecipient shall also submit a complete, accurate, verifiable and timely final year-end invoice as also directed above. Subrecipient's failure to comply with these requirements may result in delayed processing of

payment(s). Any invoice which does not adhere to County's requirements may be rejected at County's sole discretion. Subrecipient's continued non-compliance with County's invoicing policies and procedures may lend Subrecipient to remedies which County may impose at County's sole discretion.

5.5.5 County Approval of Invoices

5.5.5.1 All invoices submitted by Subrecipient for payment must have the written approval of County's Contract Manager or designee prior to any payment thereof. In no event shall County be liable or responsible for any payment prior to such written approval. Approval for payment will not be unreasonably withheld.

5.5.5.2 County will review Subrecipient's supporting documentation for its invoice and reconcile between the invoice and the supporting documentation. County will also use the supporting documentation to confirm that all of Subrecipient's costs reported on the invoice have been paid. County will communicate any discrepancies with Subrecipient to acquire additional information, if needed. This will ensure that any questioned cost(s) is addressed before the cost(s) becomes disallowed. In the event Subrecipient is not able to substantiate the cost(s), Subrecipient will have to repay County for all unsubstantiated costs, Subrecipient may be removed from eligibility for future cash advances (if cash advances are allowed under this Subaward), Subrecipient's payments may be suspended, and/or County may impose other remedies deemed appropriate by County.

5.5.6 Payments to Subrecipient

5.5.6.1 In accordance with the invoicing policies and procedures set forth in this Subaward as well as those provided by County, County agrees to pay Subrecipient for the satisfactory provision of the Services identified in Exhibit A (Statement of Work) and any amendments, addendums or modifications thereto. Such payment shall not exceed the amount(s) indicated in Subparagraph 5.1.2 (Funding Allocations). All payments to Subrecipient will be made in arrears on a monthly basis for Services performed, provided that Subrecipient is not in default under any provision of this Subaward. County has no obligation to pay for any work except those Services expressly authorized by this Subaward.

5.5.6.2 Payments to Subrecipient will be made within thirty (30) calendar days after receipt of an "undisputed invoice". For purposes of this Subparagraph 5.5.6, an undisputed invoice shall mean an invoice which

does not contain errors and has been completed and submitted by Subrecipient pursuant to the requirements outlined herein and as directed by County. County has the final authority to determine whether or not an invoice is an undisputed invoice. Subrecipient shall promptly adhere to County's instructions for correcting an invoice in order to prevent any delays in processing payment(s). Until Subrecipient submits an undisputed invoice, County will not be under any obligation to pay any invoice that is not submitted pursuant to the requirements outlined herein and as directed by County.

- 5.5.6.3 All payments for Services provided under the terms of this Subaward shall be made to Subrecipient using Subrecipient's legal name and tax payer identification number. Subrecipient shall not request payments to be made to third-party vendors or any vendor which Subrecipient may use in the performance of this Subaward (i.e., Lower Tier Subrecipients). For purposes of this Subaward, Subrecipient's legal name is identified as the name on Subrecipient's articles of incorporation, charter or other legal document that was used to create Subrecipient's organization.

5.5.6.4 **Past Due Invoice**

- 5.5.6.4.1 Any invoice submitted more than thirty (30) days after the last day of the month in which the Services were rendered shall constitute a "past due invoice". Notwithstanding any other provision of this Subaward, Subrecipient and County agree that County shall have no obligation whatsoever to pay any past due invoices. County may, in its sole discretion, pay some or all of a past due invoice which Subrecipient has submitted, provided that sufficient funds remain available under this Subaward.

5.5.6.5 **Method of Compensation Adjustment**

- 5.5.6.5.1 During any Fiscal Year period within the term of this Subaward, County, at its sole discretion, has the option of altering the monthly method of compensation/payment from full reimbursement for Services provided to an amount equal to one-twelfth (1/12) of the Subaward Sum allocated for any Fiscal Year under this Subaward. County may pursue this method of compensation if Subrecipient is providing Services to more Clients than anticipated and it appears that the Subaward Sum will

be completely depleted before the end of a Fiscal Year. County will provide Subrecipient with at least two (2) weeks advance written notice of its decision to alter the method of compensation.

- 5.5.6.5.2 In no event shall County's decision to alter the method of compensation affect the Term, the Subaward Sum allocated for any Fiscal Year under this Subaward, Work, or any other provision under this Subaward unless such change is made pursuant to a validly executed Amendment to this Subaward noting any such change(s).

5.5.7 Subaward-Related Documents

- 5.5.7.1 Subrecipient shall complete all Subaward-related documents in accordance with the requirements noted on each such document, as directed by County, and pursuant to Program guidelines. Subrecipient's failure to timely submit Subaward-related documents that are accurate and complete, as requested or required by County, may result in suspension of payments to Subrecipient or other remedies provided by law or under this Subaward. Such documents shall include, but are not limited to, the documents outlined in Subparagraph 9.20 (Subaward Document Deliverables), Subparagraph 9.21 (Fiscal Reporting Requirements) and the following: Exhibit D (Subrecipient's Equal Employment Opportunity Certification); Exhibit F (Subrecipient's Administration); Exhibit G1 (Subrecipient Acknowledgement and Confidentiality Agreement); Exhibit O (Charitable Contributions Certification); Exhibit R (Joint Funding Revenue Disclosure); Budget exhibit(s); Mandated Program Services exhibit(s); Exhibit Y (List of Lower Tier Subawards); Exhibit AA (Subrecipient's Compliance with Encryption Requirements); Exhibit CC (FEMA Provisions) (applicable only when Subaward Sums include FEMA Funds); and, Exhibit DD (California Civil Rights Laws Certification).

- 5.5.8.1 It is the intent of County that Certified Local SBEs will receive prompt payment for Services they provide to County. Prompt payment is defined as fifteen (15) calendar days after receipt of an undisputed invoice that has been properly matched against a receiving or shipping document, service deliverable or payment schedule, or any other validation of receipt document.

Subrecipient shall not engage or continue to engage the services of any person convicted of any crime involving harm to minors, or any crime involving conduct inimical to the health, morals, welfare or safety of others, including but not limited to, the offenses specified in the California Health and Safety Code Section 11590 (i.e., offenses requiring registration as a controlled substance offender) and those crimes listed in the California Penal Code which involve murder, rape, kidnap, abduction, assault and lewd and lascivious acts.

- 7.5.7 Disqualification of any member of Subrecipient's staff pursuant to this Subparagraph 7.5 shall not relieve Subrecipient of its obligation to complete all Work in accordance with the terms and conditions of this Subaward.

7.6 CONFIDENTIALITY

- 7.6.1 Subrecipient shall maintain the confidentiality of all records and information in accordance with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies, Program memoranda and procedures relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.
- 7.6.2 Subrecipient shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by Subrecipient, its officers, employees, agents, or Lower Tier Subrecipients, to comply with this Subparagraph 7.6, Exhibit G1 (Subrecipient Acknowledgement and Confidentiality Agreement) and Exhibit N (Business Associate Agreement Under the Health Insurance Portability and Accountability Act of 1996 (HIPAA)), as determined by County in its sole judgment. Any legal defense pursuant to Subrecipient's indemnification obligations under this Subparagraph 7.6 shall be conducted by Subrecipient and performed by counsel selected by Subrecipient and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Subrecipient fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from Subrecipient for all such costs and expenses incurred by County in doing so. Subrecipient shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.
- 7.6.3 Subrecipient shall inform all of its officers, employees, agents and Lower Tier Subrecipients providing Services hereunder of

the confidentiality provisions of this Subaward.

7.6.4 Subrecipient shall sign and also adhere to the provisions of Exhibit G1 (Subrecipient Acknowledgement and Confidentiality Agreement).

7.6.5.1 Subrecipient and any approved Lower Tier Subrecipient shall ensure that all Protected Health Information (PHI), Personal Information (PI), and any information protected under the Health Insurance Portability and Accountability Act (HIPAA), (i.e., public, confidential, sensitive and/or personal identifying information) herein referred to as Personal, Sensitive and Confidential Information (PSCI) is protected from inappropriate or unauthorized access or disclosure in accordance with applicable laws, regulations and State policies. The requirement to protect information shall remain in force until superseded by laws, regulations, or policies.

7.6.5.2 Subrecipient and any approved Lower Tier Subrecipient shall protect from unauthorized disclosure, PSCI such as names and other identifying information, concerning Clients receiving Program Services pursuant to this Subaward, except for statistical information that does not identify any Client.

7.6.5.3 Subrecipient and any approved Lower Tier Subrecipient shall not use PSCI for any purpose other than carrying out Subrecipient's obligations under this Subaward. PSCI shall include, but is not limited to the following: name; identifying number; social security number; State driver's license or State identification number; financial account numbers; and symbol or other identifying characteristic assigned to Client, such as finger print, voice print or a photograph.

7.6.5.5 Subrecipient and any approved Lower Tier Subrecipient may allow Client to authorize the release of information to specific entities, but shall not request or encourage Client to give a blanket

authorization or sign a blank release, nor shall Subrecipient accept such blanket authorization from Client.

8.0 STANDARD TERMS AND CONDITIONS

8.1 AMENDMENTS

- 8.1.1 For any change which materially affects the Scope of Work, Subaward Term, Subaward Sum, payments, or any other term or condition included under this Subaward, an Amendment to this Subaward shall be prepared by County and executed by Authorized Representative and by County's Department Head or his/her designee.
- 8.1.2 County's Board of Supervisors, Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in this Subaward during the term of this Subaward. County reserves the right to add and/or change such provisions as required by County's Board of Supervisors or Chief Executive Officer. To implement such changes, an Amendment to this Subaward shall be prepared by County and executed by Authorized Representative and by County's Department Head or his/her designee.
- 8.1.3 County's Department Head or his/her designee may, at his/her sole discretion, authorize extensions of time as defined in Paragraph 4.0 (Term of Subaward). Subrecipient agrees that such extensions of time shall not change any other term or condition of this Subaward during the period of such extensions. To implement an extension of time, an Amendment to this Subaward shall be prepared by County and executed by Authorized Representative and by County's Department Head or his/her designee.
- 8.1.4 The following events shall also warrant an Amendment to this Subaward as described in this Subparagraph 8.1:
 - 8.1.4.1 County may initiate a unilateral Amendment to this Subaward at any time when required by Federal, State or County laws or policies, and shall immediately notify Subrecipient of said Amendment and the justification thereto.
 - 8.1.4.2 To the extent that funding for the Program is eliminated or otherwise reduced, the Program is terminated or the Program is modified for any reason (such that funding is reduced or the Scope of Work is changed), County may in its sole discretion amend this Subaward accordingly or move to terminate pursuant to the provisions in Subparagraph 8.42 (Termination for Convenience) without further liability for Services yet to be rendered by Subrecipient.
- 8.1.5 **Change Notice**
 - 8.1.5.1 For any change which does not affect the Scope of Work performed under this Subaward, the

Subaward Term or Subaward Sum, and does not otherwise materially change any other term or condition under this Subaward, County reserves the right to initiate such change(s) through a Change Notice Program memorandum or an administrative directive which shall all have the same effect as an Amendment. Such Change Notice shall be a written document that is prepared by County at its sole discretion and is signed by County's Contract Manager or designee. A Change Notice will be used to communicate changes which do not warrant an amendment to this Subaward. Such Change Notice shall be provided to Subrecipient at least ten (10) days prior to its effective date and Subrecipient shall adhere to the requirements as specified therein. Subrecipient's failure to comply with the Change Notice(s) may result in County imposing remedies including suspension of payment(s), termination of Subaward or other remedies under this Subaward as determined by County at its sole discretion.

8.2 ASSIGNMENT AND DELEGATION/MERGERS OR ACQUISITIONS.

- 8.2.1 Subrecipient (that is, "Contractor") shall notify County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If Contractor is restricted from legally notifying County of pending acquisitions/mergers, then it should notify County of the actual acquisitions/mergers as soon as the law allows and provide to County the legal framework that restricted it from notifying County prior to the actual acquisitions/mergers.
- 8.2.2 Contractor shall not assign its rights, delegate its duties under this Subaward (that is, "Contract"), or both, whether in whole or in part, without the prior written consent of County, in its sole discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Subparagraph 8.2, County consent shall require a written Amendment to this Contract, which is formally approved and executed by the parties. Any payments by County to any approved delegatee or assignee on any claim under this Contract shall be deductible, at County's sole discretion, against the claims, which Contractor may have against County.
- 8.2.3 Shareholders, partners, members, or other equity holders of Contractor may sell, transfer, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of this Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.
- 8.2.4 Any assumption, assignment, delegation, or takeover of any of Contractor's duties, responsibilities, obligations, or performance

of same by any person or entity other than Contractor, whether through assignment, Lower Tier Subaward (that is, "Subcontract"), delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Contract which may result in the termination of this Contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.3 AUTHORIZATION WARRANTY

8.3.1 Subrecipient represents and warrants that the person executing this Subaward for Subrecipient is an authorized agent who has actual authority to bind Subrecipient to each and every term, condition, and obligation of this Subaward and that all requirements of Subrecipient have been fulfilled to provide such actual authority ("Authorized Representative").

8.3.2 Authorized Representative must be available to County and/or County's duly authorized representatives during the days and times specified in Exhibit A (Statement of Work). In the event that Authorized Representative is not available during these specified days and times, he/she shall ensure that an appropriate designee is identified in writing to County's Contract Manager. Such designee shall have the ability and authority to act as a proxy on behalf of Authorized Representative, and this authority must also be evidenced in writing by Authorized Representative. Authorized Representative shall further ensure that he/she can be contacted by his/her designee when Authorized Representative is not available during the days and times specified in Exhibit A (Statement of Work).

Such written evidence shall adhere to the following requirements outlined in this Subparagraph 8.3.3.

8.3.3.2 If Subrecipient is a public entity (defined as the government of the United States; the government of a State or political subdivision of a State; or any interstate governmental agency), Subrecipient shall submit to County a copy of its resolution, order, or motion which has been approved by its Governing Body (e.g., City Council) and signed by the presiding chairperson/president of the Governing Body. If Subrecipient is a private non-profit entity, Subrecipient shall submit a copy of written authorization from its Governing Body (e.g., Board of Directors) and signed by the presiding chairperson/president to County.

- 8.3.3.3 Subrecipient's resolution, order, motion, or other authorization shall contain the following elements: reference to this Subaward by name and number; authorize execution of this Subaward; identify Authorized Representative and any designee who will execute the original Subaward and any subsequent amendments to this Subaward (Authorized Representative and any designee shall be specified in Exhibit F (Subrecipient's Administration)); and, approve and accept Subaward Sums. In the event that there is a change in Authorized Representative, Subrecipient shall provide County a revised resolution, order, motion, or other authorization which reflects the new Authorized Representative within five (5) days of being approved by the Governing Body.

8.4 BUDGET REDUCTIONS

- 8.4.1 In the event that County's Board of Supervisors adopts, in any Fiscal Year or Program Year, a County budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, County reserves the right to reduce its payment obligation under this Subaward correspondingly for that Fiscal Year or Program Year and any subsequent Fiscal Year or Program Year during the term of this Subaward (including any extensions), and the Services to be provided by Subrecipient under this Subaward shall also be reduced correspondingly. County's notice to Subrecipient regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, Subrecipient shall continue to provide all of the Services set forth in this Subaward.

8.5 COMPLAINTS

- 8.5.1 Subrecipient shall develop, maintain and utilize procedures for receiving, investigating and responding to complaints. Within fifteen (15) business days after the Subaward effective date, Subrecipient shall provide County's Program Manager with Subrecipient's policy for receiving, investigating and responding to Client complaints.
- 8.5.2 County will review Subrecipient's policy and provide Subrecipient with approval of said plan or with requested changes.
- 8.5.3 If County requests changes in Subrecipient's policy, Subrecipient shall make such changes and resubmit the plan within five (5) business days for County approval.
- 8.5.4 If, at any time, Subrecipient wishes to change Subrecipient's policy, Subrecipient shall submit proposed changes to County's Program Manager for approval before implementation.
- 8.5.5 Subrecipient shall preliminarily investigate all complaints and notify County's Program Manager of the status of the investigation within ten (10) business days of receiving the complaint.

- 8.5.6 When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.
- 8.5.7 Copies of all written responses shall be sent to County's Program Manager within five (5) business days of mailing to the complainant.
- 8.5.8 Subrecipient shall provide Client an opportunity to anonymously submit a grievance directly to County's Compliance Manager. Subrecipient shall ensure that the contact information of County's Compliance Manager is posted in a publicly accessible area and also provided to Client in writing.
- 8.5.9 Subrecipient shall provide County an opportunity to consider any grievance whether it is anonymously submitted to County by Client or if it's a grievance that cannot be resolved by Subrecipient. At County's sole discretion, County's written decision regarding the grievance shall be final and irrevocable.
- 8.5.10 At a minimum, Subrecipient shall incorporate the procedures and provisions of this Subparagraph 8.5 in its written grievance policies.

8.6 COMPLIANCE WITH APPLICABLE LAWS

- 8.6.1 In the performance of this Subaward, Subrecipient shall comply with all applicable Federal, State, County and local laws, rules, regulations, ordinances, directives, guidelines, policies, Program memoranda and procedures. Subrecipient shall also comply with all subsequent revisions, modifications, and administrative and statutory changes made thereto by Federal, State and County authorities. All provisions required thereby to be included in this Subaward are hereby incorporated herein by reference.
- 8.6.2 Subrecipient shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Subrecipient, its officers, employees, agents, or Lower Tier Subrecipients, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, Program memoranda or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Subrecipient's indemnification obligations under this Subparagraph 8.6 shall be conducted by Subrecipient and performed by counsel selected by Subrecipient and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Subrecipient fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from Subrecipient for all such costs and expenses incurred by County in doing so. Subrecipient shall not have the right to enter into any settlement, agree to any injunction or other equitable relief,

or make any admission, in each case, on behalf of County without County's prior written approval.

- 8.6.3 Subrecipient's compliance with applicable laws and regulations includes, but is not limited to, adherence to the mandatory standards and policies relating to the following: Title 45 Code of Federal Regulations Part 75 et seq. and Title 2 Code of Federal Regulations Part 200 et seq.; State's energy efficiency regulations (Title 24 California Code of Regulations); and, Pilot Program for Enhancement of Contractor Employee Whistleblower Protections (Title 48 Code of Federal Regulations Subpart 3.908 and Title 41 United States Code Section 4712). In addition to these standards and policies, when the Maximum Subaward Sum is one hundred thousand dollars (\$100,000) or more, Subrecipient shall also adhere to the following policies: Clean Air Act, as amended (Title 42 United States Code Section 7401 et seq.); Federal Water Pollution Control Act, as amended (Title 33 United States Code Section 1251 et seq.); Environmental Protection Agency Regulations (Title 40 Code of Federal Regulations Part 29 and Executive Order 11738); State Contract Act (California Public Contract Code Section 10295 et seq.); and, Unruh Civil Rights Act (California Public Contract Code Section 2010). County reserves the right to review Subrecipient's procedures to ensure that they comply with the statutes, ordinances, regulations, rules, rulings, policies and procedures of the Federal, State and County authorities, as applicable.
- 8.6.4 Subrecipient certifies that throughout the entirety of this Subaward it shall comply with all Federal and State payroll tax rules and employer tax guides; Subrecipient shall pay all Federal and State payroll taxes; and, Subrecipient shall make all tax deposits required by Federal and State laws within the time limits required.
- 8.6.5 Subrecipient's failure to comply with such regulations, rules, ordinances, court rules, municipal laws, directives, policies, Program memoranda and procedures outlined in this Subparagraph 8.6 and/or the provisions, requirements or conditions of this Subaward, including but not limited to, performance documentation, reporting, audit and evaluation requirements shall be material breach of this Subaward and may result in termination of this Subaward or other remedies available herein.

