PERFORMANCE REQUIREMENTS SUMMARY (PRS) CHART
WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA) RAPID RESPONSE PROGRAM

The Performance Requirements Summary (PRS) Chart is a listing of the minimum required services and performance that will be monitored during the Contract term. The PRS chart also lists examples of the types of documents that will be used during monitoring, as well as the standards of performance and the acceptable quality level of performance.

All listings of required services or standards used in this Performance Requirements Summary Chart are intended to be completely consistent with the terms and conditions of the Contract (Appendix C of the RFP) and the Statement of Work (Exhibit A to the Contract and Appendix A-4 of the RFP) and are not meant in any case to create, extend, revise, or expand any obligation of the CONTRACTOR beyond that defined in the terms and conditions of this Contract and Statement of Work. In any case of apparent inconsistency between required services or Standards as stated in the terms and condition of the Contract, the Statement of Work, and this Performance Summary (PRS) Chart, the terms and conditions of the Contract and the Statement of Work (SOW) will prevail.