8.7 COMPLIANCE WITH CIVIL RIGHTS LAWS

- 8.7.1 Subrecipient hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964 (as amended) [Title 42 United States Code Sections 2000e (1) - 2000e (17), Title 42 United States Code Section 2000d and Title 45 Code of Federal Regulations Part 80] and the Americans with Disabilities Act (ADA) of 1990, to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Subaward or under any project, program, or activity supported by this Subaward. Subrecipient shall comply with Exhibit D

(Subrecipient's Equal Employment Opportunity Certification).
Prior to the commencement of this Subaward, Subrecipient shall submit the completed Exhibit D to County's Contract Manager in the time and manner as designated by County.

8.7.2 Notwithstanding any other provision of law and pursuant to the requirements outlined in California Public Contract Code Section 10295.3, when the Maximum Subaward Sum is one hundred thousand dollars (\$100,000) or more, Subrecipient shall not discriminate in the provision of benefits between employees with spouses and employees with domestic partners, or discriminate between employees with spouses or domestic partners of a different sex and employees with spouses or domestic partners of the same sex, or discriminate between same-sex and different-sex domestic partners of employees or between same sex and different-sex spouses of employees. For purposes of this Subparagraph 8.7.2, "subaward" includes subawards and contracts awarded by County to Subrecipient with a cumulative amount of one hundred thousand dollars (\$100,000) or more for the Fiscal Year or Program Year (where the subaward or contract funds originate from the State).

8.7.3 Subrecipient shall ensure compliance with the requirements of California Public Contract Code Section 2010 by submitting a completed Exhibit DD (California Civil Rights Laws Certification) as directed by County and as a condition of executing this Subaward. The California Civil Rights Laws Certification ensures Subrecipient's compliance with the Unruh Civil Rights Act (California Civil Code Section 51) and the Fair Employment and Housing Act (California Government Code Section 12960), and further ensures that Subrecipient's internal policies are not used in violation of California Civil Rights Laws.

8.8 COMPLIANCE WITH COUNTY'S JURY SERVICE PROGRAM

8.8.1 Jury Service Program

8.8.1.1 This Subaward (that is, "Contract") is subject to the provisions of County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Los Angeles County Code Sections 2.203.010 through 2.203.090, a copy of which is attached as Exhibit H (Jury Service Ordinance) and incorporated by reference into and made a part of this Contract.

8.8.2 Written Employee Jury Service Policy

8.8.2.1 Unless Subrecipient (that is, "Contractor") has demonstrated to County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Los Angeles County Code Section 2.203.020) or that Contractor qualifies for an exception to the Jury Service Program (Los Angeles County Code Section 2.203.070), Contractor shall have and adhere to a written policy that provides that its employees shall receive from Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees

deposit any fees received for such jury service with Contractor or that Contractor deduct from the employee's regular pay the fees received for jury service.

8.8.2.2 For purposes of this Subparagraph 8.8, "Contractor" means a person, partnership, corporation or other entity which has a contract with County or a subcontract with a County contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one (1) or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any Lower Tier Subrecipient (that is, "Subcontractor") to perform Services for County under this Contract, the Subcontractor shall also be subject to the provisions of this Subparagraph 8.8. The provisions of this Subparagraph 8.8, shall be inserted into any such Lower Tier Subaward (that is, "Subcontract") agreement and a copy of the Jury Service Program shall be attached to the agreement.

8.8.2.3 If Contractor is not required to comply with the Jury Service Program when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County's Contract Manager if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate, to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Jury Service Program.

8.8.2.4 Contractor's violation of this Subparagraph 8.8 of this Contract may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, terminate this

Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 CONFLICT OF INTEREST

- 8.9.1 No County employee whose position with County enables such employee to influence the granting of this Subaward or any competing contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by Subrecipient or have any other direct or indirect financial interest in this Subaward. No officer or employee of Subrecipient who may financially benefit from the performance of Work hereunder shall in any way participate in County's approval, or ongoing evaluation, of such Work, or in any way attempt to unlawfully influence County's approval or ongoing evaluation of such Work.
- 8.9.2 Subrecipient shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Subaward. Subrecipient warrants that it is not now aware of any facts that create a conflict of interest. If Subrecipient hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County's Compliance Manager. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Subparagraph 8.9 shall be a material breach of this Subaward.

8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFFS OR ON RE-EMPLOYMENT LIST

- 8.10.1 Should Subrecipient (that is, "Contractor") require additional or replacement personnel after the effective date of this Subaward (that is, "Contract") to perform the Services set forth herein, Contractor shall give first consideration for such employment openings to qualified permanent County employees who are targeted for layoff or to qualified former County employees who are on a re-employment list during the life of this Contract.

8.11 CONSIDERATION OF HIRING GAIN AND GROW PARTICIPANTS

- 8.11.1 Should Subrecipient (that is, "Contractor") require additional or replacement personnel after the effective date of this Subaward (that is, "Contract"), Contractor shall give consideration for any such employment openings to participants in County of Los Angeles Department of Public Social Services (DPSS) Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN/GROW participants by job category to Contractor. Contractor shall report all job openings with job requirements to: GAINGROW@dpss.lacounty.gov and BSERVICES@wdacs.lacounty.gov and DPSS will refer qualified GAIN/GROW job candidates.
- 8.11.2 In the event that both laid-off County employees and

GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.12 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.12.1 Responsible Contractor

8.12.1.1 A responsible Subrecipient (that is, "Contractor") is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform this Subaward (that is, "Contract"). It is County's policy to conduct business only with responsible contractors.

8.12.2 Los Angeles County Code Chapter 2.202

8.12.2.1 Subrecipient (that is, "Contractor") is hereby notified that, in accordance with Los Angeles County Code Chapter 2.202, if County acquires information concerning the performance of Contractor on this Subaward (that is, "Contract") or other contracts which indicates that Contractor is not responsible, County may, in addition to other remedies provided in this Contract, debar Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts which Contractor may have with County.

8.12.3 Non-responsible Contractor

8.12.3.1 County may debar Subrecipient (that is, "Contractor") if the Board of Supervisors finds, in its discretion, that Contractor has done any of the following: (1) violated a term of a contract with County or a non-profit corporation created by County, (2) committed an act or omission which negatively reflects on Contractor's quality, fitness or capacity to perform a contract with County, any other public entity, or a non-profit corporation created by County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against County or any other public entity.

8.12.4 Contractor Hearing Board

8.12.4.1 If there is evidence that Subrecipient (that is, "Contractor") may be subject to debarment, County will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

- 8.12.4.2 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor and County shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
- 8.12.4.3 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- 8.12.4.4 If Contractor has been debarred for a period longer than five (5) years, Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.
- 8.12.4.5 The Contractor Hearing Board will consider a request for review of a debarment determination only where: (1) Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

8.12.4.6 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.5 Subcontractors of Contractor

8.12.5.1 These terms shall also apply to Lower Tier Subrecipients (that is, "Subcontractors") of County contractors.

8.12.6 Contractor hereby acknowledges that County is prohibited from contracting with parties that are suspended, debarred, ineligible or excluded from securing State-funded or Federally-funded contracts. By executing this Contract, Contractor certifies that neither it nor any of its owners, officers, partners, directors, or other principals is currently suspended, debarred, ineligible or excluded from securing State-funded or Federally-funded contracts. Further by executing this Contract, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible or excluded from securing State-funded or Federally-funded contracts. During the term of this Contract, Contractor shall immediately notify County's Compliance Manager in writing should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible or excluded from securing State-funded or Federally-funded contracts. 8.13 CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW

8.13.1 Subrecipient (that is, "Contractor") acknowledges that County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is County's policy to encourage all County contractors to voluntarily post County's "Safely Surrendered Baby Law" poster, in Exhibit I, in a prominent position at Contractor's place of business. Contractor will also encourage any approved Lower Tier Subrecipients (that is, "Subcontractors"), if any, to post this poster in a prominent position in the Subcontractor's place of business. Information and posters for printing are available at www.babysafela.org.

8.14 CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

8.14.1 Subrecipient (that is, "Contractor") acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed

upon County of Los Angeles and its taxpayers.

- 8.14.2 As required by County's Child Support Compliance Program (Los Angeles County Code Chapter 2.200) and without limiting Contractor's duty under this Subaward (that is, "Contract") to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Contract maintain compliance with employment and wage reporting requirements as required by the Social Security Act (Title 42 United States Code Section 653(a)) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to the California Code of Civil Procedure Section 706.031 and the California Family Code Section 5246(b).

8.15 COUNTY'S QUALITY ASSURANCE PLAN

Such monitoring will include assessing Contractor's compliance with all Contract terms and conditions and performance standards, in addition to the regulations outlined in Subparagraph 8.38.3 (Monitoring Reviews). Contractor deficiencies which County determines are significant or continuing and that may place performance of this Contract in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate Contractor performance database. The report to the Board will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Contract or impose other penalties as specified in this Contract.

8.17 EMPLOYMENT ELIGIBILITY VERIFICATION

- 8.17.1 Subrecipient warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all of its employees performing Work under this Subaward meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. Subrecipient shall obtain, from all employees performing Work hereunder, all verification and other documentation of employment eligibility status required by

Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (Public Law 99-603) as they currently exist and as they may be hereafter amended. - 8.19.1 Subrecipient shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless County and its agents, officers and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for Work performed by Subrecipient's employees for which County may be found jointly or solely liable.

8.20 FORCE MAJEURE

- 8.20.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Subaward, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's lower tier subrecipients), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this Subparagraph 8.20 as "force majeure events").
- 8.20.2 Notwithstanding the foregoing, a default by a Lower Tier Subrecipient of Subrecipient shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Subrecipient and such Lower Tier Subrecipient, and without any fault or negligence of either of them. In such

case, Subrecipient shall not be liable for failure to perform, unless the goods or Services to be furnished by the Lower Tier Subrecipient were obtainable from other sources in sufficient time to permit Subrecipient to meet the required performance schedule. As used in this Subparagraph 8.20, the term "Lower Tier Subrecipient" and "Lower Tier Subrecipients" mean Lower Tier Subrecipients at any tier.

- 8.20.3 In the event Subrecipient's failure to perform arises out of a force majeure event, Subrecipient agrees to use commercially reasonable best efforts to obtain goods or Services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 GOVERNING LAW, JURISDICTION, AND VENUE

- 8.21.1 This Subaward shall be governed by, and construed in accordance with, the laws of the State of California. 8.22 INDEPENDENT CONTRACTOR STATUS

- 8.22.1 This Subaward is by and between County and Subrecipient and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Subrecipient. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.
- 8.22.2 Subrecipient shall be solely liable and responsible for providing to, or on behalf of, all persons performing Work pursuant to this Subaward all compensation and benefits. County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Subrecipient.

8.24 GENERAL PROVISIONS FOR ALL INSURANCE COVERAGE

8.24.1 Without limiting Subrecipient's indemnification of County, and in the performance of this Subaward and until all of its obligations pursuant to this Subaward have been met, Subrecipient shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in this Subparagraph 8.24 and Subparagraph 8.25 (Insurance Coverage) of this Subaward. These minimum insurance coverage terms, types and limits ("Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Subrecipient pursuant to this Subaward. County in no way warrants that the Required Insurance is sufficient to protect Subrecipient for liabilities which may arise from or relate to this Subaward.

8.24.2 Evidence of Coverage and Notice to County

8.24.2.1 Certificate(s) of insurance coverage ("Certificate") satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) have been given Insured status under Subrecipient's General Liability policy, shall be delivered to County's Contract Manager at the address shown below and provided prior to commencing Services under this Subaward.

8.24.2.4 Neither County's failure to obtain, nor County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by Subrecipient, its insurance broker(s) and/or

insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

- 8.24.2.5 Certificates and copies of any required endorsements shall be sent to:

County of Los Angeles

- 8.24.3.1 County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, employees and volunteers (collectively County and its Agents) shall be provided additional insured status under Subrecipient's General Liability policy with respect to liability arising out of Subrecipient's ongoing and completed operations performed on behalf of County. County and its Agents' additional insured status shall apply with respect to liability and defense of suits arising out of Subrecipient's acts or omissions, whether such liability is attributable to Subrecipient or to County. The full policy limits and scope of protection also shall apply to County and its Agents as an additional insured, even if they exceed County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.24.4 **Cancellation of or Change(s) in Insurance**

- 8.24.4.1 Subrecipient shall provide County with, or Subrecipient's insurance policies shall contain a provision that County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of

coverage or policy period. The written notice shall be provided to County's Contract Manager at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of this Subaward, in the sole discretion of County, upon which County may suspend or terminate this Subaward.

8.24.5 Failure to Maintain Insurance

8.24.5.1 Subrecipient's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of this Subaward, upon which County immediately may withhold payments due to Subrecipient, and/or suspend or terminate this Subaward. County, at its sole discretion, may obtain damages from Subrecipient resulting from said breach. Alternatively, County may purchase the Required Insurance, and without further notice to Subrecipient, deduct the premium cost from sums due to Subrecipient or pursue Subrecipient reimbursement.

Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Subrecipient coverage.

8.24.8 Waivers of Subrogation

8.24.8.1 To the fullest extent permitted by law, Subrecipient hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Subaward. Subrecipient shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.24.9 Lower Tier Subrecipient Insurance Coverage Requirements

8.24.9.1 Subrecipient shall include all Lower Tier Subrecipients as insureds under Subrecipient's own policies, or shall provide County with each Lower Tier Subrecipient's separate evidence of insurance coverage. Subrecipient shall be responsible for verifying that each Lower Tier Subrecipient

complies with the Required Insurance provisions herein, and shall require that each Lower Tier Subrecipient name County and Subrecipient as additional insureds on the Lower Tier Subrecipient's General Liability policy. Subrecipient shall obtain County's prior review and approval of any Lower Tier Subrecipient request for modification of the Required Insurance.

8.24.10 Deductibles and Self-Insured Retentions (SIRs)

8.24.10.1 Subrecipient's policies shall not obligate County to pay any portion of any Subrecipient deductible or SIR. County retains the right to require Subrecipient to reduce or eliminate policy deductibles and SIRs as respects County, or to provide a bond guaranteeing Subrecipient's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

8.24.11 Claims Made Coverage

A description of the Work not performed and the amount to be withheld or deducted from payments to Subrecipient from County, will be forwarded to Subrecipient by County's Department Head, or his/her designee, in a written notice describing the reasons for said action.
 - 8.26.2 If County's Department Head or his/her designee determines that there are deficiencies in the performance of this Subaward that County's Department Head or his/her designee deems are correctable by Subrecipient over a certain time span, County's Department Head or his/her designee will provide a written notice to Subrecipient to correct the deficiency within specified time frames. 8.27 MOST FAVORED PUBLIC ENTITY

8.27.1 If Subrecipient's prices decline, or should Subrecipient at any time during the term of this Subaward provide the same goods or Services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Subaward, then such lower prices shall be immediately extended to County.

8.28.7 If County finds that any provisions of this Subparagraph 8.28 have been violated, such violation shall constitute a material breach of this Contract upon which County may terminate or suspend this Contract. While County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by County that Contractor has violated the anti-discrimination provisions of this Contract.

8.28.8 The parties agree that in the event Contractor violates any of the anti-discrimination provisions of this Contract, County shall, at its sole option, be entitled to the sum of five hundred dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

- 8.37.3 Subrecipient shall not use or display the official seal of County of Los Angeles or the logo of Workforce Development, Aging and Community Services on any of its letterhead or other communications with any debtor, or for any other reason, unless

each form of usage has prior written approval of the Los Angeles County Board of Supervisors.

8.38 RECORD RETENTION, INSPECTION AND AUDIT SETTLEMENT

8.38.1 Record Retention Requirements

8.38.1.1 Subrecipient shall maintain accurate and complete financial records (such as bank statements, cancelled checks or other proof of payment) of its activities and operations relating to this Subaward in accordance with Generally Accepted Accounting Principles. Subrecipient shall also maintain all materials, including, but not limited to, complete employment records (such as timecards, sign-in/sign-out sheets and other time and employment records), supporting Program documents and proprietary data and information relating to its performance of this Subaward. Subrecipient shall further maintain on file the entirety of this Subaward, its amendments and/or addendums, modifications and all applicable laws, regulations, directives, Program memoranda and guidance which are hereby incorporated by reference. Subrecipient shall ensure that the security and integrity of all records are maintained throughout the entire term of this Subaward and during the authorized retention period as outlined below.

8.38.1.2 Subrecipient shall adhere to the requirements of the authorized retention period, which shall be the greater of the following: throughout the entire term of this Subaward and until an audit of this Subaward by County and/or its duly authorized representative(s) has occurred and a written audit resolution has been issued or unless otherwise authorized in writing by County; or, for such longer period, if any, as required by applicable statute, by any other provision of this Subaward, by Subparagraphs 8.38.2.2 and 8.38.2.3 or as County deems necessary (which shall be communicated to Subrecipient in writing).

8.38.1.3 All such material shall be maintained by Subrecipient at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at County's option, Subrecipient shall pay County for travel, per diem, and other costs incurred by County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.38.1.4 After the authorized retention period has expired, Subrecipient shall dispose of, shred or destroy all confidential records in a manner that will maintain confidentiality. Subrecipient shall obtain a certificate of destruction to substantiate that all confidential records have been securely destroyed.

Subrecipient shall notify County's Contract Manager in writing within thirty (30) days after such records are destroyed. The certificate of destruction shall be provided to County's Contract Manager upon County's request.

8.38.2 Access to Records

8.38.2.1 Subrecipient agrees that County and any of its duly authorized representatives (which may include State authorities, Federal agencies (including, but not limited to, Comptroller of the United States, Office of the Inspector General and General Accounting Office) and/or any of their duly authorized representatives), shall have both access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Subaward, any books, documents, papers and records of Subrecipient that are directly pertinent to this Subaward (as determined by County and its duly authorized representatives). The rights of access which are outlined in this Subaward shall not be limited to the authorized retention period but shall last as long as the records are retained.

8.38.2.2 If this Subaward (or any part thereof) is terminated, Subrecipient shall preserve and make all records, relating to the Work terminated, available during the authorized retention period of this Subaward. Subrecipient shall ensure that any resource directories and all Client records remain the property of County upon termination of this Subaward, and that they are returned to County or transferred to another subrecipient as instructed by County in writing.

8.38.2.3 In the event of any litigation, claim, negotiation, audit exception or other action involving the records, Subrecipient shall maintain all records relative to such action and shall make them available to County and/or its duly authorized representatives until every action has been cleared to the satisfaction of County and/or its duly authorized representatives, and such clearance must be evidenced to Subrecipient in writing.

8.38.2.4 County reserves the right to take physical custody of Subrecipient's records when any of the following situations occur: in the event that a potential litigation may be levied against Subrecipient for its Work performed under this Subaward; when County determines that Subrecipient is at a high risk of ceasing its operations during any time within the Subaward term or prior to the end of the retention period; when County determines that the records have long-term value; and/or, in the event that County

and Subrecipient terminate the contractual relationship. For purposes of this Subaward, high risk is determined by County using criteria which includes but is not limited to the following: history of unsatisfactory contractual performance; financial instability or insolvency; documented evidence of an inadequate management system and lack of internal controls; non-conformance to the terms and conditions of previous awards; non-responsible; and/or history of disallowed costs.

8.38.3 Monitoring Reviews

8.38.3.1 Subrecipient shall provide the Services herein under the general supervision of County's Department Head and his/her authorized administrators who are designated in Paragraph 6.0 (Administration of Subaward-County). County shall supervise, monitor and specify the kind, quality, appropriateness, timeliness and amount of the Services to be provided by Subrecipient as well as the criteria for determining the persons to be served (Clients). Subrecipient shall extend to County and to representatives authorized by County (including, but not limited to, State and Federal representatives) the right to observe, review and monitor Subrecipient's facilities, programs, records, procedures, performance, activities, or documents, which are used under this Subaward. Subrecipient shall provide County (or other designated authorities) the right to conduct such reviews at any time during County's business hours. County (or other designated authorities) shall not unreasonably interfere with Subrecipient's performance. The requirements of this Subparagraph 8.38 shall also apply to Lower Tier Subrecipients providing Services on behalf of Subrecipient.

8.38.3.2 County will monitor Subrecipient's Services provided under this Subaward on a regular basis and County may conduct unannounced site visits to ensure Subrecipient's compliance with this Subaward. County will summarize the results of the monitoring efforts in written reports, which shall be supported with documented evidence of follow-up actions taken to correct areas of non-compliance. Monitoring activities may include, but are not limited to interviewing Subrecipient employees and, when applicable, Clients; entering any premises or any site in which any of the Services or activities funded are being conducted or in which any records of Subrecipient are kept; etc. All information will be maintained in a confidential manner in accordance with any and all Federal, State and local laws.

8.38.3.3 Subrecipient shall be responsible for monitoring the activities of any approved Lower Tier Subrecipient(s) providing Services under this Subaward. Subrecipient shall conduct on-site fiscal

and program monitoring reviews which shall be documented and maintained on file according to the record retention requirements provided in this Subparagraph 8.38. Subrecipient shall ensure that Lower Tier Subrecipient(s) adheres to all requirements for correcting areas of non-compliance, and implements the corrective action plan which has been approved by Subrecipient.

8.38.4 Independent Audit Requirements

8.38.4.1 Title 45 Code of Federal Regulations Part 75.500 et seq. and Title 2 Code of Federal Regulations Part 200.500 et seq. requires that organizations which expend seven hundred fifty thousand dollars (\$750,000) or more in a year in Federal awards, including pass-through awards, shall obtain an annual single audit. When Subrecipient's organization meets this requirement (as specified in Title 45 Code of Federal Regulations Part 75.500 et seq. and Title 2 Code of Federal Regulations Part 200.500 et seq.), Subrecipient shall ensure that such audit shall be conducted by an independent auditor in accordance with the requirements outlined in Title 45 Code of Federal Regulations Part 75.500 et seq. and Title 2 Code of Federal Regulations Part 200.500 et seq. (and any amendments or supplements thereto). Subrecipient shall submit an audit engagement letter as confirmation of the audit to be conducted by the independent auditor and such letter shall be submitted to County's Compliance Manager in the time and manner as directed by County. Upon auditor's completion of the single audit, Subrecipient shall obtain both the data collection form and the reporting package (i.e., auditor's report), as described in Title 45 Code of Federal Regulations Part 75.500 et seq. and Title 2 Code of Federal Regulations Part 200.500 et seq., from the auditor for each audit period (i.e., each Fiscal Year or Program Year). Subrecipient shall submit a copy of the auditor's report to County's Compliance Manager within thirty (30) days after receipt of auditor's report but no later than nine (9) months following the end of the audit period.

8.38.4.2 When the requirements provided above for obtaining an annual audit do not apply to Subrecipient for any Fiscal Year (or Program Year), Subrecipient shall make its records available for review or audit by County and any of its duly authorized representatives (which may include State authorities, Federal agencies (including, but not limited to, Comptroller of the United States, Office of the Inspector General and General Accounting Office) and/or any of their duly authorized representatives). Such review or audit may include but is not limited to financial

audits, performance audits, evaluations, inspections, monitoring, etc. as determined by County and/or by any other oversight agency that is responsible for overseeing Subaward Sums, the Program and Services. Subrecipient shall comply with the review and audit requirements which shall be identified in writing by County and/or its duly authorized representatives.

8.38.4.3 In the event that an audit of Subrecipient is conducted specifically regarding this Subaward by any Federal or State auditor, or by any auditor or accountant employed by Subrecipient or otherwise, then Subrecipient shall file a copy of such audit report with County's Compliance Manager within thirty (30) days of Subrecipient's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Subaward. Subject to applicable law, County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.38.4.4 If, at any time during the term of this Subaward or during the authorized retention period of this Subaward as noted in Subparagraph 8.38.1, representatives of County conduct an audit of Subrecipient regarding the Work performed under this Subaward, and if such audit finds that County's dollar liability for any such Work is less than payments made by County to Subrecipient, then the difference shall be either: a) repaid by Subrecipient to County by cash payment upon demand; or, b) at the sole option of County of Los Angeles Department of Auditor-Controller, deducted from any amounts due to Subrecipient from County, whether under this Subaward or otherwise. If such audit finds that County's dollar liability for such Work is more than the payments made by County to Subrecipient, then the difference shall be paid to Subrecipient by County by cash payment, provided that in no event shall County's maximum obligation for this Subaward exceed the funds appropriated by County for the purpose of this Subaward.

8.38.5 Failure to Comply With Requirements

8.38.5.1 Failure on the part of Subrecipient to comply with any of the provisions of this Subparagraph 8.38 shall constitute a material breach of this Subaward upon which County may terminate or suspend this Subaward.

8.39 RECYCLED BOND PAPER

8.39.1 Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at Los Angeles County landfills, Subrecipient agrees to use recycled-content paper to the maximum extent possible on this Subaward.

8.40 LOWER TIER SUBAWARD

- 8.40.1 Subrecipient shall not delegate the requirements of this Subaward to a third-party ("Lower Tier Subrecipient") without the advance written approval of County. Any attempt by Subrecipient to enter into a Lower Tier Subaward for that purpose without the prior written consent of County shall be deemed a material breach of this Subaward. Subrecipient shall provide a draft copy of the proposed Lower Tier Subaward to County's Contract Manager, and shall allow County up to sixty (60) days to complete its review process. As such, Subrecipient shall ensure that it provides the Lower Tier Subaward to County well in advance of its intended date to execute the Lower Tier Subaward (i.e., in order for Subrecipient to meet its target date for executing the Lower Tier Subaward, Subrecipient shall factor up to sixty (60) days into its timeline to account for County's review process).
- 8.40.2 If Subrecipient desires to enter into a Lower Tier Subaward for the purpose of delegating any of the requirements of this Subaward, Subrecipient shall complete Exhibit Y (List of Lower Tier Subawards) and at County's request shall promptly provide the following information either on or along with Exhibit Y (List of Lower Tier Subawards):
- 8.40.2.1 Lower Tier Subrecipient's name and contact information; a description of the Work to be performed by Lower Tier Subrecipient; Lower Tier Subaward number; and Lower Tier Subaward amount.
- 8.40.2.2 A draft copy of the proposed Lower Tier Subaward.
- 8.40.2.3 Other pertinent information and/or certifications requested by County.
- 8.40.3 Subrecipient shall indemnify, defend, and hold County harmless with respect to the activities of each and every Lower Tier Subrecipient in the same manner and to the same degree as if such Lower Tier Subrecipient(s) was Subrecipient's employee.
- 8.40.4 Subrecipient shall remain fully responsible for all performances required of it under this Subaward, including those that Subrecipient has determined to grant through a Lower Tier Subaward, notwithstanding County's approval of Subrecipient's proposed Lower Tier Subaward.
- 8.40.5 County's consent to allow Subrecipient to enter into a Lower Tier Subaward with a third-party shall not waive County's right to prior and continuing approval of any and all personnel, including Lower Tier Subrecipient employees, providing Services under this Subaward. Subrecipient is responsible for notifying any approved Lower Tier Subrecipients of this County right.
- 8.40.6 County's Contract Manager is authorized to act for and on behalf of County with respect to approval of any Lower Tier Subaward and Lower Tier Subrecipient employees. After County's approval of the Lower Tier Subaward, Subrecipient shall forward a copy of the fully executed Lower Tier Subaward to County's

Contract Manager within five (5) days of its execution.

- 8.40.7 Subrecipient shall be solely liable and responsible for all payments or other compensation to all Lower Tier Subrecipients and their officers, employees, agents, and successors in interest arising through Services performed hereunder, notwithstanding County's consent to allow Subrecipient to enter into such Lower Tier Subaward(s).
- 8.40.8 Subrecipient shall obtain current valid certificates of insurance, which establish that each Lower Tier Subrecipient maintains all the programs of insurance required by County in accordance with Subparagraph 8.24.9 (Lower Tier Subrecipient Insurance Coverage Requirements). In addition to meeting the requirements noted in Subparagraph 8.24 (General Provisions for All Insurance Coverage) and Subparagraph 8.25 (Insurance Coverage), such certificates of insurance shall also indicate the Lower Tier Subaward number for each Lower Tier Subrecipient. Before any Lower Tier Subrecipient employee performs any Work hereunder, Subrecipient shall ensure delivery of all such documents to County's Contract Manager or designee.
- 8.40.9 Amending a Lower Tier Subaward may be initiated by either Subrecipient or County. When an amendment is initiated by County, County shall outline the reason(s) for the amendment and Subrecipient shall comply with County's request. All Lower Tier Subaward amendments are subject to review and must be approved in writing by County before they are executed. Subrecipient shall provide a draft copy of the proposed amendment to County's Contract Manager, and shall allow County up to thirty (30) days to complete its review process. After County's approval of Subrecipient's amendment, Subrecipient shall forward a copy of the fully executed amendment to County's Contract Manager within five (5) days of its execution.
- 8.40.10 Subrecipient shall adhere to all applicable Federal, State and/or County requirements for the procurement of a Lower Tier Subrecipient(s) and/or vendor services using Subaward Sums.
- 8.40.11 In the event County approves Subrecipient's request to delegate any part of the requirements of this Subaward through a Lower Tier Subaward, all applicable provisions and requirements of this Subaward shall be made applicable to such Lower Tier Subaward. To this end, Subrecipient shall include the following provision in the Lower Tier Subaward: This agreement is a Lower Tier Subaward under the terms of a prime Subaward (identified as Subaward Number [@ PO Document Number @]) with County of Los Angeles Workforce Development, Aging and Community Services and shall be subject to all of the provisions of such prime Subaward. All representations and warranties under this Lower Tier Subaward shall inure to the benefit of County of Los Angeles.
- 8.40.12 Pursuant to the provisions of this Subaward, County has the right to review and consent (or not consent) to Subrecipient's use of Lower Tier Subrecipients that have been procured in compliance with State and/or federal guidelines applicable to the funding

source(s) identified in Subparagraph 5.1.2 (Funding Allocations). County's approval of the proposed Lower Tier Subaward shall not be deemed as validation of the procurement method used by Subrecipient, and only reflects County's approval as to the form of the Lower Tier Subaward terms and conditions as well as the services being provided under such agreement.

- 8.40.13 When entering into a Lower Tier Subaward with a qualified organization, Subrecipient shall maintain documentation that supports/justifies the procurement method and evaluation process used by Subrecipient to select the qualified vendor for a Lower Tier Subaward. County's continuing consent to a Lower Tier Subaward is contingent upon Subrecipient's assurance that the procurement process was compliant with the requirements noted herein as well as all other Subaward requirements, and that the Lower Tier Subrecipient continues to retain staff and infrastructure experienced with providing the necessary services.
- 8.40.14 This Subaward and any approved Lower Tier Subaward are subject to monitoring and/or review by County, State, and/or federal funding authorities. If Subrecipient executes a Lower Tier Subaward that is deemed non-compliant with the requirements of this Subaward or applicable federal, State, or County regulations, any costs incurred under that Lower Tier Subaward may be disallowed, resulting in Subrecipient's liability to County for the repayment of any charged costs and/or not being reimbursed for any of those incurred costs yet to be billed.
- 8.40.15 Subrecipient shall ensure that any approved Lower Tier Subrecipient(s) complies with the requirements of California Public Contract Code Section 2010 by submitting a completed Exhibit DD (California Civil Rights Laws Certification) for Lower Tier Subrecipient(s) as a condition of executing this Subaward.

8.41 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

- 8.41.1 Failure of Subrecipient (that is, "Contractor") to maintain compliance with the requirements set forth in Subparagraph 8.14 (Contractor's Warranty of Adherence to County's Child Support Compliance Program), shall constitute default under this Subaward (that is, "Contract"). Without limiting the rights and remedies available to County under any other provision of this Contract, failure of Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which County may terminate this Contract pursuant to Subparagraph 8.43 (Termination for Default) and pursue debarment of Contractor, pursuant to Los Angeles County Code Chapter 2.202.

8.42 TERMINATION FOR CONVENIENCE

- 8.42.1 County may terminate this Subaward, in whole or in part, from time to time or permanently, when such action is deemed by County, in its sole discretion, to be in its best interest. Termination of Work hereunder shall be effected by notice of termination to Subrecipient specifying the extent to which performance of Work is terminated and the date upon which

such termination becomes effective. The date upon which such termination becomes effective shall be no less than thirty (30) calendar days after the notice is sent.

8.42.2 Upon receipt of a notice of termination and except as otherwise directed by County, Subrecipient shall immediately:

8.42.2.1 Stop Work under this Subaward on the date and to the extent specified in such notice;

8.42.2.2 Complete performance of such part of the Work as shall not have been terminated by such notice;

8.42.2.3 Transfer title and deliver to County all completed Work and Work in progress.

8.42.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of Subrecipient under this Subaward shall be maintained by Subrecipient in accordance with Subparagraph 8.38 (Record Retention, Inspection and Audit Settlement).

8.43 TERMINATION FOR DEFAULT

8.43.1 County may, by written notice to Subrecipient, terminate the whole or any part of this Subaward, if, in the judgment of County:

8.43.1.1 Subrecipient has materially breached this Subaward; or

8.43.1.2 Subrecipient fails to timely provide and/or satisfactorily perform any task, deliverable, Service, or other work required under this Subaward; or

8.43.1.3 Subrecipient fails to demonstrate a high probability of timely fulfillment of performance requirements under this Subaward, or of any obligations of this Subaward and in either case, fails to demonstrate convincing progress toward a cure within five (5) business days (or such longer period as County may authorize in writing) after receipt of written notice from County specifying such failure.

8.43.2 In the event that County terminates this Subaward in whole or in part as provided in Subparagraph 8.43.1, County may procure, upon such terms and in such manner as County may deem appropriate, goods and Services similar to those so terminated. Subrecipient shall be liable to County for any and all excess costs incurred by County, as determined by County, for such similar goods and Services. Subrecipient shall continue the performance of this Subaward to the extent not terminated under the provisions of this Subparagraph 8.43.

8.43.3 Except with respect to defaults of any Lower Tier Subrecipient, Subrecipient shall not be liable for any such excess costs of the type identified in Subparagraph 8.43.2 if its failure to perform this Subaward arises out of causes beyond the control and without the fault or negligence of Subrecipient. Such causes may

include, but are not limited to: acts of nature or of the public enemy, acts of County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of Subrecipient. If the failure to perform is caused by the default of a Lower Tier Subrecipient, and if such default arises out of causes beyond the control of both Subrecipient and Lower Tier Subrecipient, and without the fault or negligence of either of them, Subrecipient shall not be liable for any such excess costs for failure to perform, unless the goods or Services to be furnished by the Lower Tier Subrecipient were obtainable from other sources in sufficient time to permit Subrecipient to meet the required performance schedule. As used in this Subparagraph 8.43, the term "Lower Tier Subrecipient(s)" means Lower Tier Subrecipient(s) at any tier.

8.43.4 If, after County has given notice of termination under the provisions of this Subparagraph 8.43, it is determined by County that Subrecipient was not in default under the provisions of this Subparagraph 8.43, or that the default was excusable under the provisions of Subparagraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Subparagraph 8.42 (Termination for Convenience).

8.43.5 The rights and remedies of County provided in this Subparagraph 8.43, shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Subaward.

8.44 TERMINATION FOR IMPROPER CONSIDERATION

8.44.1 County may, by written notice to Subrecipient (that is, "Contractor"), immediately terminate the right of Contractor to proceed under this Subaward (that is, "Contract") if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to Contractor's performance pursuant to this Contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.44.2 Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to County manager charged with the supervision of the employee or to County of Los Angeles Department of Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.44.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.45 TERMINATION FOR INSOLVENCY

8.45.1 County may terminate this Subaward forthwith in the event of the occurrence of any of the following:

8.45.1.1 Insolvency of Subrecipient. Subrecipient shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not Subrecipient is insolvent within the meaning of the Federal Bankruptcy Code;

8.45.1.2 The filing of a voluntary or involuntary petition regarding Subrecipient under the Federal Bankruptcy Code;

8.45.1.3 The appointment of a Receiver or Trustee for Subrecipient; or

8.45.1.4 The execution by Subrecipient of a general assignment for the benefit of creditors.

8.45.2 The rights and remedies of County provided in this Subparagraph 8.45 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Subaward.

8.46 TERMINATION FOR NON - ADHERENCE OF COUNTY LOBBYIST ORDINANCE

8.46.1 Subrecipient (that is, "Contractor") and each County Lobbyist or County Lobbying firm, as defined in Los Angeles County Code Section 2.160.010, retained by Contractor shall fully comply with County's Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Contractor or any County Lobbyist or County Lobbying firm retained by Contractor to fully comply with County's Lobbyist Ordinance shall constitute a material breach of this Subaward (that is, "Contract"), upon which County may in its sole discretion, immediately terminate or suspend this Contract.

8.47 TERMINATION FOR NON - APPROPRIATION OF FUNDS

8.47.1 Notwithstanding any other provision of this Subaward, County shall not be obligated for Subrecipient's performance hereunder or by any provision of this Subaward during any of County's future Fiscal Years unless and until County's Board of Supervisors appropriates funds for this Subaward in County's budget for each such future Fiscal Year. In the event that funds are not appropriated for this Subaward, then this Subaward shall terminate as of June 30 of the last Fiscal Year for which funds were appropriated. County shall notify Subrecipient in writing of any such non-allocation of funds at the earliest possible date.

8.48 VALIDITY

8.48.1 If any provision of this Subaward or the application thereof to any person or circumstance is held invalid, the remainder of this

Subaward and the application of such provision to other persons or circumstances shall not be affected thereby.

8.49 WAIVER

8.49.1 No waiver by County of any breach of any provision of this Subaward shall constitute a waiver of any other breach or of such provision. Failure of County to enforce at any time, or from time to time, any provision of this Subaward shall not be construed as a waiver thereof. The rights and remedies set forth in this Subparagraph 8.49, shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Subaward.

8.50 WARRANTY AGAINST CONTINGENT FEES

8.50.1 Subrecipient warrants that no person or selling agency has been employed or retained to solicit or secure this Subaward upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Subrecipient for the purpose of securing business.

8.50.2 For breach of this warranty, County shall have the right to terminate this Subaward and, at its sole discretion, deduct from the Subaward Sum or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.51 WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

8.51.1 Subrecipient acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers. Unless Subrecipient qualifies for an exemption or exclusion, Subrecipient warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Subaward will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.52 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

8.52.1 Failure of Subrecipient to maintain compliance with the requirements set forth in Subparagraph 8.51 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program), shall constitute default under this Subaward. Without limiting the rights and remedies available to County under any other provision of this Subaward, failure of Subrecipient to cure such default within ten (10) days of notice shall be grounds upon which County may terminate this Subaward and/or pursue debarment of Subrecipient, pursuant to Los Angeles County Code Chapter 2.206.

8.53 TIME OFF FOR VOTING

8.53.1 Subrecipient shall notify and provide its employees, and shall

require each Lower Tier Subrecipient to notify and provide its employees, information regarding the time off for voting law pursuant to California Elections Code (EC) Section 14000. Not less than ten (10) days before every statewide election, Subrecipient and any approved Lower Tier Subrecipient(s) shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of EC 14000.

8.54 COMPLIANCE WITH COUNTY'S ZERO TOLERANCE HUMAN TRAFFICKING POLICY

- 8.54.1 Subrecipient (that is, "Contractor") acknowledges that County has established a Zero Tolerance Human Trafficking Policy which prohibits Contractor and member of Contractor's staff from engaging in human trafficking.
- 8.54.2 If Contractor or member of Contractor's staff is convicted of a human trafficking offense, County shall require that Contractor or member of Contractor's staff be removed immediately from performing Services under this Subaward (that is, "Contract"). County will not be under any obligation to disclose confidential information regarding the offense(s) other than those required by law.
- 8.54.3 Disqualification of Contractor or member of Contractor's staff pursuant to this Subparagraph 8.54 shall not relieve Contractor of its obligation to complete all Work in accordance with the terms and conditions of this Contract.

8.55 INTENTIONALLY OMITTED

- 8.56.1 Subrecipient (that is, "Contractor") shall comply with fair chance employment hiring practices set forth in California Government Code Section 12952, Employment Discrimination: Conviction History. In the event of such material breach, County may, in its sole discretion, terminate this Contract.

8.57 COMPLIANCE WITH COUNTY POLICY OF EQUITY

- 8.57.1 Subrecipient acknowledges that County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in County Policy of Equity ("CPOE") (<https://ceop.lacounty.gov/>). Subrecipient further acknowledges that County strives to provide a workplace free from discrimination, harassment, retaliation and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. Subrecipient, its employees and Lower Tier Subrecipient(s) acknowledge and certify receipt and understanding of the CPOE. Failure of Subrecipient, its employees or any approved Lower Tier Subrecipient(s) to uphold County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject Subrecipient to termination of contractual agreements as well as civil liability.

8.58 PROHIBITION FROM PARTICIPATION IN FUTURE SOLICITATION(S)

- 8.58.1 A Proposer, or a Subrecipient (that is, "Contractor") or its subsidiary or Lower Tier Subrecipient (that is, "Subcontractor") ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of County. A violation of this provision shall result in the disqualification of Proposer/Contractor from participation in County solicitation or the termination or cancellation of any resultant County contract. This provision shall survive the expiration, or other termination of this Subaward (that is, "Agreement").

The WebVen contains Subrecipient's business profile and identifies the goods/services being provided by Subrecipient. Subrecipient shall ensure that it updates its vendor profile whenever changes occur to Subrecipient's operations by accessing the WebVen site located on-line at: <http://camisvr.co.la.ca.us/webven/>. County shall use the data obtained from Subrecipient's WebVen profile to ensure that Subrecipient's information is consistent with Subaward records (e.g., Subrecipient's legal name, as reflected in its WebVen profile, shall be used in all Subaward documents).

9.9 MODIFICATIONS

9.9.1 Modifications to this Subaward

- 9.9.1.1 This Subaward fully expresses the agreement of the parties. Any modification to this Subaward must be by means of a separate written document approved by County. No oral conversation between any officer, employee or agent of the parties shall modify or otherwise amend this Subaward in any way. For purposes of this Subparagraph 9.9, a Modification:

9.9.1.1.1 Is a mechanism that allows Subrecipient to revise its Budget(s) or Services during the Fiscal Year or Program Year without adversely affecting Subrecipient's ability to fulfill its obligations under this Subaward (i.e., such Modification shall not materially change Subrecipient's obligation to provide the Services outlined in Exhibit A (Statement of Work)).

9.9.1.1.2 Allows Subrecipient to fully utilize Subaward Sums to fulfill the requirements of this Subaward and adequately cover the provision of Services.

9.9.1.1.3 Is approved by County in writing, must be in the best interests of County and Subrecipient shall adhere to it in its entirety.

- 9.9.1.2 Any Modification, as described below, shall not change the terms, goals or requirements of this Subaward. Such Modification provides Subrecipient some flexibility to operate within the terms of this Subaward in order to fully utilize Subaward Sums and to achieve Subrecipient's performance goals. Subrecipient's request for Modifications, either budgetary or programmatic,

must be submitted in writing to either County's Contract Manager or County's Program Manager, respectively. Subrecipient shall not request a Modification during the first quarter and during the last two (2) months of the current Fiscal Year or Program Year (except where a written waiver is requested by Subrecipient and granted by County).

9.9.2 Budget Modifications

9.9.2.1 The movement of funds within an approved Budget(s) from one line item to another line item is classified as a Budget Modification. For the entirety of any Fiscal Year or Program Year, a Budget Modification shall not exceed twenty percent (20%) of the baseline amount allocated to the line items being modified (i.e., Subrecipient's movement of funds among line items shall not cause one line item to be reduced or increased by more than twenty percent (20%) of its baseline amount). For purposes of this Subparagraph 9.9, baseline is defined as the original amount allocated at the beginning of a Fiscal Year or Program Year; for Fiscal Years or Program Years following the first Fiscal Year or Program Year, such amount may differ from what is reflected in the original Subaward. A Budget Modification shall not change the Subaward Sum allocated for any Fiscal Year or Program Year under this Subaward. Subrecipient shall notify County's Contract Manager in writing to request authorization prior to submitting a Budget Modification. On the date County approves a Budget Modification, such Budget Modification shall supersede any prior Budget Modification(s) approved by County within the same Fiscal Year or Program Year (i.e., when Subrecipient's Budget Modification number two (2) is approved by County, it becomes effective upon the approval date and Subrecipient's Budget Modification number one (1) is no longer effective as of that same date).

9.9.3 Program Modifications

9.9.3.1 The movement of Services from one Service category (as defined in Exhibit A (Statement of Work)) to another is classified as a Program Modification. Subrecipient shall notify County's Program Manager in writing to request authorization prior to submitting a Program Modification. On the date County approves a Program Modification, such Program Modification shall supersede any prior Program Modification(s) approved by County within the same Fiscal Year or Program Year (i.e., when Subrecipient's Program Modification number two (2) is approved by County, it becomes effective upon the approval date and Subrecipient's Program Modification number one (1) is no longer effective as of that same date).

9.10 NEPOTISM

- 9.10.1 Subrecipient certifies that it shall not hire nor permit the hiring of any person in a position funded under this Subaward if a member of the person's immediate family is employed in an administrative capacity by Subrecipient. For purposes of this Subparagraph 9.10, the term "immediate family" means spouse (common law or otherwise, and including domestic partner), child, mother, father, brother, sister, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, father-in-law, aunt, uncle, niece, nephew, step-parent, step-child, or such other relationship which would give rise to a substantial appearance of impropriety if the person were to be hired by Subrecipient. - 9.11.3 Any and all materials, software and tools which are developed or were originally acquired by Subrecipient outside the scope of this Subaward, which Subrecipient desires to use hereunder, and which Subrecipient considers to be proprietary or confidential, must be specifically identified by Subrecipient to County's Contract Manager as proprietary or confidential, and shall be plainly and prominently marked by Subrecipient as "Proprietary" or "Confidential" on each appropriate page of any document containing such material.
- 9.11.4 County will use reasonable means to ensure that Subrecipient's proprietary and/or confidential items are safeguarded and held in confidence. County agrees not to reproduce, distribute or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of Subrecipient.
- 9.11.5 Notwithstanding any other provision of this Subaward, County will not be obligated to Subrecipient in any way under Subparagraph 9.11.4 for any of Subrecipient's proprietary and/or

confidential items which are not plainly and prominently marked with restrictive legends as required by Subparagraph 9.11.3 or for any disclosure which County is required to make under any Federal or State law or order of court.

The Federal government shall have a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use and to authorize others to use for Federal government purposes, such software, modifications and documentation. Notwithstanding any other provision of this Subaward, proprietary operating/vendor software packages, which are provided at established catalog or market prices and sold or leased to the general public, shall not be subject to the ownership provisions of this Subparagraph 9.11.
- 9.11.7 All the rights and obligations of this Subparagraph 9.11 shall survive the expiration or termination of this Subaward.

9.12 PATENT, COPYRIGHT AND TRADE SECRET INDEMNIFICATION

- 9.12.1 Subrecipient shall indemnify, hold harmless and defend County from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and attorneys' fees, for or by reason of any actual or alleged infringement of any third-party's patent or copyright, or any actual or alleged unauthorized trade secret disclosure, arising from or related to the operation and utilization of Subrecipient's Work under this Subaward. County shall inform Subrecipient as soon as practicable of any claim or action alleging such infringement or unauthorized disclosure, and shall support Subrecipient's defense and settlement thereof.
- 9.12.2 In the event any equipment, part thereof, or software product becomes the subject of any complaint, claim, or proceeding alleging infringement or unauthorized disclosure, such that County's continued use of such item is formally restrained, enjoined, or subjected to a risk of damages, Subrecipient, at its sole expense, and providing that County's continued use of the system is not materially impeded, shall either:
- 9.12.2.1 Procure for County all rights to continued use of the questioned equipment, part, or software product; or
 - 9.12.2.2 Replace the questioned equipment, part, or software product with a non-questioned item; or
 - 9.12.2.3 Modify the questioned equipment, part, or software so that it is free of claims.
- 9.12.3 Subrecipient shall have no liability if the alleged infringement or unauthorized disclosure is based upon a use of the questioned product, either alone or in combination with other items not supplied by Subrecipient, in a manner for which the questioned product was not designed nor intended.

- 9.13.3.3 At County's sole discretion, when Subrecipient's payment(s) and/or Services are suspended, County may also elect to transfer suspended Services from Subrecipient to another subrecipient for a period of time that will be determined solely by County. directives, Program memoranda, notices, guidelines and instructions issued by or on behalf of Federal, State or County authorities. Subrecipient's failure to comply with such requirements shall subject Subrecipient to remedies which are available under this Subaward and as provided by law. 9.19.2 Payment Guaranty

9.19.2.1 The Payment Guaranty is Subrecipient's surety/guarantee to County that Subrecipient shall meet its obligations to faithfully pay any approved Lower Tier Subrecipients in a manner that is timely, satisfactory and acceptable to County, as determined by County at its sole discretion. The purpose of the Payment Guaranty is to provide all Lower Tier Subrecipients who supply labor, materials, services, etc. to Subrecipient a recourse if they do not get paid by Subrecipient. In such case, the Payment Guaranty allows Lower Tier Subrecipient to file a claim with the surety company that issued the Guaranty in the event that Subrecipient does not reimburse the Lower Tier Subrecipient for goods and/or services provided by Lower Tier Subrecipient.

9.19.2.2 Subrecipient acknowledges that County may also make a determination that Subrecipient's

non-payment of any approved Lower Tier Subrecipients is a violation of the terms and conditions of this Subaward which may subject Subrecipient to obtain both the Payment Guaranty and Performance Guaranty.

9.19.2.3 The Payment Guaranty shall only take the form of a surety bond. More information concerning surety bonds and companies may be obtained from the Surety Association of America (www.surety.org), the Surety Information Office (www.sio.org), state insurance departments, the U.S. Small Business Administration and U.S. Department of the Treasury.

9.19.2.4 The Payment Guaranty must be executed by a corporate surety which is licensed to transact business as a surety in the State of California. The corporate surety must have an A.M. Best Rating of not less than A:VII, unless otherwise approved by County.

9.19.3 **Performance Guaranty**

9.19.3.1 The Performance Guaranty is Subrecipient's surety/guarantee to County that Subrecipient shall meet its obligations to perform the terms and conditions of the resulting Subaward. The purpose of the Performance Guaranty is to provide County a recourse to recover Subaward monies which would otherwise be lost due to Subrecipient's negligent actions. This Performance Guaranty shall provide for the payment of monies to County for transactions which are incurred by Subrecipient, including but not limited to: liquidated damages, late penalty payments, County's reimbursement, etc. County's determination to require Subrecipient to obtain the Performance Guaranty would occur after the resolution process has been completed and "questioned costs" have been determined to be unsubstantiated costs, disallowed costs, etc.

9.19.3.2 The Performance Guaranty shall take any of the following forms:

9.19.3.2.1 Surety Bond: More information concerning surety bonds and companies may be obtained from the Surety Association of America (www.surety.org), the Surety Information Office (www.sio.org), state insurance departments, the U.S. Small Business Administration and U.S. Department of the Treasury. The performance guaranty may not allow the bond surety to substitute another person to perform Services.

9.19.3.2.3 Certified Check or Certificate of Deposit: This form of Guaranty shall list/identify County of Los Angeles as an authorized party that can withdraw on the account. Refer to Exhibit BB (Criteria and Standards for Letters of Credit and Certificates of Deposit) for additional information on the certificate of deposit.

9.19.3.2.4 Cash

9.19.3.3 The Performance Guaranty must be executed by a corporate surety which is licensed to transact business as a surety in the State of California. The corporate surety must have an A.M. Best Rating of not less than A:VII, unless otherwise approved by County.

Once Subrecipient has obtained the required Guaranty(ies), County will re-evaluate the need for Subrecipient to continue maintaining the Guaranty(ies) for any subsequent Fiscal Year of the Subaward term.

9.19.5 The costs to obtain and maintain the Guaranty(ies) are potentially allowable and reimbursable under the terms of this Subaward. However, no additional funding will be allocated to the Subaward Sums in order for Subrecipient to pay for these costs. If Subrecipient intends to use existing Subaward Sums to offset the costs of the Guaranty(ies), this action requires a redistribution of Subaward Sums which shall be initiated through a budget modification. This budget modification shall be completed and submitted by Subrecipient for approval by County as noted in Subparagraph 9.9.2 (Budget Modifications). Prior to submitting this budget modification, Subrecipient shall ensure that it will be able to adhere to all other required tasks, performance measures and other duties of this Subaward even after the Subaward Sums are redistributed (i.e., Subrecipient shall continue to provide the required level of Services which would include the Guaranty(ies) for the same level of funding).

 - 9.21.1.2.5 A detailed listing of all shared and pooled direct and indirect costs that will be allocated.
 - 9.21.1.2.6 Identification of the Subaward year term for any information/documentation related to the Plan.
 - 9.21.1.2.7 A thorough description of the methods used to allocate all shared or pooled direct or indirect costs and the auditable documentation for supporting each basis for allocation.
- 9.21.1.3 Every cost included in the Cost Allocation Plan shall be supported by formal, documented accounting records, and the basis for its distribution must be calculated by actual usage (e.g., time distribution, number of Clients served, square footage, etc.) - arbitrary percentages or estimates are not allowed.
- 9.21.1.4 In order to certify the accuracy of the Cost Allocation Plan, Subrecipient shall sign the Cost

Allocation Plan and any revisions made thereto.

9.21.1.5 By May 1 of each Subaward year after the first Subaward year in a multi-year term (or upon extension of the term as provided in Paragraph 4.0 (Term of Subaward), Subrecipient shall submit written confirmation that its Cost Allocation Plan methodology described in Subparagraph 9.21.1.2.7 will remain in effect throughout the following Subaward year. In the event that this Cost Allocation Plan methodology must be revised for the following Subaward year then Subrecipient shall submit the revised methodology to County's Compliance Manager by May 1 of the current Subaward year. The Cost Allocation Plan methodology may only be revised once during any Subaward year.

9.21.1.6 In the event that the information provided in the Cost Allocation Plan as it relates to Subparagraphs 9.21.1.2.1 - 9.21.1.2.6 must be revised at any time during the Subaward term then Subrecipient shall submit the revisions to County's Compliance Manager within thirty (30) days of completing the revisions.

9.21.1.7 Upon receipt of the revisions made to Subrecipient's Cost Allocation Plan, County will review these revisions. Neither Subrecipient's submission of these revisions to its Cost Allocation Plan nor County's receipt of these revisions to Subrecipient's Cost Allocation Plan shall constitute County's acceptance or approval of the Cost Allocation Plan revisions. County reserves the right to either accept or reject any revision(s) to the Cost Allocation Plan that County deems is unacceptable. County will notify Subrecipient in writing whether the revisions are approved or rejected. Upon rejection of the revisions, Subrecipient shall take the required actions needed to correct its revisions. Subrecipient's failure to adhere to County's requirements shall subject Subrecipient to remedies available under this Subaward.

9.21.2 **Closeout Reporting Requirements**

9.21.2.1 The closeout is a process that takes place upon the expiration or termination of the period in which Program Services are provided which includes the end of the Subaward term, the end of the Fiscal Year or any other period when the Subaward is terminated. The purpose of closeout is to ensure that final reports are received and evaluated, allowable costs are determined and amounts due to either County or to Subrecipient are determined and payment arrangements made.

9.21.2.2 Subrecipient shall complete and submit a mandatory Closeout Report in the form and manner

designated by County. The Closeout Report shall include the reporting of expenses and accruals incurred through the last day of the Fiscal Year or Program Year. County will notify Subrecipient of the deadline for submission of the Closeout Report.

9.21.2.3 Subrecipient must ensure that all invoices are submitted and finalized prior to the submission of its Closeout Report. County will not pay invoices that are received after Subrecipient has submitted the Closeout Report. Once County has reviewed and accepted Subrecipient's Closeout Report, the data reflected on the Closeout Report will be reported to State as final. Any subsequent revisions will require the written signature and authorization of Authorized Representative.

9.21.2.4 If this Subaward is terminated or cancelled prior to June 30th of any Fiscal Year, the Closeout Report shall be for that Subaward period which ends on the termination or cancellation date. Subrecipient shall submit the Closeout Report after the termination/cancellation date in the manner and timeframe designated by County.

9.21.2.5 At the end of the funding cycle/during the closeout, Subrecipient shall ensure that all of the following items match:

9.21.2.5.1 The Subaward Sum allocated by line items on Subrecipient's final approved Budget(s), where the Subaward Sum is the funding allocated for any Fiscal Year under this Subaward and it is distributed using the line items/cost categories reflected in Subrecipient's final approved Budget(s).

9.21.2.5.2 The Grant Share, which is allocated by line items on Subrecipient's Closeout Report, where the Grant Share is the actual Subaward Sum that Subrecipient has budgeted by line items/cost categories on its organization's accounting/fiscal records (i.e., general ledgers, etc.).

9.21.2.5.3 The Amount Received by line item as reported on Subrecipient's Closeout Report, where the Amount Received is the actual Subaward Sum reimbursed to Subrecipient for its line items.

9.21.2.6 In the event that the line item amounts reflected as the Subaward Sum on the final approved Budget(s), the Grant Share on the Closeout, and the Amount Received on the Closeout do not match at the time of closeout, for purposes of the closeout only,

County shall allow a maximum of ten percent (10%) variance between the Subaward Sum and Grant Share (specifically, the variance between the Subaward Sum line items reported on the final approved Budget(s) and the Grant Share line items reported on the Closeout Report).

9.21.2.6.1 For example, during the closeout, if the line item, Space, reflects a Subaward Sum of \$100 on the final approved Budget(s) then the Grant Share amount reflected on the Closeout Report for Space shall be \$100, and the Amount Received reflected on the Closeout Report for Space shall be \$100. Alternatively, if the Subaward Sum for Space is reflected on the final approved Budget(s) as \$100 but the Grant Share for Space is reflected on the Closeout Report as \$95 and the Amount Received for Space is reflected on the Closeout Report as \$95 then the \$5 variance (which is five percent (5%) of the Subaward Sum amount for the Space line item) is within the allowable ten percent (10%) variance.

9.21.2.7 Subrecipient shall ensure that the total Grant Share and the total Amount Received, which are reflected on the Closeout Report, do not exceed the total Subaward Sum reflected on the final approved Budget(s).

9.21.3 **Program Income Requirements**

9.21.3.1 Program Income includes, but is not limited to:

9.21.3.1.1 Voluntary contributions received from Client or other party for Services received.

9.21.3.2 Subrecipient shall adhere to the Program Income requirements outlined herein and in Title 45 Code of Federal Regulations Part 75 et seq. and Title 2 Code of Federal Regulations Part 200 et seq.

9.21.3.3 Subrecipient shall use Program Income to expand

baseline Program Services.

- 9.21.3.4 Subrecipient shall report Program Income in Budget exhibit(s) and shall expend Program Income under the same terms and conditions as the Subaward Sums from which it is generated. The use of Program Income is restricted to the funding source or Service that was provided and contributed towards.
- 9.21.3.5 Program Income shall be used to pay for current allowable Program costs in the same Fiscal Year or Program Year that the Program Income is earned. If Program Income is earned in excess of the amount reported in Budget exhibit(s) then County shall recapture the balance of the unexpended Program Income or pursue any other remedies available to County under this Subaward.
- 9.21.3.6 Subrecipient shall not use Program Income to meet the match contribution requirement of this Subaward.
- 9.21.3.7 Subrecipient shall provide a disposition of all Program Income received and expended as part of the Closeout reporting process in the form, manner and timeline as designated by County.

If County cannot access or verify "Active" status for Subrecipient's DUNS information, which is related to this Subaward on the Federal Funding Accountability and Transparency Act Subaward Reporting System, County will notify Subrecipient and Subrecipient must immediately update the information as required.
- 9.22.3 Subrecipient's failure to adhere to applicable DUNS and SAM requirements may result in County imposing remedies as determined by County in its sole discretion.

The Performance Requirements Summary (PRS) Chart provides a listing of the minimum requirements that Subrecipient shall adhere to, and it reflects the performances that will be monitored during the Subaward term. The PRS Chart also lists examples of the types of documents that will be used during monitoring, as well as the standards of performance and the acceptable quality level of performance.

All listings of required services or standards used in this PRS Chart are intended to be completely consistent with the terms and conditions of this Subaward and Exhibit A (Statement of Work), and are not meant in any case to create, extend, revise or expand any obligation of Subrecipient beyond that defined in the terms and conditions of the Subaward and Exhibit A (Statement of Work). In any case of apparent inconsistency between required services or standards as stated in the terms and conditions of this Subaward, Exhibit A (Statement of Work) and this Attachment 1, the terms and conditions of the Subaward and Exhibit A (Statement of Work) will prevail in that order.

The PRS Chart reflects the areas that shall be evaluated based on the criteria outlined herein.

Performance Requirement

This is the outcome that Subrecipient shall achieve as a result of providing of Program Services to Clients. These outcomes will be analyzed by County to measure the quality and effectiveness of Subrecipient's Program Services, which may affect the availability for future Program funding (i.e., if Subrecipient does not meet an outcome and does not correct deficiency(ies), County shall remedy the non-compliance according to the method indicated as Remedy(ies) for Non-Compliance).

Reference

The document or source of information from which the Performance Requirement is derived.

Standard(s)

This is the benchmark that the Performance Requirement will be measured against and Subrecipient shall not deviate from this without providing a remedy as requested by County.

Acceptable Quality Level

This is the minimum level (measured as a percentage of the Standard(s)) that is used to compare Subrecipient's actual performance against the Standard(s). During the term of the Subaward, Subrecipient shall achieve, at a minimum, the Acceptable Quality Level (AQL) when completing the Performance Requirement. The AQL for each Performance Requirement is established by County and it provides an assurance to County that Subrecipient is satisfactorily providing Program Services. The AQL is used to determine whether Subrecipient is achieving the Performance Requirement in accordance with the Subaward and Exhibit A (Statement of Work). Any deviation from the Standard will result in non-compliance of that Performance Requirement (i.e., Subrecipient is not providing Program Services according to this Subaward).

Remedy(ies) for Non-Compliance

For non-compliance with the AQL, County, at its sole discretion, has the option to apply the remedy(ies) listed and Subrecipient shall adhere to the remedy(ies) as follows: 1) Corrective Action Plan, 2) Probation, 3) Suspend payment(s), 4) Suspend Subaward, 5) Liquidated damages, 6) Reduce and reallocate funds, 7) Terminate Subaward. and/or 8) Placement in County's Contractor Alert Reporting Database.

Thank you for completing the Universal Intake Form (UIF). As the aging population grows and funding remains limited, it is vital to capture this critical information to reinforce and substantiate the increased demand for older adult services. This information will assist the Los Angeles County Area Agency on Aging (AAA) in identifying unmet needs, effectively developing plans, and better coordinate services to meet your needs.

Emergency and Disaster Plan Basic Requirements

A. Emergency and Disaster Plan Mission and Introductory Statement

The mission and introductory statement could be the local Office of Emergency Services (OES) statement, or an expansion of it. The mission and introductory statement should include the following elements:

- How the agency will maintain the continuity of agency services to program recipients during and following disaster and emergency events.
- How the agency will advocate on behalf of older individuals, and their family caregivers within their PSA, to assure that the special needs of older individuals are adequately met, during and following the event.

The agency's mission and introductory statement might also include how the agency will:

- Assist older individuals and their family caregivers, who may have additional needs resulting from a disaster or an emergency event.
- Provide information and assistance to stakeholders on how to be prepared to meet their own needs during and following the event.
- Focus on resuming services as quickly as possible following the event.
- Collaborate with local disaster preparedness partners to coordinate services for older individuals and their family caregivers within their PSA.
- Prepare for a change in both service demands and in the individual needs of clients currently being served by the agency's network.

B. Business Continuity Plan

Develop a Business Continuity Plan (BCP) for your agency to ensure that your mission can be carried out. The BCP should:

- Provide a brief statement describing the plan for service-continuity following a disaster if normal resources are unavailable or demand exceeds capacity.
- List any MOU or vendor agreements that are in place to provide emergency back-up for operations or key resources.
Have a copy of each signed agreement in an appendix to the plan and on a data-storage device, and review and revise the agreements on an annual basis to assure they remain current.
- Include a contingency plan for staff that are absent or unable to complete their assigned duties.
- Include a system to track emergency expenditures, since they may be reimbursable
- Emphasize communications, backup systems for data, emergency service delivery options, community resources, and transportation.

C. Emergency Response Organization Chart

The chart should include the name, title, and contact information of staff involved in disaster and emergency related activities. Outline the relationships and responsibilities for each person responsible for each function:

- Management – who will take charge, delegate responsibilities, and provide overall direction?
- Operations – who will perform the actions required to get people to safety, restore services, and meet needs or help with recovery?
- Planning – who will gather information and communicate assessments about the emergency and related needs?
- Logistics – who will obtain resources that operations may require?
- Finance – who will track expenditures, hours worked, and document events as they occur?

- Hospitals in the service area.
- American Red Cross and other private relief organizations.
- Community disaster preparedness groups, such as Volunteer Organizations Active in Disasters (VOAD).

- Media – local news/emergency broadcast radio and television stations.
- Any additional contacts as appropriate for your community (Ministerial Alliance/Council of Churches).
- Citizen-band clubs or HAM radio operators.

(JURY SERVICE ORDINANCE)

Los Angeles County Code
Title 2 (Administration)
Chapter 2.203.010 through 2.203.090
Contractor Employee Jury Service

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

3. Is not an affiliate or subsidiary of a business dominant in its field of operation.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

County at its sole discretion may accept photocopies of supporting documentation in preference to the original documents.**

Supporting documentation is required for various types of expenditures. Subrecipients shall provide acceptable supporting documentation for all expenditures, and, with regard to the following categories of expenditures, acceptable supporting documentation shall consist solely of the documentation listed for each expenditure type. Another form of documentation may be used, in lieu of the listed types of acceptable

supporting documentation, provided Subrecipient obtains prior written approval of County to use a specific type of alternative documentation.

Payroll – timecards and attendance records signed by an employee and approved in writing by a supervisor; time distribution records by Program accounting for total work time on a daily basis for all employees; records showing actual expenditures for Social Security and unemployment insurance; State and Federal quarterly tax returns; Federal W-2 forms; and Federal W-4 forms. Personnel records shall also be maintained documenting employee pay rates. Personnel records shall also contain documentation confirming that educational and practical experience requirements of an employee's position have been met. Where licensure is a requirement of an employee's position, Subrecipient's personnel file shall contain proof that employees have the required licenses/certifications.

Consultant Services – Subawards (detailing the nature and scope of services to be provided), time and attendance records, billing rates, travel vouchers (detailing purpose, time and location of travel), purchase orders and invoices for supplies and invoices or other supporting documentation detailing the nature of services provided. Subrecipient shall also maintain copies of all completed federal form 1099s, establishing that all payments to all consultants were reported in a timely fashion to federal and State taxing agencies.

Travel – prior, written approval from County's Contract Manager for travel expenses related to providing Services under this Subaward; written travel policies of Subrecipient; travel expense vouchers showing location, date and time of travel, purpose of trip, benefit(s) to the Program and rates claimed; vehicle mileage logs showing dates, destination and headquarters, purpose of trip, and beginning and ending odometer readings and the resulting mileage. Vehicle mileage logs must clearly identify business versus non-business, or personal travel. For travel related to conferences, Subrecipient shall at a minimum retain conference literature, including but not necessarily limited to, agendas and handouts detailing the purpose of the conference, as part of Subrecipient's documentation of the propriety of the travel expenditure, and its applicability to the Work performed by Subrecipient hereunder.

Reimbursement rates for mileage shall not exceed the lesser of County's rate (which County shall provide to Subrecipient annually) and State's mileage rate (which is available online at: <http://www.calhr.ca.gov/employees/Pages/travel-personal-vehicle.aspx>).

Reimbursement for actual receipts or per diem rates for meal expenses shall not exceed the maximum County's reimbursement rate for employees.

Receipts shall be required for lodging for approved out-of-town travel. Maximum reimbursable lodging amount is County's maximum reimbursement rate for employees for a single occupancy hotel accommodation. Receipts shall also be required for airfare, car rentals, ground transportation and parking.

Operating Expenses (e.g., utilities, office supplies, equipment rentals, etc.) – bona fide subawards or lease agreements, if any, and invoices and receipts detailing the cost and items purchased will constitute the primary supporting documentation. For internal control purposes, Subrecipient shall maintain vouchers, purchase orders, requisitions, stock received reports, bills of lading, etc. Subrecipient shall also maintain documentation acknowledging the receipt of the specific goods and services for the expenditure (e.g., stock received reports, packing slip signed by the receiving employee, etc.). For internal control purposes, Subrecipient may also maintain vouchers, purchase orders, requisitions, etc.

Vehicle Expenses – A vehicle mileage log must be maintained which established the extent to which company owned vehicles are used for business, versus non-business purposes. For all business-related trips, the log shall identify trip dates, the origin and destination of the trip along with beginning and ending odometer readings and the resulting mileage. For other vehicle expenses such as gasoline and maintenance, invoices/receipts must be maintained which reflect the vehicle license number, or vehicle identification number of the vehicle being serviced or fueled. The record maintenance requirements for company-owned vehicles, also applies to personal vehicles used for business purposes.

Outside Meals - receipts and/or invoices for all meals, a record of the nature and business purpose of each meal, and identification of the Client(s).

Loans from Employees/Related Parties – Loans to Subrecipient by employees and/or related parties shall be supported by a written loan agreement and records documenting that the lent funds were deposited into Subrecipient bank account. Subrecipient shall also maintain documentation showing that the loan proceeds were actually used for the Program. To the extent that the loan agreement provides for the payment of interest, the interest may not be an allowable expense under this Subaward. If the payment of interest is allowable, interest shall not be accrued at a rate which exceeds the most current available County Treasury Rate plus one percent.

3.3 Payments to Affiliated Organizations or Persons

Prior to making payments to affiliated organizations or persons (i.e., related party transactions), Subrecipient shall complete a disclosure statement

identifying the nature of the affiliated, or related organization/ persons. Subrecipient shall not make payments to affiliated organizations or persons for Program expenses (e.g., salaries, services, rent, etc.) that exceed the lesser of actual cost or the reasonable cost for such expenses. A reasonable cost shall be the price that would be paid by one party to another when the parties are dealing at arm's length (fair market price).

Organizations or persons (related parties) related to Subrecipient or its members by blood, marriage, or through a legal organization (corporation, partnership, association, etc.) will be considered affiliated for purposes of this Subaward. County shall be solely responsible for determining affiliation unless otherwise allowed and approved by the State or Federal agencies.

Payments to affiliated organizations or persons will be disallowed upon audit to the extent the payments exceed the lower of actual costs or the reasonable costs (fair market value) for such items.

3.4 Filing

All relevant supporting documentation for reported Program expenditures and revenues shall be filed in a systematic and consistent manner. It is recommended that supporting documents be filed as follows:

- Checks – Numerically
- Invoices – Vendor name and date
- Vouchers – Numerically
- Receipts – Chronologically
- Timecards – Pay period and alphabetically

3.5 Referencing

Accounting transactions posted to **Subrecipient's** books shall be appropriately cross-referenced to supporting documentation. It is recommended that expenditure transactions on Subrecipient's books be cross-referenced to the supporting documentation as follows:

- Invoices – Vender name and date
- Checks – Number
- Vouchers –Number
- Revenue – Receipt number

Supporting documentation for non-payroll expenditures (i.e., operating expenditures) should be cross-referenced to the corresponding check issued for payment. If multiple invoices are paid with one (1) check, all related invoices should be bound together and cross-referenced to the check issued for payment.

4.0 Donations and Other Sources of Revenue

Restricted donations and other sources of revenue earmarked specifically for this Subaward must be utilized on allowable Subaward expenditures. Similarly, income from investments (e.g., interest or dividends), where the source of the amount invested is County program funds, shall be deemed restricted revenue that must be utilized on allowable expenditures, or returned to County.

5.0 Audits

For routine audits and inspections, Subrecipient will make available County and any of its duly Authorized Representatives (including State authorities, Federal agencies (including, but not limited to, Comptroller of the United States, Office of the Inspector General and General Accounting Office) and/or any of their duly authorized representatives), upon request, during County's hours of operation, throughout the duration of this Subaward and for the authorized retention period outlined in Subparagraph 8.38 (Record Retention, Inspection and Audit Settlement) of this Subaward, all of its books and records, including but not limited to those which relate to its operation of each project or business activity which is funded in whole or part with governmental monies, whether or not such monies are received through County. All such books and records shall be maintained at a location within Los Angeles County.

In general, audits will normally be performed during normal business hours, Monday through Friday. However, County retains the right to inspect and conduct investigations of Subrecipient's fiscal operations and subaward compliance at any time, without prior notice to Subrecipient seven days a week, when County has information which it, in its sole discretion, deems justifies such an unannounced visit, inspection, audit or investigations.

B. INTERNAL CONTROLS

Internal controls safeguard Subrecipient's assets from misappropriations, misstatements or misuse. Subrecipient shall prepare necessary written procedures establishing internal controls for its staff. Subrecipient shall instruct all of its staff in these procedures and continuously monitor operations to ensure compliance with them.

1.0 Cash Receipts

1.1. Separate Bank Account or Cost Center

All Subaward Sums shall be maintained in a bank account. Subaward Sums shall be used exclusively for Services funded under this Subaward and shall not be commingled with any other monies of Subrecipient. If revenues from other sources are maintained in the same bank account, revenues for each source must be clearly identifiable on

the accounting records through the use of cost centers or separate bank accounts.

1.2 Deposits

When collections are received by mail, two employees should be assigned to open the mail and list all collections received on a check remittance log.

All checks shall be restrictively endorsed upon receipt. Cash received shall be recorded on pre-numbered receipts and the receipts/check remittance log shall be reconciled to the amount being deposited.

Voided receipts shall be retained and the sequences of receipts issued/voided shall be periodically accounted for.

Cash receipts (i.e., cash and checks) totaling \$500 or more shall be deposited within one (1) day of receipt. Collections of less than \$500 may be held, and shall be secured and deposited weekly or when the total reaches \$500, whichever occurs first. If Subrecipient can establish that a larger limit is warranted, Subrecipient may request authorization from County to increase the limit to an amount greater than \$500.

Duplicate deposit slips shall be retained and filed chronologically, and shall contain sufficient reference information for comparison to the Cash Receipts Journal (and individual receipts, if applicable). Subrecipient shall retain photocopies of County warrants reflected on each deposit slip, or record the individual warrant numbers onto the deposit slip.

1.3 Separation of Duties

An employee who does not handle cash shall record all cash or check receipts in Subrecipient's accounting records.

1.4 Bank Reconciliations

Bank statements should be received and reconciled by someone with no cash handling, or check writing responsibilities.

Monthly bank reconciliations should be prepared within thirty (30) days of the bank statement date and reviewed by management for appropriateness and accuracy. The bank reconciliations should be signed and dated by both the preparer and the reviewer. Reconciling items should be resolved timely.

2.0 Disbursements

2.1 General

All disbursements (other than those made for petty cash, purchases) shall

be made using Subrecipient's check, electronic funds transfer, or debit/credit card.

Blank check stock shall be secured and accounted for to preclude unauthorized use.

Checks shall not be payable to "cash" or signed in advance. Similarly, electronic debits to "cash" shall not be made. Checks written to employees for reimbursement of out-of-pocket costs must be supported by receipts and invoices.

A second signature is recommended on all checks over \$500, unless otherwise authorized by County in writing. In instances where the payee is also a signor on the check, the disbursement shall be reviewed and approved by a higher level employee, or Board member who shall also sign the check.

Voided checks shall be marked void with the signature block cut out. The voided checks must be filed with the cancelled checks.

Unclaimed or undelivered checks shall be cancelled periodically.

All supporting documentation shall be referenced to check numbers and marked "paid" or otherwise canceled to prevent duplicate payments or reuse.

Disbursements without adequate supporting documentation will be disallowed upon audit.

2.2 Approvals and Separation of Duties

Employees responsible for approving cash disbursements and/or signing checks shall examine all supporting documentation at the time the checks are approved and signed.

All disbursements, excluding petty cash purchases, shall be approved by persons independent of check preparation and bookkeeping activities.

2.3 Petty Cash

A petty cash fund up to \$500 may be maintained for payment of small incidental expenses incurred by Subrecipient (e.g., postage due, small purchases of office supply items, etc.). Subrecipient must obtain prior written approval from County's Contract Manager to establish a petty cash fund greater than \$500.

Petty cash disbursements must be supported by original invoices, store receipts or other external authenticating documents indicating the item

purchased and the employee making the purchase. In the event that outside (external) supporting documentation is not obtainable for minor disbursements (under \$10), such as parking meters, fee, etc., then some written documentation shall be maintained and approved by a supervisory employee not associated with the transaction. Petty cash disbursements should not be used as a substitute for normal purchasing and disbursement practices (i.e., payment by check).

The petty cash fund shall be maintained on an imprest basis. A check should be drawn to set up the fund and to make periodic reimbursements. Receipts, vouchers, etc., supporting each fund replenishment must be bound together, filed chronologically and cross referenced to the reimbursement check.

2.4 Credit Cards

The use of credit cards, both Subrecipient issued credit cards and an employee's personal credit card used on behalf of Subrecipient, should be limited to purchases where established purchasing and disbursement practices are not suitable.

Credit cards issued in Subrecipient's name must be adequately safeguarded and usage monitored to ensure that only authorized and necessary items are purchased.

Credit card purchases should be pre-approved by Subrecipient management to ensure that they are reasonable and necessary.

All credit card disbursements must be supported by original invoices, store receipts or other external authenticating documents indicating the item purchased the employee making the purchase, and the justification for the purchase. Credit card statements are not sufficient support for credit card purchases.

3.0 Timekeeping

3.1 Timecards

Timecards or time reports must be prepared for each pay period. Timecards or time reports must indicate total hours worked each day by program and total hours charged to each of Subrecipient's programs. Time estimates do not qualify as support for payroll expenditures and will be disallowed upon audit.

All timecards and time reports must be signed in ink by the employee and the employee's supervisor to certify the accuracy of the reported time. To the extent Subrecipient utilizes electronic timecards and time reports,

Subrecipient must ensure that both the employee and supervisor certify time reported using electronic signatures. Where electronic timecards and time reports are used, Subrecipient's reporting system must be able to electronically record the date/time the timecard was prepared/reviewed. Subrecipient's electronic time reporting system must also have sufficient controls to prevent unauthorized alteration/changes to electronic time records and reports.

3.2 Personnel and Payroll Records

Adequate security must be maintained over personnel and payroll records with access restricted to authorized individuals. Any automated personnel and payroll records which contain confidential information such as employee addresses, medical condition information, etc. should be adequately encrypted to prevent unauthorized access and use using the latest encryption standards. Subrecipient shall develop, maintain and adhere to its written personnel policies and procedures, wherein such procedures shall incorporate due process protection according to standard personnel practices.

Personnel and payroll records shall include, but are not limited to, the following:

- Employee's authorized salary rate
- Employee information sheet (e.g., employee contact information, emergency contact information, etc.)
- Resume and/or application
- Proof of qualifications for the position, if required (e.g., notarized copy or original diploma, license(s), etc.)
- Performance evaluations
- Criminal record clearance (if required)
- Citizenship status
- Benefit balances (e.g., sick time, vacation, etc.)
- Health Clearances (if required)

3.3 Benefit Balances

Employee benefit balances (e.g., sick time, vacation, personal time, etc.) should be maintained on at least a monthly basis. Benefit balances should be increased when benefit hours are earned and decreased as hours are used.

3.4 Limitations on Positions and Salaries

Subrecipient shall not pay any salaries which are higher than those authorized in this Subaward, or the Exhibits thereto, including this Exhibit Q.

When this Subaward is for **Workforce Innovation and Opportunity Act Program Services**, Subrecipient shall adhere to Public Law 109-234, as provided by the Employment Development Department (EDD) through its issuance of a directive. Subrecipient shall obtain the most current version of EDD's directive on salary and bonus limitations on-line using the following Website address:
http://www.edd.ca.gov/jobs_and_training/Active_Directives.htm

For purposes of establishing a reasonable level of compensation for Subrecipient's employees, County may refer to the applicable Child Welfare League of America (CWLA) Salary Study.

If an employee serves in the same or dual capacities under more than one subaward or program, time charged to the subawards or programs taken as a whole may not exceed 100% of the employee's actual time worked.

Salaried employees shall be paid a salary that corresponds with the employee's work schedule. For example, a ½-time salaried employee performing the same or similar work should be paid proportionately less than a full-time salaried employee.

The salary expense of salaried employees working on more than one (1) subaward or program shall be allocated to each program based on the ratio of the number of hours worked on each program during the pay period to the total number hours worked during the pay period.

Subrecipient shall not make retroactive salary adjustments for any employee without prior written approval from County's Contract Manager.

3.5 Separation of Duties

Payroll checks should be distributed by persons not involved in timekeeping, preparing of payroll transaction, or reconciling bank accounts.

All employee hires, terminations or pay rate changes shall be approved in writing by authorized persons independent of payroll responsibilities.

4.0 Bonding – All officers, employees, and subrecipients who handle cash or have access to Subrecipient's funds (e.g., prepare checks, etc.) shall be bonded pursuant to Subparagraph 8.25 (Insurance Coverage) of this Subaward.

C. COST PRINCIPLES

1.0 Policy

It is the intent of County to provide funds to Subrecipient for the purpose of providing Services required by this Subaward. Subrecipient shall use these Subaward Sums on actual expenses in an economical and efficient manner and shall ensure that these expenditures are reasonable, proper, and necessary costs of providing Services and are allowable in accordance with the following Administrative requirements, procurement standards, and cost principles (Administrative Requirements):

- Area Agency on Aging (AAA) Programs:
 - Title 2 Code of Federal Regulations Part 200 et seq. and
 - Title 45 Code of Federal Regulations Part 75 et seq.
- Workforce Innovation and Opportunity Act (WIOA) Programs:
 - Title 2 Code of Federal Regulations Part 200 et seq. and
 - Title 2 Code of Federal Regulations Part 2900 et seq.
- All Other Programs:
 - Title 2 Code of Federal Regulations Part 200 et seq.

1.1 Subrecipient is responsible for obtaining the Administrative Requirements noted above, which are available on-line as follows:

- Title 2 Code of Federal Regulations Part 200 et seq.
(http://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl.)
- Title 45 Code of Federal Regulations Part 75 et seq.

<https://www.ecfr.gov/cgi-bin/searchECFR?idno=2&q1=2900&rgn1=PARTNBR&op2=and&q2=&rgn2=Part>

1.2 Limitations on Expenditures of Subaward Sums

Subrecipient shall comply with this Subaward and Administrative Requirements. The Administrative Requirements define direct and indirect costs, discuss allowable cost allocation procedures and the development of Indirect Cost Rates, and specifically address the allowability of a variety of different costs.

If Subrecipient is unsure of the allowability of any particular type of cost or individual cost, Subrecipient should request advance written approval from County's Program Manager prior to incurring the cost. Any conflict or inconsistency between or among the requirements outlined within this Subaward, Exhibit A (Statement of Work), this Exhibit Q, and Administrative Requirements shall be resolved by giving precedence as follows:

- Administrative Requirements
- Subaward
- Exhibit A (Statement of Work)
- Exhibit Q (Accounting, Administration and Reporting Requirements)

1.3 Expenses Incurred Outside the Subaward Period

Expenses charged against Subaward Sums may not be incurred prior to the effective date of this Subaward, or subsequent to this Subaward's expiration or termination date. Similarly, current period expenses related to events or activities that occurred prior to the effective date of the Subaward may not be allowable. For example, legal costs incurred while prosecuting or defending a lawsuit stemming from events which occurred during a period not covered by a valid Subaward between Subrecipient and County are not allowable. Expenses charged against Subaward Sums during any Fiscal Year period may not be incurred outside of that Fiscal Year period.

1.4 Budget Limitation

Expenses may not exceed the maximum limits shown on the Budget(s).

1.5 Unspent Funds

Subrecipient shall return any unspent Subaward Sums to County unless otherwise permitted by this Subaward. In addition, County will determine the disposition of unspent Subaward Sums upon expiration or termination of this Subaward and at the end of each Fiscal Year period.

1.6 Necessary, Proper and Reasonable

Only those expenditures that are necessary, proper and reasonable to carry out the purposes and activities of the Program are allowable. These expenditures must clearly evidence a benefit(s) to the Program.

2.0 Allocable Expenses

When Subrecipient provides services in addition to the Services required under this Subaward, Subrecipient shall allocate expenditures that benefit

programs or funding sources on an equitable basis.

In accordance with Administrative Requirements, Subrecipient shall define its allocable expenses as either direct or indirect costs (as defined in Subsections C.2.1 (Direct Costs) and C.2.2 (Indirect Costs) below) and shall allocate each cost using the basis that is most appropriate and feasible.

Subrecipient shall maintain documentation of allocated expenses (e.g., timecards, time summaries, square footage measurements, number of employees, etc.).

Under no circumstances shall allocated expenses be charged to an extent greater than 100% of actual expenses or the same expense be charged both directly and indirectly.

2.1 Direct Costs

Unless otherwise set forth in this Subaward, or required by the funding source(s), direct costs are defined as those costs that can be identified specifically with a particular final cost objective (i.e., a particular program, service, or other direct activity of Subrecipient's organization). Examples of direct costs include salaries and benefits of employees working on the Program, supplies and other items purchased specifically for the Program, costs related to space used by employees working on the Program, etc.

For all employees, other than those employed in general or administrative positions, the hours spent on each program (activity) should be recorded on the employees' timecards and the payroll expenses should be treated as direct charges and distributed on the basis of recorded hours spent on each program.

Joint costs (i.e., costs that benefit more than one (1) program or activity) which can be distributed in reasonable proportion to the benefits received may also be direct costs.

Examples of bases for allocating joint costs as direct costs:

- Number of direct hours spent on each program
- Number of employees working in each program
- Square footage occupied by each program
- Other relevant and equitable methods of allocation

2.2 Indirect Costs

Indirect costs are those costs that have been incurred for common or joint purposes and cannot be readily identified with a particular final cost objective. Examples of indirect costs include salaries, employee benefits,

supplies, and other costs related to general administration of Subrecipient's organization, and the salaries and expenses of executive officers, personnel administration, and accounting staff.

Examples of bases for allocating indirect costs:

- Total direct salaries and wages
- Total direct costs (excluding capital expenditures and other distorting items such as significant one-time expenses, or Lower Tier Subrecipient payments)

2.3 Acceptable Indirect Cost Allocation Methods

Administrative Requirements describe the following allowable methods for allocating indirect costs:

- Simplified allocation method
- Direct allocation method
- Multiple allocation base method
- Negotiated indirect cost rate

Simplified Allocation Method

This method can be used when Subrecipient's major functions benefit from its indirect costs to approximately the same degree. Using this method, all allocable costs are considered indirect costs and an indirect cost rate is determined by dividing total allowable indirect costs by an equitable distribution base.

Example

Agency-wide indirect costs	\$250,000
Less: Capital Expenditures	<u>10,000</u>
Allocable indirect costs	240,000
Total Agency-wide indirect salaries	\$1,000,000
Indirect cost rate (\$240,000/\$1,000,000)	24%
Program direct salaries	\$100,000
Program indirect costs (24% x \$100,000)	<u>\$24,000</u>

Direct Allocation Method

This method can also be used when Subrecipient's major functions benefit from its indirect costs to approximately the same degree. Using this method, all costs except general administration and general expenses are

treated as direct costs. Joint costs for rentals, facilities maintenance, telephone, and other similar expenses are prorated individually to each direct activity on a basis appropriate for that type of cost.

The remaining costs, which consist exclusively of general administration and general expenses are then allocated using the simplified allocation method previously discussed.

Multiple Base Allocation Method

This method can be used when Subrecipient's major functions benefit from its indirect costs in varying degrees. Using this method, indirect costs are grouped to permit allocation of each grouping on the basis of the benefits provided to the major functions. Each grouping is then allocated individually using the basis most appropriate for the grouping being allocated.

Negotiated Indirect Cost Rates

Subrecipient has the option of negotiating an indirect cost rate or rates for use on all its Federal programs. Subrecipient must submit a Cost Allocation Plan to the Federal agency providing the majority of funds to Subrecipient's organization. The approved indirect cost rate is then applied to the total approved direct cost base.

When Subrecipient has an approved indirect cost rate accepted by all Federal awarding agencies, Subrecipient shall submit a copy of the approval letter to County's Compliance Manager upon request.

D. UNALLOWABLE COSTS

The allowability of a variety of different costs are addressed in the following:

- AAA Program: Title 2 Code of Federal Regulations Part 200.421 et seq. and Title 45 Code of Federal Regulations Part 75.421 et seq.
- WIOA and all Other Programs: Title 2 Code of Federal Regulations Part 200.421 et seq.

For all costs, there are certain restrictions and limitations; however, the following costs are not allowable under any circumstances:

- Bad debts
- Contingency provisions (exceptions may include self-insurance, pension funds and reserves for normal severance pay)
- Contributions and donations rendered
- Fines and penalties (e.g., including but not limited to NSF Check Fees, Traffic Citation Fees)

- Lobbying and fundraising activities
- Interest expense (unless expressly allowed by Federal guidelines)
- Losses on other awards
- Capital expenditures
- Advertising and public relations
- Entertainment/alcoholic beverages

Additionally, Subrecipient shall not use Subaward Sums to repay disallowed costs.

E. REPORTING FRAUD, ABUSE, MISCONDUCT OR NON-COMPLIANCE

1.0 Subrecipient shall report suspected fraud (including welfare fraud), abuse, waste, or misuse of public monies, and misconduct of County personnel to the Los Angeles County Fraud Hotline. Subrecipient shall also report suspected fraud, abuse, waste, or misuse of public monies, and misconduct committed by its employees, volunteers, and any Lower Tier Subrecipients when that fraud affects its Subaward with County. Reportable conditions of fraud include, but are not limited to:

- Requests for bribes/kickbacks/gratuities by County personnel
- Favoritism/nepotism in the awarding of County contracts, selection of vendors or hiring of Subrecipient's employees
- Theft or misuse of any funds, resources or equipment
- Falsification of records
- Violation of conflict of interest requirements; etc.

2.0 Failure to report the types of fraud/misconduct discussed above may be grounds for termination of this Subaward as solely determined by County.

3.0 Reports can be made anonymously to the Los Angeles County Department of Auditor-Controller, Office of County Investigations as follows:

Website: www.lacountyfraud.org
 E-Mail Address: Hotline@auditor.lacounty.gov

4.0 User Complaint Report

4.1 County's staff shall complete the User Complaint Report (UCR) to report Subrecipient's non-compliance with the requirements of this Subaward. Areas of Subrecipient's non-compliance include, but are not limited to, the following:

- Subrecipient's Project Manager or other staff not responding to messages/requests from County staff.
- Subrecipient's Project Manager or other staff does not attend trainings/meetings required by County.
- Subrecipient staff changes without prior notification to County.
- Illegal or inappropriate behavior by Subrecipient's staff.
- Subrecipient not submitting reports/documents or maintaining records as required.
- Subrecipient not complying with the quality assurance requirements as specified in this Subaward.

4.2 County's Compliance Manager shall maintain the UCR, and it will be used to evaluate Subrecipient's performance of the requirements of this Subaward in addition to being used as the basis for placing Subrecipient on probation, suspending payment, suspending this Subaward, terminating this Subaward or any other remedies that are available in this Subaward. The UCR may also be used during County's solicitation process to evaluate Subrecipient's past performance on this Subaward in addition to being used when Subrecipient requests a reference from County for purposes of applying for other grants.

EXHIBIT Q (ACCOUNTING, ADMINISTRATION AND REPORTING REQUIREMENTS)

The purpose of this Exhibit Q is to establish required accounting, financial reporting, and internal control standards for Subrecipient.

The accounting, financial reporting and internal control standards described in this Exhibit Q are minimums. These standards are not intended to be all inclusive or replace acceptable existing procedures or preclude the use of more sophisticated methods. Instead, this Exhibit Q represents the minimum required procedures and controls that must be incorporated into Subrecipient's accounting and financial reporting systems. Subrecipient certifies that throughout the entirety of this Subaward, it shall maintain the required level of staffing as outlined in this Subaward. Therefore, the internal control standards described herein are those that apply to Subrecipient's organization and Subrecipient shall comply with the intent of these standards and implement internal control systems in its performance of the Work hereunder. Subrecipient's subcontractors must also follow these standards unless otherwise stated in this Subaward.

A. ACCOUNTING AND FINANCIAL REPORTING

1.0 Basis of Accounting

Subrecipient shall maintain written financial and accounting procedures which incorporate Generally Accepted Accounting Principles and Subrecipient shall adhere to the requirements set forth therein. Subrecipient may elect to use either the accrual basis or cash basis of accounting during the Fiscal Year for recording financial transactions. Monthly invoices must be prepared on the same basis that is used for recording financial transactions. All financial reports required by County shall be prepared by Subrecipient using accrual information and shall be submitted as directed by County.

1.1 County recommends the use of the accrual basis for recording financial transactions.

Accrual Basis

Under the accrual basis for recording financial transactions, revenues are recorded in the accounting period in which they are earned (rather than when cash is received). Expenditures are recorded in the accounting period in which they are incurred (rather than when cash is disbursed).

Accruals

Accruals shall be recorded observing the following:

- Recorded accruals must be reversed in the subsequent accounting period.

1.2 If Subrecipient elects to use the cash basis for recording financial transactions during the Fiscal Year:

- Necessary adjustments must be made to record the accruals at the beginning and the end of the Fiscal Year.
- All computations, supporting records, and explanatory notes used in converting from the cash basis to the accrual basis must be retained.

1.3 Prepaid Expenses

Prepaid expenses (e.g., insurance, service agreements, lease agreements, etc.) should only be expensed during a given Subaward Fiscal Year to the extent goods and Services are received or are applicable to that Fiscal Year.

2.0 Accounting System

Subrecipient shall maintain a double entry accounting system (utilizing debits and credits) with a General Journal, a Cash Receipts Journal, a General Ledger, and a Cash Disbursements Journal. Subrecipient shall also maintain a Payroll Register. Postings to the General Ledger and Journals shall be made at least on a monthly basis. Subrecipient shall maintain a separate Cost Center(s), which clearly identifies funds received and expended on Services provided.

2.1 General Journal

A General Journal shall be maintained for recording adjusting entries, reversing entries, closing entries, and other financial transactions not normally recorded in the Cash Receipts Journal or Cash Disbursements Journal. Entries in the General Journal must be adequately documented, and entered in chronological order with sufficient explanatory notations.

- Date
- Receipt Number
- Cash Debit columns
- Income Credit columns for the following accounts:
 - County payments (one per funding source)
 - Contributions
 - Other Income (grants, sales of supplies/services, rental income, miscellaneous revenue, fees, etc.)
- Description (entries in the description column must specify the source of cash receipts)

2.3 Cash Disbursements Journal

A Cash Disbursements Journal shall be maintained for recording all cash disbursements (e.g., rent, utilities, maintenance, etc.)

The Cash Disbursements Journal shall contain the following column headings (minimum requirements):

- Date
- Check Number
- Cash (Credit) column
- Expense Account name
- Description

Note (1) Separate cost columns are required for salary expense and other recurring cost classifications for each Program.

Note (2) Entries in the description column must specify the nature of the cost and the corresponding cost classification if not included in the column heading.

Note (3) Checks should not be written to employees (other than payroll, mileage, travel, and petty cash custodian checks).

A Check Register may be substituted for the Cash Disbursements Journal, but this is not recommended. If used, the Check Register must contain the same cost classifications and description information required when a Cash Disbursements Journal is used.

Disbursements without supporting documentation will be disallowed upon audit. Cancelled checks and credit card statements (VISA, AMEX, department store, etc.) will not constitute acceptable support. See Subsections A.3.2 (Supporting Documentation) and B.2.4 (Credit Cards) for additional guidance on expense documentation requirements.

2.4 General Ledger

A General Ledger shall be maintained with accounts for all assets, liabilities, fund balances, expenditures, and revenues. Separate accounts must be maintained for the expenses and revenues of each of Subrecipient's programs (both County and non-County programs).

2.5 Chart of Accounts

A Chart of Accounts shall be maintained:

- County recommends that Subrecipient use the expense account titles on the monthly invoice submitted to County.
- If Subrecipient uses account titles which differ from the account titles on the monthly invoice, each account title must clearly identify the nature of the transaction(s) posted to the account.
- Subrecipient must consistently post transactions that are of a similar nature to the same account. For example, all expenses for travel shall be posted to the account titled "travel" or "travel expense" and not intermixed with other expense accounts.

2.6 Payroll Register

County recommends that a Payroll Register be maintained for recording all payroll transactions. The Register should contain the following:

- Name
- Position
- Social Security Number (at a minimum last four digits of the SSN)
- Salary (hourly wage)
- Payment Record including:
 - Accrual Period
 - Gross Pay
 - Itemized Payroll Deductions
 - Net Pay Amount
 - Check Number

If a Payroll Register is not used, the information discussed above must be recorded in the Cash Disbursements Journal.

Subrecipient will ensure compliance with all applicable Federal and State requirements for withholding payroll taxes (e.g., FIT, FICA, FUTA, SIT, SIU, etc.), reporting, filing (e.g., 941, DE-7, W-2, W-4 and 1099s), and all applicable tax deposits.

Subrecipient will ensure compliance with Internal Revenue Service guidelines in properly classifying employees and independent contractors.

2.7 Subrecipient Invoices

Subrecipient shall present an invoice to County each calendar month to report the prior month's financial activity of the Program. In addition, if advanced funding is involved, an invoice shall be presented at the beginning of the Fiscal Year. An invoice shall be provided to County as required in this Subaward. At the discretion of County, Subrecipient will be required to submit all invoices and supporting documentation through County's Contract Management System - Contractor's Gateway or any other electronic System to be determined by County.

3.0 Records

Adequate care shall be exercised to safeguard the accounting records and supporting documentation. Any destruction or theft of Subrecipient's accounting records or supporting documentation shall be immediately reported to County pursuant to the requirements outlined in Exhibit S (Purchase, Inventory and Disposal Requirements for Fixed and Non-Fixed Assets and Supplies), Section III.C (Loss, Destruction or Theft of Assets). Subrecipient shall report, to the local law enforcement agency having jurisdiction, any act(s), which may reasonably be thought to constitute a crime, and/or which appear to have resulted in the destruction, damage or alteration of any record subject to the provisions of this Exhibit Q. Subrecipient shall prepare a report and submit it to the local law enforcement agency within twenty-four hours after becoming aware of the acts which have resulted in the destruction, damage, or alteration of the record.

A copy of the resulting crime/incident report must be retained by Subrecipient for a period of time under which the underlying records were destroyed, or damaged were required to be retained plus an additional four (4) years, and shall be retained for a longer period in the case of unresolved litigation or audit.

To the extent that automated accounting records contain confidential information including but not limited to the names and addresses of individuals, Social Security Numbers, etc., the computer files containing this information must be adequately encrypted using the most current

encryption standards to prevent unauthorized access and use. If the allowability of expenditures cannot be determined because Subrecipient's records or documentation are non-existent or inadequate according to Generally Accepted Accounting Principles set forth in Title 2 Code of Federal Regulations Part 200.302 (for Workforce Innovation and Opportunities Programs and all Other Programs) or Title 2 Code of Federal Regulations Part 200.302 and Title 45 Code of Federal Regulations Part 75.302 (for Area Agency on Aging Programs), the expenditures will be questioned during an audit/monitoring review and may be disallowed at the sole discretion of County or its Authorized Representative.

3.1 Retention

All accounting records (e.g., journals, ledgers, etc.), financial records and supporting documentation (e.g., invoices, receipts, checks, etc.) must be retained pursuant to the authorized retention period outlined in Subparagraph 8.38 (Record Retention, Inspection and Audit Settlement) of this Subaward.

3.2 Supporting Documentation

All revenues and expenditures shall be supported by original vouchers, invoices, receipts, or other documentation and shall be maintained in the manner described herein.

Invoices, receipts, canceled checks, and other documentation, including electronic documentation clearly establishing the nature of the expenditure and its relevance to for the Program shall be required to support an outlay of Subaward Sums. Unsupported disbursements will be disallowed upon audit. Subrecipient will be required to repay County for all dollar for dollar disallowed costs. **Photocopied (including scanned images) of invoices or receipts, any internally generated documents (e.g., vouchers, request for check forms, requisitions, canceled checks, etc.), and account statements do not constitute supporting documentation for purchases. To the extent that the source for electronic documentation is an original hardcopy document (e.g., PDF scans of original vendor invoices) Subrecipient shall retain the original source document for inspection by County. County at its sole discretion may accept photocopies of supporting documentation in preference to the original documents.**

Supporting documentation is required for various types of expenditures. Subrecipients shall provide acceptable supporting documentation for all expenditures, and, with regard to the following categories of expenditures, acceptable supporting documentation shall consist solely of the documentation listed for each expenditure type. Another form of documentation may be used, in lieu of the listed types of acceptable

supporting documentation, provided Subrecipient obtains prior written approval of County to use a specific type of alternative documentation.

Payroll – timecards and attendance records signed by an employee and approved in writing by a supervisor; time distribution records by Program accounting for total work time on a daily basis for all employees; records showing actual expenditures for Social Security and unemployment insurance; State and Federal quarterly tax returns; Federal W-2 forms; and Federal W-4 forms. Personnel records shall also be maintained documenting employee pay rates. Personnel records shall also contain documentation confirming that educational and practical experience requirements of an employee's position have been met. Where licensure is a requirement of an employee's position, Subrecipient's personnel file shall contain proof that employees have the required licenses/certifications.

Consultant Services – Subawards (detailing the nature and scope of services to be provided), time and attendance records, billing rates, travel vouchers (detailing purpose, time and location of travel), purchase orders and invoices for supplies and invoices or other supporting documentation detailing the nature of services provided. Subrecipient shall also maintain copies of all completed federal form 1099s, establishing that all payments to all consultants were reported in a timely fashion to federal and State taxing agencies.

Travel – prior, written approval from County's Contract Manager for travel expenses related to providing Services under this Subaward; written travel policies of Subrecipient; travel expense vouchers showing location, date and time of travel, purpose of trip, benefit(s) to the Program and rates claimed; vehicle mileage logs showing dates, destination and headquarters, purpose of trip, and beginning and ending odometer readings and the resulting mileage. Vehicle mileage logs must clearly identify business versus non-business, or personal travel. For travel related to conferences, Subrecipient shall at a minimum retain conference literature, including but not necessarily limited to, agendas and handouts detailing the purpose of the conference, as part of Subrecipient's documentation of the propriety of the travel expenditure, and its applicability to the Work performed by Subrecipient hereunder.

Reimbursement rates for mileage shall not exceed the lesser of County's rate (which County shall provide to Subrecipient annually) and State's mileage rate (which is available online at: <http://www.calhr.ca.gov/employees/Pages/travel-personal-vehicle.aspx>).

Reimbursement for actual receipts or per diem rates for meal expenses shall not exceed the maximum County's reimbursement rate for employees.

Receipts shall be required for lodging for approved out-of-town travel. Maximum reimbursable lodging amount is County's maximum reimbursement rate for employees for a single occupancy hotel accommodation. Receipts shall also be required for airfare, car rentals, ground transportation and parking.

Operating Expenses (e.g., utilities, office supplies, equipment rentals, etc.) – bona fide subawards or lease agreements, if any, and invoices and receipts detailing the cost and items purchased will constitute the primary supporting documentation. For internal control purposes, Subrecipient shall maintain vouchers, purchase orders, requisitions, stock received reports, bills of lading, etc. Subrecipient shall also maintain documentation acknowledging the receipt of the specific goods and services for the expenditure (e.g., stock received reports, packing slip signed by the receiving employee, etc.). For internal control purposes, Subrecipient may also maintain vouchers, purchase orders, requisitions, etc.

Vehicle Expenses – A vehicle mileage log must be maintained which established the extent to which company owned vehicles are used for business, versus non-business purposes. For all business-related trips, the log shall identify trip dates, the origin and destination of the trip along with beginning and ending odometer readings and the resulting mileage. For other vehicle expenses such as gasoline and maintenance, invoices/receipts must be maintained which reflect the vehicle license number, or vehicle identification number of the vehicle being serviced or fueled. The record maintenance requirements for company-owned vehicles, also applies to personal vehicles used for business purposes.

Outside Meals - receipts and/or invoices for all meals, a record of the nature and business purpose of each meal, and identification of the Client(s).

Loans from Employees/Related Parties – Loans to Subrecipient by employees and/or related parties shall be supported by a written loan agreement and records documenting that the lent funds were deposited into Subrecipient bank account. Subrecipient shall also maintain documentation showing that the loan proceeds were actually used for the Program. To the extent that the loan agreement provides for the payment of interest, the interest may not be an allowable expense under this Subaward. If the payment of interest is allowable, interest shall not be accrued at a rate which exceeds the most current available County Treasury Rate plus one percent.

3.3 Payments to Affiliated Organizations or Persons

Prior to making payments to affiliated organizations or persons (i.e., related party transactions), Subrecipient shall complete a disclosure statement

identifying the nature of the affiliated, or related organization/ persons. Subrecipient shall not make payments to affiliated organizations or persons for Program expenses (e.g., salaries, services, rent, etc.) that exceed the lesser of actual cost or the reasonable cost for such expenses. A reasonable cost shall be the price that would be paid by one party to another when the parties are dealing at arm's length (fair market price).

Organizations or persons (related parties) related to Subrecipient or its members by blood, marriage, or through a legal organization (corporation, partnership, association, etc.) will be considered affiliated for purposes of this Subaward. County shall be solely responsible for determining affiliation unless otherwise allowed and approved by the State or Federal agencies.

Payments to affiliated organizations or persons will be disallowed upon audit to the extent the payments exceed the lower of actual costs or the reasonable costs (fair market value) for such items.

3.4 Filing

All relevant supporting documentation for reported Program expenditures and revenues shall be filed in a systematic and consistent manner. It is recommended that supporting documents be filed as follows:

- Checks – Numerically
- Invoices – Vendor name and date
- Vouchers – Numerically
- Receipts – Chronologically
- Timecards – Pay period and alphabetically

3.5 Referencing

Accounting transactions posted to **Subrecipient's** books shall be appropriately cross-referenced to supporting documentation. It is recommended that expenditure transactions on Subrecipient's books be cross-referenced to the supporting documentation as follows:

- Invoices – Vender name and date
- Checks – Number
- Vouchers –Number
- Revenue – Receipt number

Supporting documentation for non-payroll expenditures (i.e., operating expenditures) should be cross-referenced to the corresponding check issued for payment. If multiple invoices are paid with one (1) check, all related invoices should be bound together and cross-referenced to the check issued for payment.

4.0 Donations and Other Sources of Revenue

Restricted donations and other sources of revenue earmarked specifically for this Subaward must be utilized on allowable Subaward expenditures. Similarly, income from investments (e.g., interest or dividends), where the source of the amount invested is County program funds, shall be deemed restricted revenue that must be utilized on allowable expenditures, or returned to County.

5.0 Audits

For routine audits and inspections, Subrecipient will make available County and any of its duly Authorized Representatives (including State authorities, Federal agencies (including, but not limited to, Comptroller of the United States, Office of the Inspector General and General Accounting Office) and/or any of their duly authorized representatives), upon request, during County's hours of operation, throughout the duration of this Subaward and for the authorized retention period outlined in Subparagraph 8.38 (Record Retention, Inspection and Audit Settlement) of this Subaward, all of its books and records, including but not limited to those which relate to its operation of each project or business activity which is funded in whole or part with governmental monies, whether or not such monies are received through County. All such books and records shall be maintained at a location within Los Angeles County.

In general, audits will normally be performed during normal business hours, Monday through Friday. However, County retains the right to inspect and conduct investigations of Subrecipient's fiscal operations and subaward compliance at any time, without prior notice to Subrecipient seven days a week, when County has information which it, in its sole discretion, deems justifies such an unannounced visit, inspection, audit or investigations.

B. INTERNAL CONTROLS

Internal controls safeguard Subrecipient's assets from misappropriations, misstatements or misuse. Subrecipient shall prepare necessary written procedures establishing internal controls for its staff. Subrecipient shall instruct all of its staff in these procedures and continuously monitor operations to ensure compliance with them.

1.0 Cash Receipts

1.1. Separate Bank Account or Cost Center

All Subaward Sums shall be maintained in a bank account. Subaward Sums shall be used exclusively for Services funded under this Subaward and shall not be commingled with any other monies of Subrecipient. If revenues from other sources are maintained in the same bank account, revenues for each source must be clearly identifiable on

the accounting records through the use of cost centers or separate bank accounts.

1.2 Deposits

When collections are received by mail, two employees should be assigned to open the mail and list all collections received on a check remittance log.

All checks shall be restrictively endorsed upon receipt. Cash received shall be recorded on pre-numbered receipts and the receipts/check remittance log shall be reconciled to the amount being deposited.

Voided receipts shall be retained and the sequences of receipts issued/voided shall be periodically accounted for.

Cash receipts (i.e., cash and checks) totaling \$500 or more shall be deposited within one (1) day of receipt. Collections of less than \$500 may be held, and shall be secured and deposited weekly or when the total reaches \$500, whichever occurs first. If Subrecipient can establish that a larger limit is warranted, Subrecipient may request authorization from County to increase the limit to an amount greater than \$500.

Duplicate deposit slips shall be retained and filed chronologically, and shall contain sufficient reference information for comparison to the Cash Receipts Journal (and individual receipts, if applicable). Subrecipient shall retain photocopies of County warrants reflected on each deposit slip, or record the individual warrant numbers onto the deposit slip.

1.3 Separation of Duties

An employee who does not handle cash shall record all cash or check receipts in Subrecipient's accounting records.

1.4 Bank Reconciliations

Bank statements should be received and reconciled by someone with no cash handling, or check writing responsibilities.

Monthly bank reconciliations should be prepared within thirty (30) days of the bank statement date and reviewed by management for appropriateness and accuracy. The bank reconciliations should be signed and dated by both the preparer and the reviewer. Reconciling items should be resolved timely.

2.0 Disbursements

2.1 General

All disbursements (other than those made for petty cash, purchases) shall

be made using Subrecipient's check, electronic funds transfer, or debit/credit card.

Blank check stock shall be secured and accounted for to preclude unauthorized use.

Checks shall not be payable to "cash" or signed in advance. Similarly, electronic debits to "cash" shall not be made. Checks written to employees for reimbursement of out-of-pocket costs must be supported by receipts and invoices.

A second signature is recommended on all checks over \$500, unless otherwise authorized by County in writing. In instances where the payee is also a signor on the check, the disbursement shall be reviewed and approved by a higher level employee, or Board member who shall also sign the check.

Voided checks shall be marked void with the signature block cut out. The voided checks must be filed with the cancelled checks.

Unclaimed or undelivered checks shall be cancelled periodically.

All supporting documentation shall be referenced to check numbers and marked "paid" or otherwise canceled to prevent duplicate payments or reuse.

Disbursements without adequate supporting documentation will be disallowed upon audit.

2.2 Approvals and Separation of Duties

Employees responsible for approving cash disbursements and/or signing checks shall examine all supporting documentation at the time the checks are approved and signed.

All disbursements, excluding petty cash purchases, shall be approved by persons independent of check preparation and bookkeeping activities.

2.3 Petty Cash

A petty cash fund up to \$500 may be maintained for payment of small incidental expenses incurred by Subrecipient (e.g., postage due, small purchases of office supply items, etc.). Subrecipient must obtain prior written approval from County's Contract Manager to establish a petty cash fund greater than \$500.

Petty cash disbursements must be supported by original invoices, store receipts or other external authenticating documents indicating the item

purchased and the employee making the purchase. In the event that outside (external) supporting documentation is not obtainable for minor disbursements (under \$10), such as parking meters, fee, etc., then some written documentation shall be maintained and approved by a supervisory employee not associated with the transaction. Petty cash disbursements should not be used as a substitute for normal purchasing and disbursement practices (i.e., payment by check).

The petty cash fund shall be maintained on an imprest basis. A check should be drawn to set up the fund and to make periodic reimbursements. Receipts, vouchers, etc., supporting each fund replenishment must be bound together, filed chronologically and cross referenced to the reimbursement check.

2.4 Credit Cards

The use of credit cards, both Subrecipient issued credit cards and an employee's personal credit card used on behalf of Subrecipient, should be limited to purchases where established purchasing and disbursement practices are not suitable.

Credit cards issued in Subrecipient's name must be adequately safeguarded and usage monitored to ensure that only authorized and necessary items are purchased.

Credit card purchases should be pre-approved by Subrecipient management to ensure that they are reasonable and necessary.

All credit card disbursements must be supported by original invoices, store receipts or other external authenticating documents indicating the item purchased the employee making the purchase, and the justification for the purchase. Credit card statements are not sufficient support for credit card purchases.

3.0 Timekeeping

3.1 Timecards

Timecards or time reports must be prepared for each pay period. Timecards or time reports must indicate total hours worked each day by program and total hours charged to each of Subrecipient's programs. Time estimates do not qualify as support for payroll expenditures and will be disallowed upon audit.

All timecards and time reports must be signed in ink by the employee and the employee's supervisor to certify the accuracy of the reported time. To the extent Subrecipient utilizes electronic timecards and time reports,

Subrecipient must ensure that both the employee and supervisor certify time reported using electronic signatures. Where electronic timecards and time reports are used, Subrecipient's reporting system must be able to electronically record the date/time the timecard was prepared/reviewed. Subrecipient's electronic time reporting system must also have sufficient controls to prevent unauthorized alteration/changes to electronic time records and reports.

3.2 Personnel and Payroll Records

Adequate security must be maintained over personnel and payroll records with access restricted to authorized individuals. Any automated personnel and payroll records which contain confidential information such as employee addresses, medical condition information, etc. should be adequately encrypted to prevent unauthorized access and use using the latest encryption standards. Subrecipient shall develop, maintain and adhere to its written personnel policies and procedures, wherein such procedures shall incorporate due process protection according to standard personnel practices.

Personnel and payroll records shall include, but are not limited to, the following:

- Employee's authorized salary rate
- Employee information sheet (e.g., employee contact information, emergency contact information, etc.)
- Resume and/or application
- Proof of qualifications for the position, if required (e.g., notarized copy or original diploma, license(s), etc.)
- Performance evaluations
- Criminal record clearance (if required)
- Citizenship status
- Benefit balances (e.g., sick time, vacation, etc.)
- Health Clearances (if required)

3.3 Benefit Balances

Employee benefit balances (e.g., sick time, vacation, personal time, etc.) should be maintained on at least a monthly basis. Benefit balances should be increased when benefit hours are earned and decreased as hours are used.

3.4 Limitations on Positions and Salaries

Subrecipient shall not pay any salaries which are higher than those authorized in this Subaward, or the Exhibits thereto, including this Exhibit Q.

When this Subaward is for **Workforce Innovation and Opportunity Act Program Services**, Subrecipient shall adhere to Public Law 109-234, as provided by the Employment Development Department (EDD) through its issuance of a directive. Subrecipient shall obtain the most current version of EDD's directive on salary and bonus limitations on-line using the following Website address:
http://www.edd.ca.gov/jobs_and_training/Active_Directives.htm

For purposes of establishing a reasonable level of compensation for Subrecipient's employees, County may refer to the applicable Child Welfare League of America (CWLA) Salary Study.

If an employee serves in the same or dual capacities under more than one subaward or program, time charged to the subawards or programs taken as a whole may not exceed 100% of the employee's actual time worked.

Salaried employees shall be paid a salary that corresponds with the employee's work schedule. For example, a ½-time salaried employee performing the same or similar work should be paid proportionately less than a full-time salaried employee.

The salary expense of salaried employees working on more than one (1) subaward or program shall be allocated to each program based on the ratio of the number of hours worked on each program during the pay period to the total number hours worked during the pay period.

Subrecipient shall not make retroactive salary adjustments for any employee without prior written approval from County's Contract Manager.

3.5 Separation of Duties

Payroll checks should be distributed by persons not involved in timekeeping, preparing of payroll transaction, or reconciling bank accounts.

All employee hires, terminations or pay rate changes shall be approved in writing by authorized persons independent of payroll responsibilities.

4.0 Bonding – All officers, employees, and subrecipients who handle cash or have access to Subrecipient's funds (e.g., prepare checks, etc.) shall be bonded pursuant to Subparagraph 8.25 (Insurance Coverage) of this Subaward.

C. COST PRINCIPLES

1.0 Policy

It is the intent of County to provide funds to Subrecipient for the purpose of providing Services required by this Subaward. Subrecipient shall use these Subaward Sums on actual expenses in an economical and efficient manner and shall ensure that these expenditures are reasonable, proper, and necessary costs of providing Services and are allowable in accordance with the following Administrative requirements, procurement standards, and cost principles (Administrative Requirements):

- Area Agency on Aging (AAA) Programs:
 - Title 2 Code of Federal Regulations Part 200 et seq. and
 - Title 45 Code of Federal Regulations Part 75 et seq.
- Workforce Innovation and Opportunity Act (WIOA) Programs:
 - Title 2 Code of Federal Regulations Part 200 et seq. and
 - Title 2 Code of Federal Regulations Part 2900 et seq.
- All Other Programs:
 - Title 2 Code of Federal Regulations Part 200 et seq.

1.1 Subrecipient is responsible for obtaining the Administrative Requirements noted above, which are available on-line as follows:

- Title 2 Code of Federal Regulations Part 200 et seq.
(http://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl.)
- Title 45 Code of Federal Regulations Part 75 et seq.

<https://www.ecfr.gov/cgi-bin/searchECFR?idno=2&q1=2900&rgn1=PARTNBR&op2=and&q2=&rgn2=Part>

1.2 Limitations on Expenditures of Subaward Sums

Subrecipient shall comply with this Subaward and Administrative Requirements. The Administrative Requirements define direct and indirect costs, discuss allowable cost allocation procedures and the development of Indirect Cost Rates, and specifically address the allowability of a variety of different costs.

If Subrecipient is unsure of the allowability of any particular type of cost or individual cost, Subrecipient should request advance written approval from County's Program Manager prior to incurring the cost. Any conflict or inconsistency between or among the requirements outlined within this Subaward, Exhibit A (Statement of Work), this Exhibit Q, and Administrative Requirements shall be resolved by giving precedence as follows:

- Administrative Requirements
- Subaward
- Exhibit A (Statement of Work)
- Exhibit Q (Accounting, Administration and Reporting Requirements)

1.3 Expenses Incurred Outside the Subaward Period

Expenses charged against Subaward Sums may not be incurred prior to the effective date of this Subaward, or subsequent to this Subaward's expiration or termination date. Similarly, current period expenses related to events or activities that occurred prior to the effective date of the Subaward may not be allowable. For example, legal costs incurred while prosecuting or defending a lawsuit stemming from events which occurred during a period not covered by a valid Subaward between Subrecipient and County are not allowable. Expenses charged against Subaward Sums during any Fiscal Year period may not be incurred outside of that Fiscal Year period.

1.4 Budget Limitation

Expenses may not exceed the maximum limits shown on the Budget(s).

1.5 Unspent Funds

Subrecipient shall return any unspent Subaward Sums to County unless otherwise permitted by this Subaward. In addition, County will determine the disposition of unspent Subaward Sums upon expiration or termination of this Subaward and at the end of each Fiscal Year period.

1.6 Necessary, Proper and Reasonable

Only those expenditures that are necessary, proper and reasonable to carry out the purposes and activities of the Program are allowable. These expenditures must clearly evidence a benefit(s) to the Program.

2.0 Allocable Expenses

When Subrecipient provides services in addition to the Services required under this Subaward, Subrecipient shall allocate expenditures that benefit

programs or funding sources on an equitable basis.

In accordance with Administrative Requirements, Subrecipient shall define its allocable expenses as either direct or indirect costs (as defined in Subsections C.2.1 (Direct Costs) and C.2.2 (Indirect Costs) below) and shall allocate each cost using the basis that is most appropriate and feasible.

Subrecipient shall maintain documentation of allocated expenses (e.g., timecards, time summaries, square footage measurements, number of employees, etc.).

Under no circumstances shall allocated expenses be charged to an extent greater than 100% of actual expenses or the same expense be charged both directly and indirectly.

2.1 Direct Costs

Unless otherwise set forth in this Subaward, or required by the funding source(s), direct costs are defined as those costs that can be identified specifically with a particular final cost objective (i.e., a particular program, service, or other direct activity of Subrecipient's organization). Examples of direct costs include salaries and benefits of employees working on the Program, supplies and other items purchased specifically for the Program, costs related to space used by employees working on the Program, etc.

For all employees, other than those employed in general or administrative positions, the hours spent on each program (activity) should be recorded on the employees' timecards and the payroll expenses should be treated as direct charges and distributed on the basis of recorded hours spent on each program.

Joint costs (i.e., costs that benefit more than one (1) program or activity) which can be distributed in reasonable proportion to the benefits received may also be direct costs.

Examples of bases for allocating joint costs as direct costs:

- Number of direct hours spent on each program
- Number of employees working in each program
- Square footage occupied by each program
- Other relevant and equitable methods of allocation

2.2 Indirect Costs

Indirect costs are those costs that have been incurred for common or joint purposes and cannot be readily identified with a particular final cost objective. Examples of indirect costs include salaries, employee benefits,

supplies, and other costs related to general administration of Subrecipient's organization, and the salaries and expenses of executive officers, personnel administration, and accounting staff.

Examples of bases for allocating indirect costs:

- Total direct salaries and wages
- Total direct costs (excluding capital expenditures and other distorting items such as significant one-time expenses, or Lower Tier Subrecipient payments)

2.3 Acceptable Indirect Cost Allocation Methods

Administrative Requirements describe the following allowable methods for allocating indirect costs:

- Simplified allocation method
- Direct allocation method
- Multiple allocation base method
- Negotiated indirect cost rate

Simplified Allocation Method

This method can be used when Subrecipient's major functions benefit from its indirect costs to approximately the same degree. Using this method, all allocable costs are considered indirect costs and an indirect cost rate is determined by dividing total allowable indirect costs by an equitable distribution base.

Example

Agency-wide indirect costs	\$250,000
Less: Capital Expenditures	<u>10,000</u>
Allocable indirect costs	240,000
Total Agency-wide indirect salaries	\$1,000,000
Indirect cost rate (\$240,000/\$1,000,000)	24%
Program direct salaries	\$100,000
Program indirect costs (24% x \$100,000)	<u>\$24,000</u>

Direct Allocation Method

This method can also be used when Subrecipient's major functions benefit from its indirect costs to approximately the same degree. Using this method, all costs except general administration and general expenses are

treated as direct costs. Joint costs for rentals, facilities maintenance, telephone, and other similar expenses are prorated individually to each direct activity on a basis appropriate for that type of cost.

The remaining costs, which consist exclusively of general administration and general expenses are then allocated using the simplified allocation method previously discussed.

Multiple Base Allocation Method

This method can be used when Subrecipient's major functions benefit from its indirect costs in varying degrees. Using this method, indirect costs are grouped to permit allocation of each grouping on the basis of the benefits provided to the major functions. Each grouping is then allocated individually using the basis most appropriate for the grouping being allocated.

Negotiated Indirect Cost Rates

Subrecipient has the option of negotiating an indirect cost rate or rates for use on all its Federal programs. Subrecipient must submit a Cost Allocation Plan to the Federal agency providing the majority of funds to Subrecipient's organization. The approved indirect cost rate is then applied to the total approved direct cost base.

When Subrecipient has an approved indirect cost rate accepted by all Federal awarding agencies, Subrecipient shall submit a copy of the approval letter to County's Compliance Manager upon request.

D. UNALLOWABLE COSTS

The allowability of a variety of different costs are addressed in the following:

- AAA Program: Title 2 Code of Federal Regulations Part 200.421 et seq. and Title 45 Code of Federal Regulations Part 75.421 et seq.
- WIOA and all Other Programs: Title 2 Code of Federal Regulations Part 200.421 et seq.

For all costs, there are certain restrictions and limitations; however, the following costs are not allowable under any circumstances:

- Bad debts
- Contingency provisions (exceptions may include self-insurance, pension funds and reserves for normal severance pay)
- Contributions and donations rendered
- Fines and penalties (e.g., including but not limited to NSF Check Fees, Traffic Citation Fees)

- Lobbying and fundraising activities
- Interest expense (unless expressly allowed by Federal guidelines)
- Losses on other awards
- Capital expenditures
- Entertainment/alcoholic beverages

Additionally, Subrecipient shall not use Subaward Sums to repay disallowed costs.

E. REPORTING FRAUD, ABUSE, MISCONDUCT OR NON-COMPLIANCE

- 1.0 Subrecipient shall report suspected fraud (including welfare fraud), abuse, waste, or misuse of public monies, and misconduct of County personnel to the Los Angeles County Fraud Hotline. Subrecipient shall also report suspected fraud, abuse, waste, or misuse of public monies, and misconduct committed by its employees, volunteers, and any Lower Tier Subrecipients when that fraud affects its Subaward with County. Reportable conditions of fraud include, but are not limited to:
 - Requests for bribes/kickbacks/gratuities by County personnel
 - Favoritism/nepotism in the awarding of County contracts, selection of vendors or hiring of Subrecipient's employees
 - Theft or misuse of any funds, resources or equipment
 - Falsification of records
 - Violation of conflict of interest requirements; etc.
- 2.0 Failure to report the types of fraud/misconduct discussed above may be grounds for termination of this Subaward as solely determined by County.

Regardless of the source of the Subaward Sums (i.e., Federal, State or County/local monies), Subrecipient shall adhere to these purchasing, inventory and disposal requirements for all Fixed Assets, Non-Fixed Assets and Supplies which are defined in Section II (Fixed Asset, Non-Fixed Asset and Supplies), herein. Such requirements include, but are not limited to, the following:

1.0 Area Agency on Aging (AAA) Programs:

1.1 The requirements of this Exhibit S.

1.2 Administrative requirements, procurement standards and cost principles (Administrative Requirements) outlined in Title 2 Code of Federal Regulations Part 200 et seq. and Title 45 Code of Federal Regulations Part 75 et seq.

1.3 Additional requirements which may be communicated to Subrecipient through County memorandum, directives, Change Notices, Subaward Amendments, etc.

2.0 Workforce Innovation and Opportunity Act (WIOA) Programs:

2.1 The requirements of this Exhibit S.

2.2 Administrative requirements, procurement standards and cost principles (Administrative Requirements) outlined in Title 2 Code of Federal Regulations Part 200 et seq. and Title 2 Code of Federal Regulations Part 2900 et seq.

2.3 Additional requirements which may be communicated to Subrecipient through County memorandum,

directives, Change Notices, Subaward Amendments, etc.

3.0 All Other Programs:

3.1 The requirements of this Exhibit S.

3.2 Administrative requirements, procurement standards and cost principles (Administrative Requirements) outlined in Title 2 Code of Federal Regulations Part 200 et seq.

3.3 Additional requirements which may be communicated to Subrecipient through County memorandum, directives, Change Notices, Subaward Amendments, etc.

B. Throughout this Exhibit S, references will be made to the Administrative Requirements. These references shall mean that Subrecipient shall follow Administrative Requirements that apply to Subrecipient based on the type of Program being funded through this Subaward (e.g., Area Agency on Aging Programs, Workforce Innovation and Opportunity Act Programs, etc.) and the type of entity that best describes Subrecipient's organization (e.g., non-profit, local government, educational institution, etc.).

C. The requirements outlined in this Section I, herein, are applicable to Fixed Assets and Non-Fixed Assets. When specific requirements related to Supplies are not addressed, Subrecipient shall exercise the same due diligence and care required for the purchase, inventory and disposal of Fixed Assets and Non-Fixed Assets when Subrecipient uses Subaward Sums to purchase Supplies.

D. In the event of any conflict or inconsistency between the requirements established in this Exhibit S and any of the governing Administrative Requirements, the conflict shall be resolved by giving precedence to the governing Administrative Requirements.

II. FIXED ASSET, NON-FIXED ASSET AND SUPPLIES

A. Fixed Asset

1.0 A Fixed Asset is an item which has all of the following attributes:

1.1 Includes, but is not limited to, property, plant, equipment, land, buildings, additions, attachments,

improvements, betterments, machinery, vehicles, furniture, tools, intangibles, mineral resources, etc. used to conduct business under this Subaward and are not consumed/sold during the normal course of Subrecipient's business under this Subaward. Such asset must provide a direct benefit to the Program and Services.

1.2 Has a normal useful life of at least one (1) year and has a unit acquisition cost that is \$5,000 or more.

1.2.1 For purposes of determining how to classify items as either a Fixed Asset or a Non-Fixed Asset, a unit is defined as either one (1) item or a group of individual items which are purchased together as a bundle in order to be used together. As an example, a desktop computer system which includes a tower along with other peripheral items such as a monitor and/or printer or a laptop system which also includes additional peripherals are considered one (1) unit when each of these systems are purchased as a unit.

1.2.2 The unit acquisition cost is the net invoice price of a unit, which includes shipping costs and sales taxes, any applicable credits and discounts as well as the cost of any modifications, attachments, accessories, or auxiliary apparatus which are necessary to make this unit usable for the purpose for which it is acquired.

1.2.3 To determine the unit acquisition cost of an asset, consider the following example: four (4) identical pieces of equipment, which cost \$3,000 each, totaling \$12,000 would not meet the \$5,000 unit acquisition cost threshold.

1.3 Is either purchased with Subaward Sums and/or was acquired by Subrecipient under a Predecessor Agreement(s) for the same/similar purpose as this Subaward. Such purchases must be allowable and allocable under the requirements of this Subaward. For purposes of this Subaward, a Predecessor Agreement(s) shall mean a subaward between County

and Subrecipient that was executed prior to this Subaward for the same/similar Program Services as this Subaward, and such subaward has expired or terminated.

- 2.0 Must be ordered or purchased no later than May 31st of the Fiscal Year.

B. Non-Fixed Asset

- 1.0 A Non-Fixed Asset is an item which has all of the following attributes:

- 1.1 Does not meet all of the requirements for a Fixed Asset, which are outlined above in Subsection II.A (Fixed Asset), herein, and includes, but is not limited to, computers, laptops, copier machines, printers, etc. used to conduct business under this Subaward. Such asset must provide a direct benefit to the Program and Services.

- 1.2 Has a normal useful life of over one (1) year and has a unit acquisition cost that is less than \$5,000 but is at least \$500.

- 1.2.1 For purposes of determining how to classify items as either a Fixed Asset or a Non-Fixed Asset, a unit is defined as either one (1) item or a group of individual items which are purchased together as a bundle in order to be used together. As an example, a desktop computer system which includes a tower along with other peripheral items such as a monitor and/or printer or a laptop system which also includes additional peripherals are considered one (1) unit when each of these systems are purchased as a unit.

- 1.2.2 The unit acquisition cost is the net invoice price of a unit, which includes shipping costs and sales taxes, any applicable credits and discounts as well as the cost of any modifications, attachments, accessories, or auxiliary apparatus which are necessary to make this unit usable for the purpose for which it is acquired.

- 1.2.3 To determine the unit acquisition cost of an asset, consider the following example: four (4) identical pieces of equipment, which cost \$3,000 each, totaling \$12,000 would meet the requirements for the unit acquisition cost described herein.
 - 1.3 All computing devices, regardless of cost (including but not limited to, workstations, servers, laptops, personal digital assistants, notebook computers, tablets, smartphones and cellphones).
 - 1.4 All Portable electronic storage media, regardless of cost (including but not limited to, thumb/flash drives and portable hard drives).
 - 1.5 Is either purchased with Subaward Sums and/or was acquired by Subrecipient under a Predecessor Agreement(s). Such purchases must be allowable and allocable under the requirements of this Subaward.
 - 1.6 Must be ordered or purchased no later than May 31st of the Fiscal Year.
 - 2.0 Whatever amount is approved for the equipment must be the same amount that's reflected on the Budget.
 - 3.0 You must submit a minimum of three (3) bids when requesting approval for equipment.
- C. Usage of the Term "Assets"
- 1.0 Throughout the entirety of this Exhibit S, references will be made to items that are classified as either Fixed Assets or Non-Fixed Assets. The use of these classifications is based on whether the item meets the requirements outlined in Subsection II.A (Fixed Asset), herein, and Subsection II.B (Non-Fixed Asset), herein. In some instances where a specific type of asset is being discussed or addressed, the appropriate term will be used to identify that asset as either a Fixed Asset or a Non-Fixed Asset. Otherwise, any usage of the specific term "Assets" shall mean that the requirements apply to both Fixed Assets and Non-Fixed Assets, collectively (hereafter "Assets").

D. Types of Assets

- 1.0 Additions and Attachments are products that typically involve physical extensions of existing units that are necessary to make these units usable for the purposes for which they are acquired, but do not involve renovations.
 - 1.1 An Addition or an Attachment is considered a Fixed Asset when its cost, combined with the cost of the unit it is attached to, along with its other characteristics, meet the definition of a Fixed Asset as set forth herein.
 - 1.2 Examples of Additions and Attachments include new rooms, new roof, new heating, ventilation and air conditioning (HVAC) system added to an existing building, etc.

- 3.0 Intangible Property is an item which lacks physical substance but gives valuable rights to the owner; and, such item can be either a Fixed Asset or a Non-Fixed Asset.
 - 3.1 The acquisition cost of the Intangible Property

includes all amounts incurred to acquire and to ready the Asset for its intended use. Typical Intangible Property costs include the purchase price, legal fees, and other costs incurred to obtain title to the Asset.

3.2 Examples of Intangible Property include patents, copyrights, leases, computer software, etc.

4.0 Hardware consists of tangible equipment including computers, printers, terminals, etc.; and, such item can be either a Fixed Asset or a Non-Fixed Asset.

E. Supplies

1.0 Supplies are items which have all of the following attributes:

1.1 Are goods, materials or other items which are consumed during the normal course of business and may include, but are not limited to, paper, pencils, printer cartridges, file folders, etc. (i.e., Supplies are items which are used in such a way that once used, they cannot be re-used or recovered afterward).

1.2 Have a unit acquisition cost that is less than \$500.

- B. Any Asset purchased with the non-Federal portion of Subaward Sums, if any, may be capitalized and/or depreciated over the estimated useful lives of these Assets pursuant to Subrecipient's acquisition policies.
- C. Unless otherwise approved by County, compensation for the use of buildings and other capital improvements may be made through depreciation, or a use allowance:
 - 1.0 The computation of depreciation/use allowance is based on the acquisition cost of the asset(s).
 - 2.0 The computation should exclude the cost of land, buildings, and equipment donated by federal, State or County governments and the cost of buildings and land contributed by Subrecipient to satisfy funding matching requirements.
 - 3.0 For depreciation, an appropriate useful life must be established for the asset(s) which considers factors such as the nature of the asset used, susceptibility to technological obsolescence, etc.

- 4.0 A use allowance is computed as an annual rate that may not exceed an annual rate of two-percent (2%) of the acquisition cost if the asset is a building or improvement. A use allowance in excess of the ceiling percentage must be justified by Subrecipient.

A. Assets Purchased with Subaward Sums

- 1.0 Unless otherwise required by Federal or State laws or regulations, or as agreed upon in writing by the parties, Assets remain the property of County until such time as County approves the final disposition of the Assets (i.e., County retains title to all Assets used in the performance of this Subaward).

As an example, a desktop computer system which includes a tower along with other peripheral items such as a monitor and/or printer or a laptop system which also includes additional peripherals are considered one (1) unit when each of these systems are purchased as a unit.

1.2.2 The unit acquisition cost is the net invoice price of a unit, which includes shipping costs and sales taxes, any applicable credits and discounts as well as the cost of any modifications, attachments, accessories, or auxiliary apparatus which are necessary to make this unit usable for the purpose for which it is acquired.

- 1.2.3 To determine the unit acquisition cost of an asset, consider the following example: four (4) identical pieces of equipment, which cost \$3,000 each, totaling \$12,000 would meet the requirements for the unit acquisition cost described herein.

In some instances where a specific type of asset is being discussed or addressed, the appropriate term will be used to identify that asset as either a Fixed Asset or a Non-Fixed Asset. For example, if volunteer services total \$2,000 and the minimum required match is \$1,500 then a maximum of \$750 of volunteer services will count toward meeting the minimum required match. Additionally, Subrecipient does not have to change the amount of volunteer services reflected as in-kind match since only a portion of it may be counted toward meeting the minimum required match. Using the previous example, Subrecipient may reflect \$2,000 (as opposed to \$750) as in-kind match for volunteer services but only \$750 of this amount will be counted toward meeting the minimum required match.

(1): When using volunteer services as an in-kind match to meet the minimum required match, this in-kind match shall not exceed more than fifty percent (50%) of the minimum required match. For example, if volunteer services total \$2,000 and the minimum required match is \$1,500 then a maximum of \$750 of volunteer services will count toward meeting the minimum required match. Additionally, Subrecipient does not have to change the amount of volunteer services reflected as in-kind match since only a portion of it may be counted toward meeting the minimum required match. Using the previous example, Subrecipient may reflect \$2,000 (as opposed to \$750) as in-kind match for volunteer services but only \$750 of this amount will be counted toward meeting the minimum required match.
